No Findings

Finding	Type	Brief Summary	Resolved?	Action Taken
1	other	APIA was audited for its FY14 Alaska Heating Assistance Program during the FY15 LIHEAP grant year. The audit determined controls were not sufficient to ensure the correct income brackets were used to determine the amount of assistance to be provided and that some participants were not paid the correct amount of heating assistance due to incorrect documentation of income brackets. For the audit, 44 participants were selected for testing and three of these were not placed in the proper income bracket and did not receive the proper amount of assistance. The total assistance received by the three participants totaled \$2,715. The audit recommended management to develop controls to ensure compliance with the guidelines and rules set forth for heating assistance calculations to remain in compliance with the grant. APIA has since designed and implemented new internal controls and procedures to ensure that its heating assistance program meets all compliance requirements for the Alaska Heating Assistance Program. These new procedures include the use of a spreadsheet its Finance Department created to assist in the calculation of gross wages and determination of a client's placement on the poverty/income matrix. The poverty/income matrix has been locked into the spreadsheet and will automatically reference the correct amounts based on the total gross income input by staff. We anticipate the use of this tool will greatly reduce human errors. Additional staff training was also performed and income auto calculation forms are now attached	Yes	procedure/policy changes

to processed heating assistance applications and reviewed for errors by reviewing staff.

Describe the Grantee's procedures for investigating and prosecuting reports of fraud, and any sanctions placed on clients/staff/vendors found to have committed fraud. Select all that apply.

Refer to state Inspector General

Refer to local prosecutor or state Attorney General

Refer to US DHHS Inspector General (including referral to OIG hotline)

Local agencies/district offices or Grantee conduct investigation of fraud complaints from public

Grantee attempts collection of improper payments. If so, describe the recoupment process

If the client gave inaccurate information then the Department Director sends a letter requesting the full amount of the overpayment, with a request for the client to call to set up a schedule for recoupment/repayment, if full payment cannot be made.

If the client does not follow through with repayment, their next benefit is reduced by the amount owed the program.

If it is an agency error, the client is notified of the error, but recoupment is not enforced.

Clients found to have committed fraud are banned from LIHEAP assistance. For how long is a household banned? 1 year from date of offense

Contracts with local agencies require that employees found to have committed fraud are reprimanded and/or terminated

Vendors found to have committed fraud may no longer participate in LIHEAP

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.**
