Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

Clients are notified at the time of application. If Applications are mailed, faxed or just dropped off-applicants are phoned. If no telephone number provided applicants have been mailed out the determination.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The Band does not have any vendor agreements with any of the current vendors. Payment amounts are based on participants bills. Bill amount is verified when intake staff make contact with the vendor.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The vendors used in the community are the same vendors utilized by both the State of Indiana and the State of Michigan, as well as all other charitable organizations throughout the area. Vendors are accustomed to working with the Band. Our ability to pay in a timely fashion will help to ensure that participants are treated fairly. For purposes of LIHEAP the Band works directly with the vendors, thus eliminating much of the interaction. The Band does not have formal agreements in place specifying treatment of participants. It is a matter of reputation, organization and follow through that ensure respectable treatment on our part.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

The Pokagon Band has a full financial dept. Staff in social services processes the applications and submit a request for payment to the Department of Finance. Payments are made by that department- before an actual payment goes out, social services staff are able to review and sign off that the request is correct. This is a very nice check and balance.

Spreadsheets are utilized to track LIHEAP separate from other programs and is broke down into separate categorizes with in LIHEAP-heating, emergency, etc. LIHEAP is assigned a separate account code for tracking of dollars spent to ensure that funds are spent with in the grant cycle. Financial staff meet monthly with program staff to reveiw transactions. New this year the Band will move to a grant management system where the grant flow can be monitored in real time through out the life of the grant.

These comments did not come from a public hearing. What we hear throughout the program and leading up to it are:

- Payment amount is not enough
- Should be outside the service area
- Program should start sooner in the fall
- Split payment is a great idea

This year we got the following:

- I am grateful that I qualify for this benefit
- It would be extremely hard if not available

11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?

Some of those complaints are beyond our control. Over the years what we have done is had a more static date to start and we have added the cooling piece over this last year.

That has never been an issue because applications are completed within just a few hours when submitted.
