They send the bill directly to our office before payment is made.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

This is not an issue in our community, it is a cultural value that elders and children and those who have great need should be taken care of and there is no shame in getting help if it is needed.

Resource	What is the type of resource or benefit ?	What is the source(s) of the resource ?	How will the resource be integrated and coordinated with LIHEAP?
1	Lummi Tribal Hard Dollars	Lummi Nation Tribal Government	Tribal Hard Dollars supplement other sources of heat assistance to make sure all are provided with sufficient warmth for the winter, whatever their heating source. This tribal general fund support goes directly to pay for heat and energy assistance to low-income families and to elders. Hard dollars are used to pay for heating assistance, and costs are based on the current fair market value as charged by the vendors- whether loggers or liquid fuel companies. When other resources are exhausted, the tribe steps in with hard dollars as available to ensure all the community are warm for the winter. The LIHEAP Coordinator and Community Services and other LIBC staff as appropriate ID families and individuals with need for this support.
2	CITGO Donation	CITGO-Venezuela Heating Program	This is a donation to the tribe through the CITGO-Venezuela Heating Oil Program. This humanitarian assistance help low-income communities provide heat to those who would not otherwise be able to afford it. This heating oil donation is coordinated with the Forestry program and other providers, to augment those services. Benefit is that CITGO support helps pay for heating oil for households which need this type of heat, coordinated through a Voucher system by Lummi Community Services and LIHEAP Coordinator.
3	Wood (Forestry) Program	Donated by Lummi Tribe	The Lummi Nation operates a Forestry Program that enables coordination between Forestry Officials and the LIHEAP Coordinator to acquire timber resources from Tribal Lands to support Wood Heat Services. The timber resource may be from tribal lands and/or local timber companies and centrally stored cords of wood will be annually cut and delivered consistent with the community's needs. LIBC contributes Hard Dollars from business enterprises to support this program through Lummi Housing Authority, specifically for the elders, those with disabilities and single parents on a first-come/first-served basis.
4	Propane Assistance for 62+ Elders	Lummi Housing Authority	Lummi Housing Authority staff coordinate with other community based programs (i.e. VanderYatch Propane, Puget Sound Energy, and Cascade Natural Gas, and Whatcom Farmers Co-op) for services provided such as propane, natural gas, and electrical assistance to low-income Elders (62+ in age). LIBC contributes hard dollars from business enterprises to support this program. Propane and natural gas program benefits are coordinated through Lummi Housing Authority and Community Services LIHEAP Coordinator to identify Lummi households with Elders 62+ in age that are in need of heating assistance and the Housing Authority arranges to pay fuel providers.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
