Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

What constitutes a crisis?

Crisis

-Requires intervention within 48 hours

-A crisis is defined as unusual circumstances beyond a family's control, and beyond the ability of nearby neighbors or relatives to assist, that threaten a household with imminent loss of their primary heating source and furthermore, no secondary source is available.

-Crisis vouchers are available to applicants once they have exhausted their maximum benefits. a percentage of crisis assistance dollars are preserved for use after March 15.

-We have many households in transition needing assistance such as payment or deposit to allow hook up of new connections.

Households must provide verification of shut off notice or near empty tank to receive crisis assistance. In addition, they must have exhausted their regular heating benefits. The Quileute Tribal LIHEAP program also provides assistance in certain crisis situations requiring change of name on account or reconnect fees (E.G. domestic violence, emergency move, ect.)

4.3 What constitutes a life-threatening crisis?

-requires intervention within 18 hours

-A life threatening crisis occurs when a family with young children (under the age of 6 years) or an elder (over the age of 50) is without heat in their home. Our area in the northern coast of Washington State experiences long, cold and extremely wet winters with high winds and frequent storms off the ocean. Other considerations for a life-threatening crisis intervention would include interruption of electric services that affect medical needs of the applicant or household member.

In other crisis and life-threatening crisis situations the Quileute Tribal LIHEAP Prgram will process requests within the allotted time period stated above and will make immediate contact with the vendor. Once the commitment is made, payment processing is completed within ten (10) working days. This does not impact client services as vendors accept a written assurance from the program in lieu of payment.

Crisis Requirement, 2604(c)

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).**
