Dear Ms. Fox:

The Rhode Island State Energy Office supports the Narragansett Indian Tribes' Application to operate a Low-Income Home Energy Assistance Program (LIHEAP) for eligible tribal households in the Washington County Area of the State. The Narragansett's will work with South County Community Action Program to establish a system that will safeguard duplicate applications.

The total number of tribal households approved for funding for FY 2000 and for subsequent years, unless otherwise amended will be 240.

Should you have any questions or require further information, please do not hesitate to call me at (401)222-6920.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matteo P. Guglielmetti'.
