Eligibility is determined first based on priority areas: (1) household member has a disability, (2) a household member is 65 or older, and/or (3) there are children in the household that are 6 and younger. All applicants are given two weeks to submit their application to assure priority applications are given first preference to receive funding. Each application is recorded to when Southern Indian Health Council, Inc. received the application. This is to be fair for applicants that have no priority needs are funded based on "first come, first serve" to ensure no bias occurred. Income verification is verified by the LIHEAP Program Coordinator with final review and approval signed off by the Chief Executive Officer, Chief Operations Officer, or the Chief Financial Officer that the application was either approved or denied for payment.
