THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant in years in which the grantee is not permitted to file an abbreviated plan. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

		Start Date	End Date
<input checked="" type="checkbox"/>	Heating assistance	10/01/2022	09/30/2023

<input type="checkbox"/>	Weatherization assistance		

Provide further explanation for the dates of operation, if necessary

Applications are accepted and Seasonal benefits are awarded from October 1 - January 1. During that time if tribal members deplete their seasonal benefit they can apply for their one-time emergency assistance. From January 1st -September 30th, Seasonal clients are still able to receive emergency assistance as well as any qualified tribal member that missed the deadline.

In June 2023 clients were awarded a round 2 benefit. During the summer months it can get extremely hot and humid in New England. This extra funding helped lower the chances of having an energy burden considering households keeping air conditioners and fans running.

Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

Benefits paid to the tribal landlord will result in a corresponding reduction in rental payment by the eligible household.

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

We offer home visit services to homebound tribal members as needed in order to assist and complete their application process. Also, the lower the total household income, the higher the fuel assistance benefits. In establishing the tribes 2023-2024 benefit matrix, we reviewed the 2023-2024 LIHEAP IM on SMI.

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

A letter is mailed to the client stating that they are approved for assistance. Then they are mailed another letter once the payment check is mailed to their vendor which states the client's total benefit amount, the amount paid, name of the vendor, the date the check was mailed, and any additional funds remaining from their LIHEAP benefits.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

We contact the customer and company when receiving the required invoice for delivery to make sure payment requirements are accurate. Most vendors willingly put a promissionary "note" on the account that can be referenced by the client or by the company showing that the Tribe will be paying a portion of their heating bill

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

We have vendors contracts that ensure fair treatment for our LIHEAP clients. If a vendor is found to have treated a LIHEAP client adversely or unfairly, the tribe would then sever its contract with the vendor and no longer issue payments or refer clients to that vendor for heating services.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
