Yes No

If you responded "Yes" to question 4.16, you must respond to question 4.17.

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

The Moratorium protects the following specific categories of clients from having their utilities shut off between Nov. 5th through March 15th- TANF, SNAP, LIHEAP, PAAD, USF. And, the program assists clients who can establish economic hardship. Special Dispensing of LIHEAP Funds in Conjunction with On the eve of Earth Day 2022, the U.S. Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Community Services (OCS), Division of Energy Assistance (DEA), has released nearly \$385 million in funding for the Low Income Home Energy Assistance Program (LIHEAP) for Federal Fiscal Year (FY) 2022. Congress appropriated these funds under the Consolidated Appropriations Act, 2022 (Public Law 117-103 [1]), which provided the final budget for FY 2022 and which the President signed into law on March 15, 2022. As of today, OCS has allocated 99 percent of non-supplemental LIHEAP funds available to LIHEAP grant recipients for FY 2022. LIHEAP grant recipients can use this funding for regular LIHEAP energy assistance, including crisis intervention. ACF encourages grant recipients to use this funding to help offset this summer's anticipated increase in cooling costs--particularly for users of electricity and households with past due home energy bills. Such assistance can also include summer cooling assistance and year-round crisis mitigation measures. As you know, the types of crisis intervention offered will vary depending on what each state, tribe, or territory chooses to offer. Some examples may include, but are not limited to, a higher benefit towards paying home energy bills, repair or replacement of home cooling equipment, provision of generators for emergency use, temporary housing if a household is without access to cooling, weatherization assistance, and prevention of home energy supply interruptions due to the anticipated expiration of utility moratoria in your areas. This Notice of Award will grant a special dispensing of funds to be allocated to clients found eligible for the LIHEAP Heating Grant, a special one time payment on enrolled accounts. The LIHEAP special funding will be applied to found eligible clients cooling cost in a one-time "special payment" extension of benefit for this year. And, this Notice of Increase in cooling benefit to include benefit matrix for Cooling determination of benefits (we will no longer use a flat rate but assess vulnerabilities to determine benefits. Cooling Assistance is available at a minimum benefit rate of \$1,000.00 dollars and ranging to \$5,000.00).

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. 3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and
