| are pro | Our official tribal website www.delawaretribe.org, the Delaware Indian News. We work closely with our Title VI Elder Nutrition ogram, many of which reside in our low income housing on our premises. Our tribal members and other Native Americans within our service a have direct contact with our LIHEAP office. Our Family and Children Services are provided materials and updates as to availability of our ograms as well as all of our other departments; Enrollment, Housing, Cultural Preservation, etc and at our annual General Council Meetings. FY2022 I have placed flyers and information out at Trust Board meetings for the public. I also set up a table during a health fair for the lers and family to receive information. Surveys are placed in the dining hall and handed to applicants as they apply to see what they would like ne different. In this survey, it asks what they know about the program as some have had no idea what LIHEAP actually is. In doing so, the revers are sent information on what LIHEAP does for the community and how it could help them. |

Due to COVID our tribal offices have been shut down to the public since March 2020. We opened up for two weeks and have been shut down ever since due to how many COVID cases we had. We were unable to have public hearings during this time due to the concerns of getting our elders sick and losing them. We just recently started allowing people to join the meetings in person versus virtually. Also, changes in staff without proper training was difficult. The following year (2022) we will be more active and hopefully be able to reach out to more members of our community.

11.2 What changes did you make to your LIHEAP plan as a result of this participation?

Our LIHEAP program's maximum benefit is \$600 for Summer Cooling, Winter Heating and Crisis.

Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only

| 11.4. How many parties commented on your plan at the hearing(s)? 3 | | | | | | | |
| 11.5 Summarize the comments you received at the hearing(s). The three main comments we received were: | | | | | | | |

1. We need to help more elders.

**A list was provided showing the age range of applicants and whom was helped.

2. Asked to raise the max amount.

**This was completed in May 2022 as we did see a need for this. Amount was raised from \$400 to \$600.

3. Asked for more help with the Seniors such as light bulbs.

**Commenter was guided to a different department that also helps with this.

11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?

Max benefit was raised from \$400 to \$600 in May 2022. The need for assistance is greatly increasing with the spike in utility costs but with so many people needing help we have been unable to move forward with any weatherization for FY2022-23.

| LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY |
| Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16 |
| 13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance? |
| Few, if any, funds are used from LIHEAP to provide home energy services. Our Delaware Tribe Housing Program provides that monthly service to those residents residing in tribal housing. Also, as mentioned during the initial interview with an applicant, questions are asked and counseling provided about reducing costs and ore making their home more energy efficient if their monthly bill seems exborbitant. We also refer them to our Environmental Department. Counseling the elderly raising grandchildren does seem to be an ongoing and prevalent issue. |
| 13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities? |
| This is a very minimal expense of our budget process. We consider this an administrative cost if an outside source provides a seminar or lecture and typically any expense is minimal because of the various organizations that provide this service such as AARP. Also, our program can sometimes provide information at our Title VI Elder Nutrition programs, health fairs and our environmental office. |
| 13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year. |
| Residents have become more energy efficient conscious due to higher utility bills and are more readily acceptable to suggestions and tips on how to conserve. More one on one discussions and counseling on how to reduce utility bills has occured this fiscal year. |
| 13.4 Describe the level of direct benefitsprovided to those households in the previous Federal fiscal year. |
| Our LIHEAP program has prevented the disconnection or reinstatement of utility services for many households for the heating and cooling session of fiscal year 2022-23 so far. |
| 13.5 How many households applied for these services? 80 |
| 13.6 How many households received these services? 78 |

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP (Benefit Targeting Index, Burden Reduction Targeting Index, Restoration of Home Energy Service, and Prevention of Loss of Home Energy Service). Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

We are a tribal assistance program. Monthly financial statements are provided to the LIHEAP department. The LIHEAP Coordinator keeps an up to date spreadsheet on all applicants and applications are scanned and hard copies are kept as well. With the rise of utility costs, I would love to see a bigger award amount to be able to help with more types of assistance such as blankets and window a/c units in the next few years.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: *Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements
