No disconnection will occur during protection dates if the customer agrees and adheres to a payment plan. Also, if the temperature is going to be under 32 degrees Fahrenheit or if there is excessive heat for more than three (3) days, disconnection is not permissible, so shut offs are limited during both the summer and winter per state laws.

4.18 If you experience a natural disaster, do you intend to utilize LIHEAP crisis funds to address disaster related crisis situations? Yes No

If yes, describe

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

The local Community Action Agency makes the payment directly to the home energy supplier. Households whose home energy suppliers do not have a current Home Energy Supplier Agreement with the program receive funds from the local Community Action Agency to pay the bill. The State monitors this process through the Energy Assistance Program statewide data system.

9.2 How do you notify the client of the amount of assistance paid?

Upon approval by the computer system, the local administering agency provides a copy (indicating approval) of the application to the applicant's household. (This applies to both the Regular and Crisis components)

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

Home Energy Suppliers who participate in the Georgia Energy Assistance Program will satisfy all of the Federal Assurances by signing and complying with the Home Energy Supplier's Agreement. The Home Energy Supplier Agreement will remain in effect for one year. If any of the information provided in the Agreement changes, the fuel supplier is required to notify the Department in writing. This partnership agreement with the home energy suppliers provides additional benefits to low-income households by providing documentation of the need for consideration for extended payment deadlines, delays in cut-off dates, and restoration of services based on the state's agreement to home energy suppliers to pay approved EAP applications.

When needed, the program has the capability to receive validation from the home energy supplier that the bill has been paid as agreed upon. Please see the attached Vendor Agreement.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Page 6, number 11 of the vendor agreement states - That no person shall, on the basis of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or part with funds made available under this subpart. Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1976 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973 shall also apply to any such Program activity.

The Division of Family and Children Services via the Department of Human Services provides a toll-free number that is to be posted in each LIHEAP intake location that can be used to report complaints against vendors should a client feel that they have been mistreated.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.
Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 16 - Performance Goals and Measures

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP (Benefit Targeting Index, Burden Reduction Targeting Index, Restoration of Home Energy Service, and Prevention of Loss of Home Energy Service). Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

Georgia LIHEAP revised the benefits matrix to ensure that Georgia includes the energy burden for the fuel type for the household. Georgia now has various benefit amounts per fuel type. Georgia adjusted the matrix to target those households with the lowest income and the highest energy burden to receive the higher benefit payment. Georgia updated the benefit matrix **to remove** all households with a member aged 60 or older receive the highest energy assistance benefit available, regardless of income or energy cost. Based on historical data, this is usually well over 50% of all LIHEAP assisted households in Georgia each year. The Georgia LIHEAP network will continue to prioritize elderly households by providing them with an early application period. If the benefit goes directly to the applicant, the applicant will receive the lowest benefit amount for either level 1 or level 2. Please see the updated Benefit Matrix.

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grant recipients Other Than Individuals)

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
