LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 1 - Program Components

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

Any administrative costs in excess of these limits must be paid from non-federal sources.

Only households with elderly and/or disabled members, or households actively facing disconnection of service, can apply starting October 1st. All others can apply starting November 1st.

Also, Iowa's Regular Assistance Benefit Matrix structure awards additional benefit amounts for households with members that are elderly, disabled, and/or have young children.

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

If you administer multiple crisis assistance programs (winter, summer, and/or year-round), Include all program definitions.

The Iowa LIHEAP Policy and Procedures Manual lists allowable year-round crisis measures within expenditure limits. Those allowable measures address the following crisis situations:

- * Repair/replacement of non-working heating units
- * Temporary need for alternate shelter, blankets, electric portable space heaters
- * Disconnected from utility service
- * Disconnection from utility service imminent
- * Emergency delivery of fuel when 30% or less remaining
- * If medically necessary, provide a window/portable air conditioning unit or repair/replacement of existing central AC

4.3 What constitutes a life-threatening crisis?

When a household is facing a crisis situation listed above (sec. 4.2) during a time of extreme weather, and/or has essential medical equipment that has or will become non-operational upon loss of utility service, that household is considered to be in a life-threatening crisis.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours

Explanations of policies for each "yes" checked above:			
<p>- In a standard funding year (no emergency or supplemental federal funding) households must be at imminent threat of disconnection in order to receive a Service Continuity benefit payment and maintain their service connection. For deliverable fuel households, they must be at or below 30% of a full tank, but not yet at 0% or empty to receive an Emergency Delivery – Low Tank benefit payment. However, this additional criterion is specific to the Service Continuity and Emergency Delivery – Low Tank crisis assistance benefit categories only, not overall household LIHEAP eligibility.</p> <p>- In a standard funding year (no emergency or supplemental federal funding) households must already be disconnected from their energy service to receive a Reconnection benefit payment and restore their service connection. For deliverable fuel households, they must be at 0% or empty to receive an Emergency Delivery – Empty Tank benefit payment. However, this additional criterion is specific to the Reconnection and Emergency Delivery – Empty Tank crisis assistance benefit categories only, not overall household LIHEAP eligibility.</p> <p>- Subsidized households where primary heat is included in the rent are eligible for Crisis Assistance if they have a secondary energy burden with a utility vendor. Subsidized households where both heat and electric are included in the rent are ineligible because the household's energy burden is already reduced through the housing subsidy, and there is not an eligible account to address to ensure the crisis is resolved.</p> <p>- Non-subsidized households where all energy utilities are included in the rent are not eligible for Crisis Assistance unless they can demonstrate a measurable primary or secondary energy burden.</p>

4.11 Do you provide individuals who are individuals with a disability the means to:

Submit applications for crisis benefits without leaving their homes?

Yes No

If No, explain.

Travel to the sites at which applications for crisis assistance are accepted?

Yes No

If No, explain.

Agencies do not routinely provide transportation from an individual's home to the agency to complete an application, nor is it a state program requirement to do so. However, agency staff willingly conducts intake off-site which can include the local agency office, or the applicant's home or any preferred location in such situations to best accommodate the applicant.

Applications are also accepted online, via phone, email, and mail. Agencies are contractually required to make home visits when needed.

If you answered "No" to both options in question 4.11, please explain alternative means of intake to those who are homebound or physically disabled?

Benefit Levels, 2605(c)(1)(B)

4.12 Indicate the maximum benefit for each type of crisis assistance offered.

Winter Crisis \$0.00 maximum benefit

Summer Crisis \$0.00 maximum benefit

Year-round Crisis \$5,200.00 maximum benefit

4.13 Do you provide in-kind (e.g. blankets, space heaters, fans) and/or other forms of benefits?

Yes No If yes, Describe

Payment for obtaining temporary shelter, purchase of blankets and/or electric portable space heaters. There is no limit to the number of space heaters a household can receive, except the expenditure limit. The following are minimum requirements for electric portable space heaters:

Portable Space Heater Requirements (not wall-mounted) Wattage Output = 1500 Watts Power Source = Electric Safety Features = Auto Shutoff / overheat protection

4.14 Do you provide for equipment repair or replacement using crisis funds?

Yes No

If you answered "Yes" to question 4.14, you must complete question 4.15.

4.16 Do any of the utility vendors you work with enforce a moratorium on shut offs?

Yes No

If you responded "Yes" to question 4.16, you must respond to question 4.17.

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

State law provides that all households certified eligible for LIHEAP and/or the Weatherization Assistance Program are protected from disconnection of the household's natural gas and electric service from November 1 through April 1. This law applies to every regulated utility in the state.

4.18 If you experience a natural disaster, do you intend to utilize LIHEAP crisis funds to address disaster related crisis situations? Yes No

If yes, describe

Depending on the availability of funding, and the nature of the disaster aligning with allowable program activities, Iowa would focus on disaster scenarios as best we could.

Weatherize shelters temporarily housing primarily low income persons (excluding nursing homes, prisons, and similar institutional care facilities).

Other - Describe:

**please note Iowa uses income amounts based in FPG which exceed 150% (up to 200%) which is allowable as 200% FPG amounts are less than 60% SMI amounts. However, the OLDC report will not allow me to indicate 200% FPG without causing an error, so it had to be entered as 150%.

Mostly under DOE WAP rules, with the following LIHEAP rule(s) where LIHEAP and WAP rules differ (Check all that apply.)

Income Threshold

Weatherization not subject to DOE WAP maximum statewide average cost per dwelling unit.

Weatherization measures are not subject to DOE Savings to Investment Ratio (SIR) standards.

The priority system is consistently applied to all housing types, single family, mobile homes, and multi-unit dwellings.

Client selection for service is based on a point system which is based on an estimate of annual client bill savings for heating, water heating, and air conditioning measures. Additional points are given if any household members are elderly, disabled, or young children.

A household's priority point total will be increased by 5% for each of the following situations:

- The household is occupied by an elderly person
- The household is occupied by a person with disabilities
- The household is occupied by young children

(A household's priority point total could be increased by 15% if each of the situations listed above exists.)

If any of your LIHEAP components are not centrally-administered by a state agency, you must complete questions 8.6, 8.7, 8.8, and, if applicable, 8.9.

8.6 What is your process for selecting local administering agencies?

Community action agencies are given priority by Iowa Code 216A to serve as the local administering agency (Subgrantee) for LIHEAP. In the event that a Subgrantee is no longer able or willing to administer the Low-Income Home Energy Assistance Program in its service area, or if the Grantee determines that a Subgrantee has defaulted on the Contract to administer the LIHEAP program, the Grantee reserves the right to operate the program directly or to select an alternate Subgrantee(s) to provide LIHEAP services in the service area of that Subgrantee.

Selection of an alternate Subgrantee will be based on the following criteria: (1) capacity to deliver the required service; (2) quality of work; and (3) geographical proximity to the service area. Contiguous community action agencies will be given primary consideration by the Grantee in selecting an alternate Subgrantee. If no contiguous community action agency is available to serve the unserved area, the Grantee will solicit a non-contiguous local agency to serve the unserved area. If no contiguous or non-contiguous local administering agency is available to serve an unserved area, the Grantee will solicit a private, non-profit organization providing other related services in the unserved area and capable of meeting all program requirements to serve the unserved area. A public hearing will be held to accept comment on the new Subgrantee selection before a Subgrantee is designated.

8.7 How many local administering agencies do you use? 16

8.8 Have you changed any local administering agencies in the last year?

- Yes
- No

8.9 If so, why?

- Agency was in noncompliance with Grant recipient requirements for LIHEAP -
- Agency is under criminal investigation
- Added agency
- Agency closed
- Other - describe

8.10 If a subrecipient is no longer providing LIHEAP, are you aware of prior-year LIHEAP funds being mismanaged or misspent? Yes No

8.10a If yes, please explain.

8.10b If you are aware, were other federal programs impacted such as CSBG, SSBG, Head Start, TANF, and Department of Energy Weatherization funding, etc. Yes No

8.10c If yes, please explain.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 9 - Energy Suppliers

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

Eligible households who pay an undesignated portion of their rent toward energy costs will receive assistance sent directly to their secondary (electric) provider.

Direct payments to eligible households must be approved by the state office in all circumstances with the exception of the following:

- When both primary and secondary utilities are included in the rent and the account is in the landlord's name (non-subsidized households, and only regarding LIHEAP Regular Assistance).

- When a CAA is unable to locate a vendor for a deliverable fuel LIHEAP customer (e.g., vendor will not sign a General Vendor Agreement, or a vendor is not able to service the tank because it belongs to a different vendor, the household has a small tank (e.g., 20 gallon) and the vendor will not make a delivery or a fill, etc.), they are required to offer a choice of either a direct pay to the LIHEAP customer or payment to a secondary vendor, and the deliverable fuel LIHEAP customer chooses a direct pay.*

- If unable to establish another source of heat, the funds for which the household is eligible are to be made as a direct payment. Direct payment is made with the hope that the LIHEAP customer is able to find an alternate source of fuel or perhaps another place to stay, until they can pay the bill and be reconnected.

- The assistance award for households whose primary source of heat is wood/coal/corn will be forwarded to the household's electric supplier if a suitable wood/coal/corn vendor is not available. If no electric supplier exists, a direct payment to the LIHEAP customer may be made.*

* The CAA must have verified documentation for any direct payments.

9.2 How do you notify the client of the amount of assistance paid?

A determination letter is provided to the customer at the time the application is approved. Depending on the way the application was received, and the customer's preferred method of communication if indicated, this can be as a system notification, an email, or by regular mail. This notification also confirms to the customer which vendor will receive the payment.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

This is included as a provision in our vendor agreements and monitored for compliance.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

This is included as a provision in our vendor agreements and monitored for compliance.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.
Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

The audits will be conducted in accordance with the Comptroller General's standards for audit of governmental organizations and programs, by an organization or person independent of agencies administering LIHEAP activities. LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 12 - Fair Hearings

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the Grant recipient have in the prior federal Fiscal Year? 0

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last federal Fiscal Year as a result of fair hearings?

NA

12.4 Describe your fair hearing procedures for households whose applications are denied and/or not acted upon in a timely manner.

An applicant may initiate an appeal if the completed application was denied, not acted upon timely, or incorrect facts or improper procedures were used to determine eligibility, assistance amounts, or services. The applicant has 30 calendar days from the date of the approval or denial letter to appeal that decision by mailing or delivering the request for appeal to the local Community Action Agency (CAA) at which the application was made. If the CAA neither approves nor denies the application within 30 calendar days of receipt of a complete application, the applicant may treat the failure to act as a denial. The applicant then has 30 additional calendar days to appeal. To appeal, the applicant (claimant) must submit a written appeal to the CAA at which they applied, and include the action the applicant would like taken, and any other information which might affect the decision. Those claimants unable to read or write shall have the CAA assist them in reading, writing, or understanding appeals, hearings, and their associated procedures. The CAA will act on the claimant's request and notify the claimant of the result in writing within seven calendar days of the date an appeal was requested (postmark date if sent in mail). If the claimant does not agree with the decision reached, the claimant may write the CAA within 14 calendar days of the decision (postmark date if sent in mail) and request that a state hearing be held with the Iowa Department of Health & Human Services, Community Action Agencies Sub-division's, LIHEAP Program Manager. The claimant must explain in writing why the agency's decision is being appealed and include any information which might affect the decision. The CAA will forward all information about the request for a hearing to the state LIHEAP office and a hearing will be scheduled within 14 calendar days of receipt of the appeal and request for a hearing. The claimant will receive written notice of a state scheduled hearing from the division. The notice will include the date, time, and place of the hearing. State hearings may be held in person, virtually or by telephone at a mutually convenient time. During the hearing, all information will be reviewed, and a decision will be rendered by the state LIHEAP office within 7 calendar days. The client may appeal the decision of the state LIHEAP office to the Iowa Department of Inspection and Appeals (DIA). The client must submit a written appeal to the CAA Unit within 7 calendar days (postmark date if sent in mail) of receiving the division's decision. The division will follow the appeal procedures outlined in 481 – Chapter 10 of the Iowa Administrative Code.

12.5 When and how are applicants informed of these rights?

Each applicant is provided with a copy of the appeal procedure at the time the application is approved or denied. It is also posted at every intake site and on the state website.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
