	Weatherization is managed by the Oklahoma Department of Commerce and subcontracted to Community Action Agencies throughout the state. OKDHS offers crisis, heating and cooling assistance during open enrollment periods on the dates listed above. Applications are accepted until allocated funding is encumbered. End dates above are estimates. OKDHS accepts telephone referrals for crisis assistance year round from households with a member that has a medical condition that would be life threatening without the utility service or during extreme temperature. Regular crisis is accepted on or after March 15th to meet the crisis requirement. As a result of client feedback, the anticipated open enrollment dates for all program components have been shared on the external OKDHS website and internally on Teams with staff. The anticipated open enrollment dates are communicated in advance with participating utility suppliers through email.

	OKDHS uses gross income to determine LIHEAP eligibility. Households must meet gross income eligibility standard first, and then countable net income is used to determine the benefit amount for winter heating and summer cooling.
	The gross income standard is on Appendix C-7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size. The household's gross income equals 130 percent of the federal poverty guideline.
	The Appendix C-7-A, Estimated Low Income Home Energy Assistance Program (LIHEAP) Benefit Level for all Households shows what benefit amounts OKDHS approves. To calculate net income, OKDHS subtracts any allowable deductions from the gross income. The remainder is the net income. The Appendix C-7-A lists the household size, countable net income, and type of fuel to determine the benefit amount.

OKDHS LIHEAP sends a broadcast message to utility suppliers prior to open enrollment. Many of our utility suppliers give LIHEAP information, on their website, to their customers via phone contact with customer service representatives, as well as billing inserts. OKDHS LIHEAP sends a press release statewide for local television, newspaper, and radio networks to broadcast for upcoming LIHEAP open enrollment periods. OKDHS LIHEAP sends text messages about our LIHEAP general open enrollment periods to Oklahoma households that are validated through a statewide data warehouse. The anticipated program open enrollment dates are posted on the external website. Prior to our open enrollment period, a text message was sent to households using EBT services. OKDHS LIHEAP is listed on the JOIN (Joint Oklahoma Information Network) online directory as well as the Oklahoma Heartline 2-1-1 network directory. Both programs refer customers to multiple agencies, nonprofits, and programs including LIHEAP. As a result of client feedback, the anticipated open enrollment dates for all program components have been posted on the external OKDHS website and internally on Teams with staff. The anticipated open enrollment dates are communicated in advance with participating utility suppliers through email. The life-threatening energy crisis program is available year-round by telephone referral. Information about the program and the call-in number is provided on the OKDHSLive application, OKDHSLive and OKDHS. org websites.

OKDHS shares the list of LIHEAP recipients from the previous year at the beginning of each fiscal year. ODOC and CAAs may also confirm LIHEAP participation by contacting OKDHS. The OKDHS LIHEAP application does not include a checkbox for the referral; however, OKDHS staff makes a referral when the eligibility discussion indicates a need for weatherization. Section 10 - Program, Fiscal Monitoring, and Audit

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

Audit Process: The OKDHS AFS Fiscal Deputy Director will evaluate a random sample of ODOC draw requests to ensure it falls within the terms of the LIHEAP rules and regulations. ODOC must provide the documentation to support a draw request. OKDHS fiscal staff will identify factors that contributed to the risk assessment score. Depending on the risk assessment score, the sub-grantee will be immediately put either on reimbursement status or further monitoring for any corrective action.

Adult and Family Service (AFS) comptroller, AFS LIHEAP program administrative staff, and OKDHS Finance staff work closely to ensure good fiscal accounting and tracking of LIHEAP funds.OKDHS Finance staff use a grant system called GrantsPLUS that tracks all federal grant awards and draws. Each grant award has a separate record by CFDA #, fiscal year, start date, obligation date, expenditure date, and program number. The program number identifies the award's purpose. Examples include, but not are not limited to, "1" for assistance, "2" for administration, "3" for weatherization, and "4" for reallotment. Supplemental awards also receive a program number. To ensure program expenditures are recorded to the benefitting grant, an Expenditure Operating Unit is assigned. Examples include 2710-Heating, 2718-ECAP, 2719- Cooling, and others, as necessary. Financial staff draws the expenditures by Operating Unit from the respective programs. Weatherization tracking also occurs in GrantsPlus. Finance staff have a copy of the Memorandum of Understanding with the Oklahoma Department of Commerce (ODOC). This document and the information in GrantsPlus allows Finance staff to ensure ODOC expends the grant with contractual and award performance period. AFS Finance staff ensure expenditures comply with program rules. LIHEAP encumbrances are monitored daily during the open enrollment application periods until all applications have been processed to ensure that OKDHS does not exceed the allotted amounts. LIHEAP encumbrances are used in conjunction with other internal reports to project for exhaustion of funds and closing the enrollment period.

10.1a Provide your definitions of the following:

Obligation

Funds that have been committed by contract. The funds may cover LIHEAP pending payments to fulfill the binding contract at the end of the federal fiscal year.

Expenditures

Funds payable to LIHEAP eligible clients/utility providers to fulfill the contract commitment for LIHEAP operations.

Expenditure timeframe

Unspent funds can be budgeted for expenditure in the next budget period.

Administrative costs

Costs for general administration and coordination of the program, including direct and indirect costs. This includes the salaries, fringe, rent, utilities, travel, etc. associated with financial and administrative management of the program.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133? \bigodot Yes \bigodot No

10.2a - if yes, describe your auditor selection process.

The OKDHS AFS Fiscal Deputy Director will evaluate a random sample of ODOC draw requests to ensure it falls within the terms of the LIHEAP rules and regulations.
