Other?

Yes No

If yes, describe:

Explanations of policies for each "yes" checked above:

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

There is no differentiation in the formula for calculating benefits however, funds are allocated specifically to allow for outreach to vulnerable households including those with elderly, disabled or young children as residents. These households are encouraged and assisted to apply for LIHEAP benefits.

The benefit formula for the State of Wisconsin provides a 4:1 ratio for households with high energy burdens. Households with the highest energy burden and the lowest income receive the highest benefit. The State of Wisconsin rounds down the median income guidelines for determining income eligibility.

In addition, there is an early application period targeted to households with fixed income (Social Security Benefits, Pensions, dividends/ interest income and/or Veteran's Benefits) which allows them to apply in the summer months for the following Federal Fiscal Year.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

Minimum Benefit	\$30	Maximum Benefit	\$2,580

2.7 Do you provide in-kind (e.g., blankets, space heaters) and/or other forms of benefits? Yes No

If yes, describe.

Wisconsin Home Energy Assistance Program (WHEAP) agencies (sub-grantees) can provide additional services such as blankets, space heaters, weatherization stripping, LED's, etc. LIHEAP funds are used to provide the additional services.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 4 - Crisis Assistance

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	State Median Income	60.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

If you administer multiple crisis assistance programs (winter, summer, and/or year-round), Include all program definitions.

Households must have existing/imminent lack of adequate heat in dwelling (emergency), or a risk of a heating emergency (prevention). While there is not a formal asset test, consideration may be given to resources available to the household before prevention assistance is provided. No household is eligible for crisis cooling assistance without a declaration by a local or state public health agency of a heat emergency and authorization is given by the Department of Administration.

A household may receive more than one crisis assistance payment.

Determination of eligibility for regular heating assistance benefits determines a household's eligibility for Prevention Assistance for the remainder of the program period.

4.3 What constitutes a life-threatening crisis?

To qualify for a potentially life-threatening crisis, the weather and other conditions must create a concern for the urgent safety concern of the household's residents. Determination of a threat to urgent safety concern of an eligible household is based on four factors: expected low temperature, condition of the dwelling unit (habitable, operable furnace, etc.), presence of vulnerable persons (persons with medical need for heat -- elderly, handicapped, children under six, etc.), and alternatives available to the household (place for temporary relocation, etc.). Medical need for heat may be considered in determining the presence of an emergency for vulnerable persons, including households with young children, handicapped and/or elderly persons. The presence of vulnerable persons may affect the amount and type of benefit provided to the household.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours

<input checked="" type="checkbox"/>	Other - Describe:

Wisconsin administers LIHEAP, DOE, Public Benefit weatherization programs and housing programs through the same state office, the Department of Administration, Division of Energy, Housing and Community Resources (DEHCR). LIHEAP is coordinated at the state level with income maintenance programs through agreements and data collection/sharing with the Department of Children and Families (DCF) and Department of Health Services (DHS). DCF operates the Temporary Assistance to Needy Families (TANF), W-2, including the jobs and welfare to work program as well as other assistance programs. DHS operates Medicaid, FoodShare (SNAP), and Aging and Disability Resource Centers.

State of Wisconsin Public Benefits funds are utilized to make non-heating payments to eligible recipients. Public Benefit funds are fully integrated into the Wisconsin Home Energy Assistance Program, WHEAP. LIHEAP funding may be used to sustain non-heating payments to eligible recipients.

Coordination between the state and local level is achieved by including representation from a variety of private and government agencies interested in energy services and/or services for low-income persons on the Low-Income Energy Advisory Committee (LIEAC). Wisconsin also utilizes a workgroup from the Wisconsin Home Energy Assistance Program (WHEAP) agencies to provide input on new policy and system related changes.

WHEAP agencies coordinate their programs with each other, with utility-operated programs and with other government and nonprofit programs operated within their service area. WHEAP Agencies are required to develop a local coordination plan annually to show what is being done to coordinate with weatherization agencies, fuel providers (utility and bulk fuels), and other local groups.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 9 - Energy Suppliers

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

For all of the items requiring policy references, please access the Wisconsin Home Energy Assistance Program (WHEAP) Manual at: <https://energyandhousing.wi.gov/Pages/AgencyResources/energy-assistance.aspx> and access the following sections:

1. Heating, please see sections 1.3.1, 7.1, 7.2, and 7.8
2. Crisis, please see sections 1.1.2, 4.2.1, and 7.2
3. Exceptions, please see sections 7.1, 7.3, and 7.4

9.2 How do you notify the client of the amount of assistance paid?

At the time the LIHEAP payment is sent to the vendor, a payment notification is generated and sent to the customer, indicating the amount of the payment and the vendor to whom the payment was made. When applications are completed interactively, customers are informed at the conclusion of the interview the benefit amount that will be paid to their energy provider. Additionally, each Wednesday, the Wisconsin system processes all completed applications and the system mails customer notification letters.

Households receiving weatherization and/or energy related repairs receive a written work agreement of work to be performed.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The Department of Administration requires vendors to register for participation in the heating assistance program by completing and signing a Vendor Agreement/Contract. To register, fuel suppliers agree that clients will be: treated equally with non-LIHEAP households, not be adversely affected, e.g., the eligible household will be charged in the supplier's normal billing process, the price charged will be the price normally charged non- LIHEAP eligible households, invoices will clearly indicate the amount and cost of home energy provided, and no discrimination will occur against eligible households with respect to terms, deferred payment plans, credit, conditions of sales or discounts offered other home energy customers.

In addition, Vendor Desktop Monitoring is conducted which includes a review of LIHEAP payments and fuel provided, in comparison with non-LIHEAP customers.

Crisis assistance payments are only made to vendors registered for heating assistance. In addition to signing assurances guaranteeing that LIHEAP customers will be treated equally with non-LIHEAP households and will not be adversely affected, registered vendors are required to provide information on costs and procedures for emergency fuel delivery.

Energy related home repair and weatherization purchases made by LIHEAP weatherization providers follow appropriate state or federal procurement guidelines and applicable material standards.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The Department of Administration requires vendors to register for participation in the heating assistance program by completing and signing a Vendor Agreement/Contract. To register, fuel suppliers agree that customers will be: treated equally with non-LIHEAP households, not be adversely affected, e.g., the eligible household will be charged in the supplier's normal billing process, the price charged will be the price normally charged non- LIHEAP eligible households, invoices will clearly indicate the amount and cost of home energy provided, and no discrimination will occur against eligible households with respect to terms, deferred payment plans, credit, conditions of sales or discounts offered other home energy customers.

In addition, Vendor Desktop Monitoring process is conducted which includes a review of LIHEAP payments and fuel provided, in comparison with non-LIHEAP customers.

Crisis assistance payments are only made to vendors registered for heating assistance. In addition to signing assurances guaranteeing that LIHEAP customers will be treated equally with non-LIHEAP households and will not be adversely affected, registered vendors are required to provide information on costs and procedures for emergency fuel delivery.

Energy related home repair and weatherization purchases made by LIHEAP weatherization providers follow appropriate state or federal procurement guidelines and applicable material standards.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

Unregulated vendors are subject to the same program operation policies as regulated vendors. All vendors must register with the Wisconsin Home Energy Assistance Program (WHEAP) by submitting a complete and signed vendor agreement/contract before any payments are made to the vendor. Vendor access to the Home Energy Plus System is limited and does not allow vendors to enter information into the system. Vendor payments are Home Energy Plus System generated and based on approved applications.

Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

**LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP)
MODEL PLAN
Section 10 - Program, Fiscal Monitoring, and Audit**

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

Each federal award is established in the State's PeopleSoft System (STAR) with own unique accounting codes (chart fields). This unique funding string tracks the grant award information, expenditures, benefit refunds, and is used for the fiscal reporting process.

Assistance expenditures for the Low Income Energy Assistance Program (LIHEAP) are initiated in the Home Energy Plus System (HE+) and uploaded to STAR, all other expenditures (i.e. payroll, supplies and services, etc.) are directly created within STAR.

Vendor benefit refunds are tracked by the application number in HE+ and associated vendor with that application. Refunds are processed through HE+ to STAR where refunds are posted to the correct accounting codes.

10.1a Provide your definitions of the following:

Obligation

In year one all LIHEAP funds are considered obligated except for administrative funds not obligated on a purchase order Per Wis. Stats. s. 16.27(3)(e)(1). The 15% transfer to weatherization of the funding received each federal fiscal year is considered obligated to weatherization upon receipt of the Federal award.

Expenditures

Eligible costs per 2 CFR 200 that have been expended in support of the LIHEAP Program.

Expenditure timeframe

The expenditure timeframe is the federal fiscal year from October 1 through September 30 for a duration of five years with a 120-day closeout period.

Administrative costs

Any expenditure incurred by the State or subrecipient normally associated with the support of the LIHEAP program and consists of staff salaries, fringe, indirect, travel, supplies and services, space rent, data processing other admin and operating expenses.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

Yes No

10.2a - if yes, describe your auditor selection process.

The audit and auditor (Wisconsin Legislative Audit Bureau) selection is statutorily directed per Wis. Stats. s. 13.94(1)(b).

10.3. Describe any audit findings of the grant recipient (i.e. State/Tribe/Territory) rising to the level of material weakness or reportable condition cited in the single audits, inspector general reviews, or other government agency reviews from the most recently audited fiscal year.

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the Grant recipient have in the prior federal Fiscal Year? 17

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last federal Fiscal Year as a result of fair hearings?

None.

12.4 Describe your fair hearing procedures for households whose applications are denied and/or not acted upon in a timely manner.

Households have 45 days from the date the application process was completed to file a fair hearing if they believe their application was incorrectly denied, the application received no action in the appropriate timeframe or incorrect facts or improper procedures were used to determine eligibility, assistance amounts, or services provided. The fair hearing procedures follows three steps:

Step 1: Local WHEAP Agency reviews the appeal request and works with the household to try to resolve the issue. If the household is not satisfied with the outcome of the WHEAP Agency's response, a written formal appeal may be submitted to the Division.

Step 2: The Division reviews the formal appeal to ensure compliance with the WHEAP policies, procedures, and applicable statutes. Once DEHCR completes their review, a written appeal decision is sent to the household. If the household is still not satisfied with the outcome of DEHCR's decision, a written formal appeal may be submitted to the Division of Hearings and Appeals (DHA).

Step 3: DHA receives an appeal request and sends an email with a copy of that request, along with a Summary of Action Leading to Appeal form "summary form" and a Request Withdrawal form to the local WHEAP agency contact. The local WHEAP agency completes the summary form and emails it back to DHA.

If the local WHEAP agency is able to resolve the issue with the household, the WHEAP agency indicates that the issue was resolved and explains the actions taken in the Explanation of Action section of the summary form and advises the household to withdraw the appeal.

If the matter has not been resolved between the local WHEAP agency and household, DHA uses the information provided in the summary form to schedule the hearing.

DHA sends a letter to the household notifying them of receipt of the appeal, a letter when the hearing date is sent, and a letter with outcome results.

12.5 When and how are applicants informed of these rights?

Applicants are provided these rights upon application through signing a Certification Page and via the Denial Letter.

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grant recipients Other Than Individuals)

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
