In determining eligibility, priority is given to the elderly, disabled and to households with young children to be sure that LIHEAP is assisting our most vulnerable populations first with available funds.

Renters must provide lease agreements to determine the energy burden on the client and to process payments. Payments are sent to the Lessor. The lessor will be responsible for ensuring that the client's rent is reduced by the benefit amount.

Renters who live in subsidized Apartments where heat is included are not eligible to receive a benefit. Subsidized Apartments have no direct home heating costs.

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

Vulnerable households that have previously been assisted are mailed the application one month before the federal program begins to allow for early benefit disbursement.
