**Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7**

**9.1 Do you make payments directly to home energy suppliers?**

Heating	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Cooling	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Crisis	<input checked="" type="radio"/> Yes	<input type="radio"/> No
Are there exceptions?	<input checked="" type="radio"/> Yes	<input type="radio"/> No

**If yes, Describe.**

If an eligible applicant uses gas to power a generator for heating or cooling their home, they are entitled to receive a payment as an exception. This payment will be made payable to the applicant, provided that they submit purchase receipts to the office as proof of purchase. Failure to submit the required receipts may lead to the denial of future applications until the end of the fiscal year or until the receipts are provided.

In order to determine the justifiability of the requested amount, we have the capability to review past assistance and may also request details such as the make and model of the generator being used. This information will enable us to accurately assess the amount of assistance to be provided, taking into account prevailing gas prices during the relevant time period.

**9.2 How do you notify the client of the amount of assistance paid?**

Throughout the application process, the applicant will be informed about the review and payment procedures. They will be verbally notified about the approved amount and when the voucher or check will be available for payment to the vendor. If the applicant requests a copy of the payment, they will receive a receipt as proof of payment, which will be given, mailed, or hand-delivered

**9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?**

The procedure entails reviewing the bill/voucher provided by the energy supplier to verify the consumption history, ascertain the accuracy of the electrical rate disclosure, and reconcile the customer's charges to ensure their correctness.

**9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?**

The payment for LIHEAP funds is identified by an internal code that is not disclosed to the applicant or vendor. This code does not appear on the vendor check; only the account holder and account number are visible on the check stub. This measure is in place to prevent any negative treatment of LIHEAP recipients.

Please be aware that Tribal personnel have signed a confidentiality agreement and must adhere to our Policies and Procedures. Failure to comply may result in suspension or termination.

**9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?**

Yes  No

**If so, describe the measures unregulated vendors may take.**

These types of payments are applicable to applicants who reside in privately owned trailer parks or apartment complexes. Ensuring that the maximum benefit amount is allocated according to the household's energy burden and LIHEAP Matrix will help mitigate the risk of a home energy crisis. An extension on the payment will be provided to the account to prevent disconnection. During the interview process, applicants receiving financial assistance for home energy costs are advised to make regular payments in order to avoid high energy burden or disconnection.

**Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.**

**If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.**

12.3 Describe any policy and/or procedural changes made in the last federal Fiscal Year as a result of fair hearings?

No hearings were conducted, and consequently, no revisions were implemented.

12.4 Describe your fair hearing procedures for households whose applications are denied and/or not acted upon in a timely manner.

If an applicant is denied, they will be promptly notified. Subsequently, the applicant must arrange a meeting with the Community Liaison to address the issue. The Social Services Eligibility worker will be available to address any inquiries from the applicant and provide a thorough reiteration of the program requirements. Should the issue remain unresolved via informal means, the applicant has a window of five business days from the date of denial to submit a written request for a Fair Hearing. The Quechan Indian Tribe will then have five business days to arrange the Fair Hearing. The Quechan Tribe designates the Quechan Tribal Council as the hearing officers. The Tribal Council Secretary will be responsible for recording the Fair Hearing, and detailed meeting minutes will be documented. During the Fair Hearing, the applicant will be entitled to the following rights:

1. The right to review all records.
2. The right to have a representative accompany them.
3. The right to have a witness.
4. The right to an interpreter.
5. The right to submit evidence.

The designated hearing officers will have three business days to render a decision and notify the applicant in writing. The funds will be held in reserve until a final decision is reached. If the applicant's appeal is successful, the funds will be expediently processed. If the hearing is unsuccessful, the funds will remain available to other qualified LIHEAP applicants.

12.5 When and how are applicants informed of these rights?

During the application process, applicants are informed about the approval and denial process, as well as their right to appeal.

**Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions**

**Instructions for Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

## Section 19: Certification Regarding Drug-Free Workplace Requirements

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

***Controlled substance*** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

***Conviction*** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### **Certification Regarding Drug-Free Workplace Requirements**

##### **Alternate I. (Grant recipients Other Than Individuals)**

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Grant recipients workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
