Payments are made directly to vendors.				
9.2 How do you notify the client of the amount of assistance paid?				
Upon completion of the application, the client is given a document with the award amount on it.				
9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment? All payments are made directly to the energy supplier. The energy supplier will show the credit on the customers bill, indicating that the LIHEAP payment was made and applied. We also follow up with the energy supplier to verify that payment has been received by them.				
9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?				
We routinely monitor the rates of utility vendors in the area to ensure that higher rates are not charged for Tribal members who recieve LIHEAP assistance. Through the years, our department has developed a good working relationship with local vendors in the area, which also helps to ensure that LIHEAP clients are treated fairly & do not pay higher costs for their energy service.				
9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?				
If so, describe the measures unregulated vendors may take. Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92, 02/95, 03/96, 12/98, 11/01 OMB Clearance No.: 0970-013 Expiration Date: 02/28/2027

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 10 - Program, Fiscal Monitoring, and Audit

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

Our department has procedures in place to track LIHEAP funding through Microsoft Excel spreadsheets, which are very detailed and updated after each pledge amount is awarded to an individual. We keep a very lose eye on the spreadsheets, which have formulas in place to automatically show the amount of funding remaining. There is a spreadsheet which keeps track of the total funds expended, as well as which are created for the individual vendors, which list the name and account number s of all Tribal members we are making pledges for to ensure that the funds are properly credited to the correct household.

Our fiscal department maintains financial data and accounting records for all federal funds administered in an accounting system and all accounting systems are subject to an annual audit. Kimaw Medical Center's senior accountant maintains these records. All funding is separated as detailed in the submitted budget (i,e. heating, crisis, admin). The accounting department utilizes Abila MIP Fund Accounting.

10.1a Provide your definitions of the following:

Obligation

Obligation defined in my definition is that the funds are committed for specific use and defined in writing. Examples of obligations are approval letters issues to applicants or an approved LIHEAP application.

Expenditures

Expenditures are payments of funds. Examples are a payment to a vendor or a payment for office supplies.

Expenditure timeframe

This means the timeframe of available funds. Most federal funds remain available for 5 fiscal years after the fiscal year in which we received an award.

Administrative costs

Costs associated with taking applications, determining eligibility and benefit levels, and monitiring the assistance provided.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133? \bigodot Yes \bigcirc No

10.2a - if yes, describe your auditor selection process.

As required by our procurement policy, a RFQ is put out. Auditors are chosen based off of qualifications, experience, and cost.

10.3. Describe any audit findings of the grant recipient (i.e. State/Tribe/Territory) rising to the level of material weakness or reportable condition cited in the single audits, inspector general reviews, or other government agency reviews from the most recently audited fiscal year.

 No Findings
