9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The LIHEAP program treats all applications fairly and within the program guideline matrix. If an applicant believes they have been treated adversely the LIHEAP program has a dispute/appeal process that can be submitted to the program manager, and as far as the director, for the investigation. A written response is sent to the applicant. Our local vendors signed an agreement stating that they agree not to discriminate against eligible households receiving services. Agreements are updated annually.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
