### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 1 - Program Components

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

## Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

1.1 Check which components you will operate under the LIHEAP program. (Note: You must provide information for each component designated here as requested elsewhere in this plan.)	Dates of Operation	
	Start Date	End Date
<input checked="" type="checkbox"/> Heating assistance	10/01/2024	09/30/2025
<input type="checkbox"/> Cooling assistance		
<input type="checkbox"/> Summer crisis assistance		
<input type="checkbox"/> Winter crisis assistance		
<input checked="" type="checkbox"/> Year-round crisis assistance	10/01/2024	07/31/2025
<input checked="" type="checkbox"/> Weatherization assistance	10/31/2024	09/30/2025

Provide further explanation for the dates of operation, if necessary

I had checked off both "Winter Crisis Assistance" and "Year Round Crisis Assistance". There is a real need for year round crisis assistance as our clients need assistance to catch up their exorbitant winter electric bills through the summer months so they have the electricity available for the upcoming winter to run their furnaces. The State of Maine has a moratorium on winter disconnects that often leaves our clients behind or under disconnects come warmer weather. We do not do cooling assistance as the need is not very great here in Northern Maine.

Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

<b>TOTAL</b>	<b>100.00%</b>	<b>100.00%</b>

Tribal grant recipients: direct-grant tribes, tribal organizations, or territories with allotments of \$20,000 or less may use for planning and administration up to 20% of the funds payable. #### Programmatic Grievances/Complaints & Fair Hearing

1. The grievance, which must be asserted within ten (10) working days of the event or incident giving rise to the grievance, shall be discussed (and written documentation) with the Tribal Administrator. Elders will be assisted in completing the appropriate documentation needed. An adult must accompany clients under the age of eighteen (18).
2. The Tribal Administrator will then facilitate the processing of the grievance, starting with the Program Director of the department to which the grievance is asserted against.
3. Each level in the chain of command that reviews the grievance must respond and attach written documentation of the response.
4. If at any time during the programmatic grievance process personnel issues evolve, these issues will be appropriately documented by the level in the chain of command encountering the problem and immediately forwarded to the Personnel Manager for further investigation.
5. If the efforts through the chain of command and the Tribal Administrator have not resolved the issue, the client may then request a meeting with the Program Appeals Board from the Tribal Administrator.
6. The Tribal Administrator, after obtaining appropriate release of information when necessary, will present all information and the nature of the complaint to the Program Compliance Officer.
7. The Program Compliance Officer will review the information and nature of the complaint and schedule a meeting of the Program Appeals Board to render a decision. The Program Appeals Board meeting must be scheduled within ten (10) working days after the grievance is received by the Program Compliance Officer and notification of the time and place will be given to the Program Director and aggrieved client.
8. The client must sign any appropriate authorization for disclosure or release of information forms necessary. A copy of this form will be made available to all members of the Program Appeals Board prior to the meeting. The information release authorization is effective for the specific timeframe to answer the purpose for which it is given and no further information will be released without execution of an additional written statement of consent.
9. Once appropriate release of information is obtained, the Program Appeals Board shall review all information and meet with the aggrieved client as well as pertinent staff, including the Program Director. The Program Appeals Board will render a decision within five (5) working days of the date of the meeting and may sustain, reverse, or selectively alter the Program Director's decision.
10. The Program Compliance Officer will forward the decision of the Program Appeals Board to the Tribal Administrator for review and appropriate action if necessary. The Tribal Administrator will then notify all parties concerned of the decision. The decision of the Program Appeals Board is final.
11. The complete record of the grievance will be placed in the Tribal Administrator's file and upon request of the authority rendering the decision, will be placed in the file of the lower level supervisors involved in the grievance process as described in the preceding steps.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

## Section 19: Certification Regarding Drug-Free Workplace Requirements

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

***Controlled substance*** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

***Conviction*** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### **Certification Regarding Drug-Free Workplace Requirements**

##### **Alternate I. (Grant recipients Other Than Individuals)**

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Grant recipients workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
