LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 4 - Crisis Assistance

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

If you administer multiple crisis assistance programs (winter, summer, and/or year-round), Include all program definitions.

LRBOI defines a crisis as an energy related need that may impact the health and/or safety of a household. Eligibility for energy-related crisis is based on the household's demonstration of an immediate need for assistance with home heating fuel, electricity, energy related home repairs or medically necessary energy service. Crisis means one (or more) of the following:

- An individual or household has a past-due or shut off notice on an energy bill for his/her household.
- Residential fuel tank is less than 25% of it's capacity, or fuel tank over 25% has been locked by the provideer and payment on account will remove the threat.
- Individual or household has a stated need for a non-traditional fuel source (wood, corn, cherry pits, wood pellets).
- Individual or household has received notice that prepayment on account is below \$100.00.
- Notice from a licensed service provider that the homeowners furnace is inoperable and in need of repair.

4.3 What constitutes a life-threatening crisis?

LRBOI defines a life-threatening energy crisis as:

- The household has experienced a disconnect of gas/electric service, run out of propane or non-traditional heating source, or has a statement from a licensed provider that the furnace is inoperable or needs replacement.
- Service restoration is medically necessary for in-home medical equipment.
- The household does not have a temporary housing option while the emergency is resolved.
- The household is not protected under the MI Winter Protection Plan.

Yes No

If you responded "Yes" to question 4.16, you must respond to question 4.17.

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

State of Michigan Disconnect Policy, protection dates November 1 to April 15. This policy reflects PA 95 of 2013; "An electric utility, municipality owned electric utility, or cooperative electric utility may elect to not collect low-income energy assistance funding by annually filing a notice with the MI Public Service Commission by July 1. Notwithstanding any other provision of the act, an electric utility, municipally owned electric utility or cooperative electric utility that elects to NOT collect a low-income energy assistance funding under this section SHALL NOT SHUT OFF SERVICE to any residential customer from November 1 to April 15 for non-payment of delinquent account."

Winter protection policy: Elderly sixty-five (65) or older, recipients of Medicaid, Food Stamps or Department of Human Services cash assistance, full-time active military personnel or persons needing critical care or having a certified medical emergency. Households with income less than one hundred fifty (150) percent of the federal poverty guidelines must be in a payment plan.

Disconnection delay of twenty one (21) days with medical certificate if health of household member would be adversely impacted. Certification of medical condition may be renewed another forty-two (42) days, and date for utility bills extended twenty-two (22) days. Year round shut off protection is available to all residents regardless of income with initial down payment of ten (10) percent of a customer's total bill on monthly budget plan. Customers called to full-time active military service during declared national or state emergency or war, may apply for shut off protection for ninety (90) days, and may request extensions by reapplying.

Deferred payments: Low-income customers must make monthly payments of at least seven (7) percent of their estimated annual bill along with a portion of any past due amount, November 1 through March 31. Consumers Energy, DTE Energy and Cherryland Electric observe the MI Disconnect policy. Propane vendors do not, but will work with our program to ensure households have heating if obligations are made to pay part or all of the balance due.

There are no special dispensation received by LIHEAP clients.

4.18 If you experience a natural disaster, do you intend to utilize LIHEAP crisis funds to address disaster related crisis situations? Yes No

If yes, describe

Crisis funds would be used to assist those affected by the natural disaster based on funds available to restore service, replace damaged equipment or purchase interim energy generating equipment for households with medically necessary energy needs.

MODEL PLAN
Section 9 - Energy Suppliers**

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

LRBOI LIHEAP recipients receive copies of the vendor letter that identifies the amount of assistance, the account to be credited, service address and household account owner.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

Members Assistance requires applicants bring in existing utility bills for review, and to assure that the beneficiary resides in the household that the assistance is requested for. The bills are reviewed, and the amounts verified with the vendor via CPASS (Consumers Energy) or vendor account service hotlines. An minimum obligation is then put into the vendor system to ensure disruption of services is not continued, pending full approval after review. The service address must match the application request.

The applicants information must match the identification submitted and enrollment with the Band is verified in Enrollment.

The amount paid is the amount the client is eligible to receive to prevent shut-off, up to the maximum benefit allowed which may create a credit balance to the account.

LRBOI Members Assistance does not have separate vendor agreements, and all information regarding the client account status is documented in the beneficiaries record, with screen shots, printed documents and written notes where applicable.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

LRBOI provides assistance to underserved Native American households, and relies on the non-discrimination agreements in place through the State of Michigan with energy vendors.

All home repair services must be performed by entities licensed by the State of Michigan Department of Licensing and Regulatory Affairs. The provider must agree to non-discrimination provisions in their agreement and proposals.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 10 - Program, Fiscal Monitoring, and Audit, 2605(b)(10) - Assurance 10

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92, 02/95, 03/96, 12/98, 11/01
OMB Clearance No.: 0970-013
Expiration Date: 02/28/2027

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 10 - Program, Fiscal Monitoring, and Audit

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

LRBOI LIHEAP adheres to the fiscal controls and accounting procedures that have been established by the LRBOI Tribal government, the OMB A-133 circular and Generally Accepted Accounting Practices (GAAP) measures.

Members Assistance as the LIHEAP administration agency for LRBOI monitors expenses by reviewing obligations and expenditures through the revenue and expense reports, and by a spreadsheet that identifies beneficiaries, obligated amounts, payment and vendors.

The accounting system (MIP) is set up to reflect the award amounts, time frame for expenditures in the granting period, and calculates a percent spend for tracking to ensure fiscal utilization is consistent with the grant period. The revenue and expense reports detail amount expended, program sub account code, recipient tribal ID, vendor and the account number.

Vendors must be registered with LRBOI's purchasing department, via W-9 tax identification information to be eligible for payment.

Quarterly reports are provided to the agency, demonstrating the obligated funding and cumulative spend totals. All funds are obligated by fiscal year program with an assigned fund number, and expenditures are made under program guidance identifying administrative costs, carry-over (as applicable), as well as un-obligated amounts.

In program tracking via the MIP accounts system, vendor refunds are re-obligated (credited) back to the sub award category for LIHEAP, and re-obligated to new applicants/beneficiaries throughout the grant cycle.

Members Assistance reviews revenues and expenditure reports weekly and maintains records of obligations in the beneficiaries files.

10.1a Provide your definitions of the following:

Obligation

Obligations are funds set aside or committed for a specific use. In this program, funds are obligated by percentage for each area of use (heating, year round crisis, weatherization and administrative costs) up to 100% of the total award, and the use is defined in writing. Funds obligated for a specific use cannot be used for something else unless they are reallocated for that use. LRBOI establishes obligations by:

- Approval letters to clients/notice to vendors.
- Purchase orders and check requests for LIHEAP expenditures.
- Signed contracts with vendors for work to be performed, including specific amounts for certain work and completion of work.
- Payments recorded in the program General Ledger, revenue and expense sheets.

Expenditures

Expenditures are the payment of funds, processed and approved for the purpose defined. Expenditures include payments to vendors, operational administrative costs, contracted work, employee salaries, and are accounted for in the fiscal record system (revenue and expense reports).

Expenditure timeframe

An expenditure timeframe is the specified period in which available funds can be obligated for a specific purpose. The LIHEAP grant award documents specify a grant period from October 1, 2024 through September 30, 2025, and all funds must be obligated, expensed and accounted (paid out) by that date.

Administrative costs

Administrative costs are those costs associated with the management of the program. LRBOI uses administrative costs to pay employee salaries, benefits and supplies necessary to run the LIHEAP program.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

Yes No

10.2a - if yes, describe your auditor selection process.

LRBOI seeks bids from independent auditing firms licensed to perform the duties, and awards a contract for a period of up to three years to perform the single audit.

10.3. Describe any audit findings of the grant recipient (i.e. State/Tribe/Territory) rising to the level of material weakness or reportable condition cited in the single audits, inspector general reviews, or other government agency reviews from the most recently audited fiscal year.

12.3 Describe any policy and/or procedural changes made in the last federal Fiscal Year as a result of fair hearings?

12.4 Describe your fair hearing procedures for households whose applications are denied and/or not acted upon in a timely manner.

The LRBOI LIHEAP appeals process includes the following steps:

- An initial review of redetermination is made at the administrative level. If the determination is upheld, the beneficiary requests an appeal.
- Review of the appeal by the Members Assistance Director, a caseworker not involved with the determination, and a representative of the Ogema's office (Tribal Manager/Lead Staff).
- All materials related to the determination are reviewed, including program eligibility and award criteria.
- Interviews are conducted with the beneficiary and the benefit administrator/determination staff.
- The panel must reach consensus of 2/3 on the determination, and issue a written determination within 14 days.
- The determination is sent to the beneficiary and a copy is kept in the beneficiary file.
- Determinations by the review panel that overturn the Members Assistance administrative decision must be put in writing and the funds are obligated for payment.
- Beneficiaries have the right to appeal denials by the review panel to the Ogema and Tribal Council for final disposition. If that step is taken, the determination is in writing and final.
- Determinations by the Ogema/Tribal Council that overturn a denial, are sent in writing to the Members Assistance department and obligated for payment, with copies to the beneficiary of the same.
- Determinations that uphold a denial are sent in writing to the Members Assistance department, copied to the beneficiary and kept in the beneficiary record.

A denial determination or an appeal does not prohibit the beneficiary from subsequent benefits or re-application to the program should there be a change in primary circumstances impacting the individual or the household.

12.5 When and how are applicants informed of these rights?

Applicants are informed of these rights at the time of application, at the time of denial of services and upon request.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grant recipients Other Than Individuals)

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Grant recipients workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a

central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
