Section 9 - Energy Suppliers

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

Payments are made directly to the home energy suppliers once services are rendered. During the summer season, portable and window air conditioning units are issued directly to program clients who are in need of air conditioning equipment.

Exception for Renters: The only exception for payments is made directly to the Turtle Mountain Housing Authority on behalf of eligible clients whose heating costs is included as part of their rent. LIHEAP staff coordinates with the Turtle Mountain Housing Authority regarding renters whose heating is included as part of their rent.

9.2 How do you notify the client of the amount of assistance paid?

Program eligible clients are informed by mail of the approved heating benefit allocation awarded for the heating season. The LIHEAP staff will notify the energy vendor of each eligible household service address, and benefit amount and send energy vendor a daily transmittal of eligible approved clients with specific benefit amounts. Per fiscal year, payments are recorded internally in each client's individual file on a client payment history form to track clients awarded allocation amounts, issued payments and balances. Clients may obtain a copy of the recorded transactions as needed. Clients also receive a monthly energy bill from the energy vendor detailing payments that were issued on their behalf from the LIHEAP program. Once the client is near to exhausting allocated benefit amount a letter will be mailed to the client with guidance on the process to apply for emergency crisis assistance.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

To assure that the home energy suppliers will not charge the eligible household in the normal billing process, the difference between the actual cost of the home energy, and the amount of the payment language is included in the vendor agreement between the Tribal LIHEAP and each home energy supplier.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

To assure that no household receiving assistance under this title will not be treated adversely because of their receipt of LIHEAP assistance language is included in the vendor agreement between the Tribe and each home energy supplier.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 10 - Program, Fiscal Monitoring, and Audit

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

To ensure proper fiscal accounting and tracking of funds the Tribe has adopted internal Tribal Accounting and LIHEAP policies and procedure requirements for fiscal accounting and tracking of funds.

The LIHEAP Program Director, along with the Grants Compliance department track grant awards, including grant terms and conditions to ensure grant awards are properly administered. The LIHEAP office staff establishes a file for each client that includes a client payment history form to track awarded allocation amounts, issued payments and balances.

The Tribal Finance Department has fiscal controls in place with accounting software to track program revenues and expenditures. Per fiscal year, each LIHEAP grant award is assigned a general ledger account code by the Tribal Finance Fund Manager that allows tracking and recording of financial revenues and expenditures.

To track vendor (benefit) refunds the program staff will record the refund in the clients file and then process a vendor refund form, along with the refund check to the Tribal Finance Department. Tribal Finance Accounts receivable department will record the refund into the finance accounting system to the appropriate fiscal year.

The Tribal Finance Department assigns fund managers to perform LIHEAP fiscal reports and the LIHEAP Director is assigned to perform performance reporting, in accordance with grant terms and conditions.

10.1a Provide your definitions of the following:

Obligation

Obligations means the formal, binding agreement or acknowledgment of a liability to pay a certain amount or to do a certain thing for a particular person or set of persons. When referencing a recipient's or subrecipient's use of funds under a Federal award, means orders placed for property and services, contracts and subawards made, and similar transactions that require payment.

Expenditures

Expenditures means charges made by a tribal program, tribal entity, or the Tribal Council to a project or program for which a Federal, state, or tribal award has been received. Such expenditures shall be reported and managed for Generally Accepted Accounting Purposes as:

- (1) The charges may be reported on a cash or accrual basis, as long as the methodology is disclosed and is consistently applied.
- (2) For reports prepared on a cash basis, expenditures are the sum of:
 - (i) Cash disbursements for direct charges for property and services;
 - (ii) The amount of indirect expense charged;
 - (iii) The value of third-party in-kind contributions applied; and
 - (iv) The amount of cash advance payments and payments made to subrecipients.
- (3) For reports prepared on an accrual basis, expenditures are the sum of:
 - (i) Cash disbursements for direct charges for property and services;
 - (ii) The amount of indirect expense incurred;
 - (iii) The value of third-party in-kind contributions applied; and
 - (iv) The net increase or decrease in the amounts owed by the non-Federal entity for:
 - (A) Goods and other property received;
 - (B) Services performed by employees, contractors, subrecipients, and other payees; and
 - (C) Programs for which no current services or performance are required such as annuities, insurance claims, or other benefit payments.

Expenditure timeframe

Expenditure Timeframe or Period of performance means the total estimated time interval between the start of an initial Federal award and the planned end date, which may include one or more funded portions, or budget periods. Identification of the period of performance in the award

which shall include the start and end date and does not commit the awarding agency to fund the award beyond the currently approved budget period.

Administrative costs

Administrative Costs or "Indirect Costs or expense" means those costs incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. To facilitate equitable distribution of indirect expenses to the cost objectives served, it may be necessary to establish a number of pools of indirect (F&A) costs. Indirect (F&A) cost pools must be distributed to benefitted cost objectives on bases that will produce an equitable result in consideration of relative benefits derived.

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).
