If yes, describe:

Explanations of policies for each "yes" checked above:

The Choctaw Nation, in determining the level of assistance to eligible households, has designed a Point Matrix System to effectively target the neediest households living at or under the program's income guidelines. This system of determining levels assures that the households most in need of assistance receive the highest benefits; the highest level of energy assistance is provided to households with the lowest income and the highest energy costs in relation to income, considering family size. No household is guaranteed a certain amount of assistance.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

The Choctaw Nation LIHEAP recognizes vulnerable households as those with elders over the age of 60, disabled household member and households with small children and prioritizes them for services. The factors employed by the Point Matrix System formula provides flexibility to match energy assistance to energy need, incorporating variables and calculations that assure increased levels of assistance to the neediest. Prioritized treatment includes early screening of applications, rapid distribution of program benefits, and higher benefit payments, with reference to the Point Matrix System of benefit determination.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

- Income
- Family (household) size
- Home energy cost or need:
 - Fuel type
 - Climate/region
 - Individual bill
 - Dwelling type
 - Energy burden (% of income spent on home energy)
 - Energy need
 - Other - Describe:

The Choctaw Nation LIHEAP Program awards higher benefit awards for those requesting assistance with propane due to the high cost of the fuel type. The energy need and individual bill is used to determine benefit amounts, the type of requested assistance determines what the benefit amount is. The individual bill provides the information needed to process an application, information such as the vendor, account number and service address are included on the individual bill.

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.6 Describe estimated benefit levels for the fiscal year for which this plan applies. Please note: the maximum and minimum benefits must be shown in the payment matrix.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grant recipients Other Than Individuals)

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:
