LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 1 - Program Components

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

1.1 Check which components you will operate under the LIHEAP program. (Note: You must provide information for each component designated here as requested elsewhere in this plan.)	Dates of Operation	
	Start Date	End Date
<input checked="" type="checkbox"/> Heating assistance	01/06/2025	03/31/2025

Provide further explanation for the dates of operation, if necessary

Due to bills being the previous month reading, it works out better to wait until the energy use for the heating and cooling seasons are being accurately billed for the month of when services reflect on those bills.

Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

1.2 Estimate what amount of available LIHEAP funds will be used for each component that you will operate: The total of all percentages must add up to 100%.	Percentage (%)	Prior year totals
Heating assistance	25.00%	25.00%
Cooling assistance	25.00%	25.00%
Summer crisis assistance	0.00%	40.00%
Winter crisis assistance	0.00%	0.00%

Tribal grant recipients: direct-grant tribes, tribal organizations, or territories with allotments of \$20,000 or less may use for planning and administration

up to 20% of the funds payable. Grant recipients that are direct grant tribes, tribal organizations, or territories with allotments over \$20,000 may use for planning and administration purposes up to 20% of the first \$20,000 (or \$4,000) plus 10% of the funds payable that exceeds \$20,000. Any administrative costs in excess of these limits must be paid from non-federal sources.

1.3 The funds reserved for winter crisis assistance that have not been expended by March 15 will be reprogrammed to:

<input type="checkbox"/>	Heating assistance	<input type="checkbox"/>	Cooling assistance
<input type="checkbox"/>	Weatherization assistance	<input checked="" type="checkbox"/>	Other (specify): year round crisis

Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8

1.4 Do you consider households categorically eligible if at least one household member receives at least one of the following categories of benefits in the left column below? Yes No

If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.

	Heating	Cooling	Crisis	Weatherization
TANF	<input checked="" type="radio"/> Yes <input type="radio"/> No	<input checked="" type="radio"/> Yes <input type="radio"/> No	<input checked="" type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input type="radio"/> No

1.4a. - Provide your definition of categorical eligibility.

Categorical Eligibility is for those households that have already been determined to meet another program's income eligibility and guidelines for that household size and there is no reason to have them submit income verification if there are receiving TANF or SNAP benefits. The SSI is acceptable under this benefit with the exception that the applicant/head of household is the primary source of income.

1.5 Do you automatically enroll households without a direct annual application? Yes No

If Yes, explain:

1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?

The benefit matrix for each income bracket is updated per fiscal year and this is the main factor when it comes to the benefit amount that is allowed per household with the income and household size determining the benefit amount.

SNAP Nominal Payments

1.7a Do you allocate LIHEAP funds toward a nominal payment for SNAP households? Yes No

If you answered "Yes" to question 1.7a, you must provide a response to questions 1.7b, 1.7c, and 1.7d.

<input checked="" type="checkbox"/>	<p>Other</p> <p>All households are required to submit income received from every household adult member, whether it be earned or unearned so therefore each household's benefit amount is categorized by total income and household size. A household claiming zero income for long-term, long-term meaning each application from the year prior or longer will have to provide proof of other assistance or self declare how they are able to pay their utilities and expenses any other time of the year other than the LIHEAP assistance. This helps target those households that may need other referrals for other programs, if they are not already enrolled in those programs, but also going one step closer in asking more questions to help those households to become more efficient and assist in their hardships or any barriers they may have.</p>

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 4 - Crisis Assistance

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	State Median Income	60.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

If you administer multiple crisis assistance programs (winter, summer, and/or year-round), Include all program definitions.

A crisis exists when the household faces a termination of utility services or exhaustion on supply or fuel and does not have available resources to meet this immediate need. A crisis may also exist due to extreme cold or heat temperatures, which constitutes a threat to the health of a member of the household, or when a household's means of heating requires repair or replacement. At times of extreme cold or heat, the tribe may waive the need to have a shutoff or empty fuel tank. Due to increased heat stress, for households that lack air conditioning and are not able to safely cool their homes, the crisis component will allow the purchase of air conditioning units for households with vulnerable populations household members. Targeting those vulnerable populations during the extreme heat temperatures and those in need of this service will benefit those that normally are homebound or feel the temperature change the greatest and are effected more than other household members.

4.3 What constitutes a life-threatening crisis?

A life threatening crisis constitutes as a household that has received a disconnect notice on their energy bill or has already been disconnected within the last 24 hours of requesting services and someone in the home has a documented medical condition that requires utility services such as a diabetic keeping their insulin cool or a life supporting medical equipment that requires electric services to be connected.

Crisis Requirement, 2604(c)

Section 9 - Energy Suppliers**

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

In most cases, clients are notified via telephone or email, but the majority of the time will be by telephone so that we can relay the correct information especially if there are other fees that are needing to be paid by the client to ensure that there are no miscommunications that could result in an interruption of services. In addition, a letter of intent to pay is sent to the energy supplier via fax or email. A letter of determination is generated by the program staff and sent to the household if unable to be reached by telephone.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

A vendor agreement is executed verbally to assure the LIHEAP recipient's household are treated in the exact same manner as private pay customers, as well as, assuring that the supplier will comply with State statutes related to provision and termination of utility services. The letter of intent that is sent on behalf of each client's account is kept on file for the life of their file. Once the acceptance of the tribe's letter of intent or pledge from our specific department is honored we ensure that the preferred line of communication is documented just in case there are any questions to the payment to that particular vendor/energy supplier.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The Wichita and Affiliated Tribes is covered under the State of Oklahoma Vendor Agreement statutes. Each letter of intent or payment pledge sent to each vendor specifically states the funding is from the LIHEAP program. Once accepted and confirmed by the vendor that the approved amount has been noted to the client's account, this is noted in each case file and kept on record until payment is made and received on the clients behalf of utilizing the program.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
