## Section 9 - Energy Suppliers,, 2605(b)(7) - Assurance 7

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES  
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92, 02/95, 03/96, 12/98, 11/01  
OMB Clearance No.: 0970-013  
Expiration Date: 02/28/2027

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 9 - Energy Suppliers

#### Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

##### 9.1 Do you make payments directly to home energy suppliers?

Heating  Yes  No

Cooling  Yes  No

Crisis  Yes  No

Are there exceptions?  Yes  No

If yes, Describe.

Yes. Payments are made directly to the energy suppliers - The Makah LIHEAP Program Coordinator contacts and works directly with each local energy supplier to ensure payments will be paid directly to the energy supplier. No payments are made to LIHEAP eligible households.

##### 9.2 How do you notify the client of the amount of assistance paid?

The Makah LIHEAP program works with the LIHEAP applicant to complete the current LIHEAP application which depicts all the required demographic information needed to process the LIHEAP applicant which contains a "Notification of Decision" letter and when the applicant completes all appropriate processes which includes procising or allowing the Makah LIHEAP Coordinator to receive/obtain an energy supplier invoice; receive Makah LIHEAP applicant income verification and to complete the appropriate questions contained in the LIHEAP application. Once the LIHEAP application is full and complete or parts are incomplete, the Makah LIHEAP Coordinator reviews the LIHEAP applications along with supporting documentation and completes the "Notification of Decision" letter, signs and dates the letter, then finally provides the letter directly to the LIHEAP client. If all of the program requirements are met by the LIHEAP applicant, the amount of the benefit is included in the Notification of Decision and the household is determined to be eligible for the type of assistance requested, a copy is provided to the eligible household or mailed to the eligible household within 10 business days. If the LIHEAP application is not properly completed by the LIHEAP applicant, a Notification of Decision is completed, signed, and dated by the LIHEAP Coordinator with the reason he or she remains in pending status. If the LIHEAP applicant is over income, or doesn't provide a proper invoice or the LIHEAP Coordinator cannot obtain an invoice from an energy supplier, the LIHEAP Coordinator will document the reason for denial of assistance and the LIHEAP applicant will be given a notification of decision and a copy of the Appeal - Fair Hearing Process, which includes the LIHEAP applicant's rights and timelines to appeal the LIHEAP Coordinator's decision.

##### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The Makah LIHEAP Coordinator completes a form "Makah LIHEAP Program guarantee a payment for:" the eligible household, the account number, amount of payment guaranteed and the coordinator's signature. Additionally, prior to accepting applications, the coordinator works directly with energy supplier(s) to arrange to meet their agency standards of processing invoices, which includes account numbers or invoice numbers and requests payments be issued with the proper account number via Makah Finance Department. The LIHEAP Coordinator continues regular and on-going communication directly with energy suppliers to assure proper credits are going onto the eligible household account.

##### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Every city/state/private agency energy supplier is checked, including their agency internal policies related to human resources policies to ensure eligible households receive fair treatment. Generally, all agencies we work with and appreciate establishing formal process for payments for LIHEAP assistance. If there were to become an issue reported to the Makah LIHEAP program. The Social Services program Manager would address the adverse treatment by using and abiding by the agency's HR process and take every measure to address the concern so that the approved LIHEAP assistance is provided to the LIHEAP client.

##### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes  No

If so, describe the measures unregulated vendors may take.

Attach a copy of the template statewide vendor agreement or a policy that indicates local agreements must adhere to statewide policies and assurances.

**If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.**

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 12 - Fair Hearings

#### Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the Grant recipient have in the prior federal Fiscal Year? 0

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last federal Fiscal Year as a result of fair hearings?

No changes were made - not applicable.

12.4 Describe your fair hearing procedures for households whose applications are denied and/or not acted upon in a timely manner.

Generally, fair hearing was not needed during the last reporting period. However, the procedures for an ineligible household application would have been denied for not enough information such as proper identifying information, no invoice for payment, no income verification and the applicant has 10 days to provide a written appeal. Once a written appeal is provided, it is provided to the Social Services Manager who appoints a 3 person committee to review all the documentation and sets a meeting to meet with the applicant, at the meeting the committee and the appellant will state why they believe they should be eligible for LIHEAP funding and any evidence to support their claim. The appeal committee reviews any new information and decides one of the following: 1) Applicant provided good evidence to receive funds, 2) Applicant did not provide good evidence and the LIHEAP Coordinator's decision of denial of services stands. The appeals committee can only go by the program requirements when making its decision.

12.5 When and how are applicants informed of these rights?

Generally each applicant is informed of their rights at the time they apply for funding and when they receive a Notification of Decision letter from Makah LIHEAP Program.

**If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.**

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN Section 13 - Reduction of Home Energy Needs

## Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

**13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?**

Applicants are counseled and assisted by the LIHEAP Coordinator to explore ways to keep paying their PUD bills even if we need to set up a payment plan with the utilities company to help keep them from losing their lights and avoid having to pay extra fees to get their power restored. Handouts are given on energy conservation. The Makah LIHEAP Coordinator also provides assistance with energy vendors as necessary. We also help seniors and disabled to fill out their discount paperwork that gives them 20% off their PUD bills each year. LIHEAP Coordinator provides an in home visit to using the assessment tool to identify needs that may be assisted from the Makah LIHEAP Weatherization program funds.

**13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?**

The assistance 16 activities are 5% used for activities to reduce bills, etc. for the LIHEAP clientele and is tracked through the Social Services Managers Director and the accounting department. This makes a huge difference in giving our clients assistance to help them address their utility provider when they struggle to or be able to negotiate their utility bills to be able to keep their power on. This also assists with paying deposits on accounting, name changes on accounts, and a member of households that remained unserved and turned away due to out of funding.

**13.3 Describe the impact of such activities on the number of households served in the previous federal Fiscal Year.**

Makah LIHEAP Program generally noticed another decline in bill amounts for the clients that did received information, assistance, and counseling from the LIHEAP Coordinator.

**13.4 Describe the level of direct benefits provided to those households in the previous federal Fiscal Year.**

Not applicable.

**13.5 How many households received these services? Not applicable.**

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

## Section 19: Certification Regarding Drug-Free Workplace Requirements

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the Grant recipient is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the Grant recipient knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For Grant recipients other than individuals, Alternate I applies.
4. For Grant recipients who are individuals, Alternate II applies.
5. Workplaces under grants, for Grant recipients other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the Grant recipient does not identify the workplaces at the time of application, or upon award, if there is no application, the Grant recipient must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the Grant recipients drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the Grant recipient shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grant recipients attention is called, in particular, to the following definitions from these rules:

***Controlled substance*** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

***Conviction*** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a Grant recipient directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the Grant recipients payroll. This definition does not include workers not on the payroll of the Grant recipient (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the Grant recipients payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### **Certification Regarding Drug-Free Workplace Requirements**

##### **Alternate I. (Grant recipients Other Than Individuals)**

The Grant recipient certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Grant recipients workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The Grant recipients policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and
