Section 3 - Cooling Assistance

Eligibility, 2605(c)(1)(A), 2605 (b)(2) - Assurance 2

3.1 Designate The income eligibility threshold used for the Cooling componenet:

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	110.00%

3.2 Do you have additional eligibility requirements for COOLING ASSITANCE? Yes No

3.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test ? Yes No

Do you have additional/differing eligibility policies for:

Renters? Yes No

Renters Living in subsidized housing ? Yes No

Renters with utilities included in the rent ? Yes No

Do you give priority in eligibility to:

Elderly? Yes No

Disabled? Yes No

Young children? Yes No

Households with high energy burdens ? Yes No

Other? Yes No

Explanations of policies for each "yes" checked above:

Renters MUST have utility bill in the name of the head of household (LIHEAP applicant)

Renters who are recipients of the section 8 of the HUD program administered through Northern Marianas Housing Corporation as utility allowance is already incorporated.

Renters with utilities included in the rent cannot be eligible as it requires that the billing reflect the renter's name.

Eligibility priority for the Elderly, Disabled and Household with high energy burden. Due to the geographic location, people are vulnerable to sickness; asthmatic and skin disease.

In the CNMI, there are three Islands under the Commonwealth. Therefore, with the high cost of living, fuel charge for Rota & Tinian are higher than Saipan. It is critical that LIHEAP establish three different benefit schedule for the three Islands to eliminate their high energy burden.

3.4 Describe how you prioritize the provision of cooling assistance tovulnerable populations,e.g., benefit amounts, early application periods, etc.

Priorities will be available for Elderly individuals and very young children through accessibilty of services; home bound recertification.

The Commonwealth Utilities Corporation is the sole provider of electric energy in the CNMI. This energy is produced by diesel engines, which again require import of fossil fuel. The global rise in the fuel cost and other factors have adversely impacted CNMI's utility rates. Therefore, increase in benefit will be beneficial to our low income recipients.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.5 Check the variables you use to determine your benefit levels. (Check all that apply):

<input checked="" type="checkbox"/> Income
<input checked="" type="checkbox"/> Family (household) size
<input checked="" type="checkbox"/> Home energy cost or need:
<input checked="" type="checkbox"/> Fuel type
<input checked="" type="checkbox"/> Climate/region
<input checked="" type="checkbox"/> Individual bill
<input type="checkbox"/> Dwelling type
<input checked="" type="checkbox"/> Energy burden (% of income spent on home energy)
<input checked="" type="checkbox"/> Energy need
<input checked="" type="checkbox"/> Other - Describe:

In the CNMI, water supply is derived from water wells that are being pumped by source of electricity. Hence, electric charges are imposed on customers. I recommend for LIHEAP benefit to also include the Water Electric charges made to customers or certified LIHEAP clients. Being in a tropic and humid setting, water is one essential element for cooling. Therefore, the charges imposed on our CNMI low income households is too high that majority of our low income people cannot afford their water charges and rather chose to be on shutoff.

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.6 Describe estimated benefit levels for FY 2018:

Minimum Benefit	\$32	Maximum Benefit	\$87
------------------------	------	------------------------	------

3.7 Do you provide in-kind (e.g., fans, air conditioners) and/or other forms of benefits? Yes No

If yes, describe.

Fans, air-conditions will be provided for households that have elderly, disabled and young children, humidifier and nebulizer.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.
