Section 2 - Heating Assistance

Eligibility, 2605(b)(2) - Assurance 2

2.1 Designate the income eligibility threshold used for the heating component:

1	All Household Sizes		HHS Poverty Guidelines	150.00%				
2.2 Do you have a EATING ASSIT	additional eligibility requirements for H ANCE?	• Yes	C _{No}

Renters wi	th utilities included in the rent ?	O _{Yes}	• No					
Do you give prio	rity in eligibility to:

Disabled?		💽 Yes	O _{No}					
Young children?		⊙ _{Yes} O _{No}						
Households with high energy burdens ?		O Yes O No						
Other?		C Yes • No						

Explanations of policies for each "yes" checked above:

Renters who live in subsidized housing where their heat is included in their rent, do not qualify for a heating assistance grant.

Renters who live in subsidized housing who pay a heating vendor for their heat and receive a utility allowance will receive 50% of their grant. These individuals will only receive 50% of their grant because they are already receiving a utility allowance and are not paying 100% of their utility costs.

Renters who live in subsidized housing and pay for their own heat and do not receive a utility allowance will qualify for a regular heating a ssistance grant.

We have a priority system outside of Crisis Applications which is as follows:

1. Elderly

2. Disabled

3. Young Childern

4. Date Stamp Order

We provide applications to elderly and disabled applicants who applied in the prior fiscal year for heating assistance by mailing out their a pplications in late August and allowing them to apply as early as September 1st before all other applicants. Families with young children who appl ied in the previous fiscal year and those who are currently active and receiving Temporary Assistance for Needy Families (TANF) are malied applications around September 23rd prior to the official start of the program on October 1st.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance tovulnerable populations, e.g., benefit amounts, early application periods, etc.

Besides mailing out applications to vulnerable populations before the start of the fiscal year, we provide priority processing when applicati ons are received in the following order:

1. Elderly

3. Families with young children

Also, if an elderly or disabled person or families with young children (under age 6) apply, they get an extra 2.0 points because they are part of the vulnerable population.

If you selected ""	Yes''	' for any of the options in questions 5.6, 5.7, or 5.8, you must provide further explanation of these policies in the text field bel

If a household has an elder, disabled individual, or a child under the age of six, their weatherization application is moved ahead of other households so that they can be addressed ahead of other households.

If the applicant lives in subsidized housing, weatherization is usually accessible through their housing authority.

If the applicant is renting, they are not eligible for weatherization as it is their landlord's responsibility to maintain the property and comple te repairs.
