LIHEAP Grants										
AKHAP Grants										

C. Calculate Grant Amount:		LIHEAP Points	AKHAP Points
1. Community Fuel Points		6	6
2. Determine low-income points. See chart above. * If adding points, eligible for LIHEAP grant. (clear cell) * If deducting points, eligible for AKHAP grant. (gray cell)			
3. Determine Dwelling type points: Subsidized Apartment = deduct 3 points Unsubsidized Duplex/ Apartment = add 0.5 points House = add 1 point Trailer = add 1.5 points			
4. Priority Groups: If household has one or more members over age 60, one or more disabled children/adults, or one or more children under the age of 6, add 1 point			
5. Total points		X 115.00	X 115.00
6. Multiply total points by -			
Total Grant amount
