If you responded "Yes" to question 4.16, you must respond to question 4.17.			
4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.			
<p>Several of Arizona's energy vendors enforce moratoriums with varying criteria. The largest energy vendors are represented below with their specific guidelines.</p> <p>In accordance with Arizona Administrative Code 14-2-211(A)(5)(c) and 14-2-201(46), Arizona Public Service (APS) uses 32 degrees Farenheit as the point in which they stop disconnections for non-payment for low temperatures. In addiiton, APS also developed an internal business process where disconnections are suppressed for non-payment when high heat stress indexes are present, as determined by the Phoenix Heat Alert website that relies on heat and humidity predictions from the National Oceanic and Atmospheric Administration (NOAA).</p> <p>Southwest Gas (SWG) tariff is prohibited from performing shutoffs during periods of time where weather will be especially dangerous to one's health. These weather conditions are defined as that period of time commencing with the scheduled determination date when the local weather forecast, as predicted by NOAA, indicates that the temperature will not exceed 32 degrees Farenheit for the next day's forecast. The Corporation Commission may determine that other weather conditions are especially dangerous to one's health as the need arises.</p> <p>Salt River Project (SRP) self-initiates moratoriums in the winter and summer based on weather conditions. The duration of the self-initiated moratorium fluctuates based on weather conditions. The criteria for moratoriums are extreme cold temperatures or excessive heat warnings issued by the National Weather Service.</p>

Weatherization monitoring encompasses the aforementioned areas, plus on site quality control inspection of weatherized homes. Monitoring visits are also used for contractor training and technical assistance as required. Monitoring relates to Service Providers' separate evaluations of internal controls, such as control self-assessments or internal procedures and performance. Internal monitoring processes shall be practiced by Service Providers. LIHEAP Service Providers have a responsibility to monitor and be monitored for compliance with program requirements.

The Arizona Department of Economic Security monitors Service Providers' compliance with all requirements of federal, state, and local laws, the contractual requirements, and directives in the policy manual. The Service Provider shall cooperate in the evaluation of contracted services. The evaluation may assess the Service Provider's progress and/or success in achieving the goals, objectives, and deliverables set forth in their contract related to LIHEAP.

In order to complete the compliance monitoring, the Arizona Department of Economic Security Contract Specialist and/or the Arizona Department of Economic Security Program Specialist will interview the Service Provider Program Manager, the Fiscal Director, the position responsible for outreach activities, and any other staff whose work is integral to the program, as well as applicants.

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously**

identified the workplaces in question (see paragraph five).

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:
