Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

Clients are notified within three business days of submitting a completed application via telephone. Once Payment has been made, clients are notified by letter with a copy of the check attached.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

1. Client submits a billing statement with account number and balance due. DHHS Prevention & Intervention Services-Central Intake Center contacts energy vendor and verifies balance. Notes are entered into DHHS MAISE client database system.

2. Client is informed of required educational class and class is scheduled.

3. Energy supplier is sent letter of guarantee of payment and the amount to be paid by fax or email.

4. Vendors agree to hold account and avoid disconnection until payment has been received.

Due to a variety of issues and unique circumstances, SRPMIC has chosen not to enter into possible limited vendor agreements with energy suppliers. The community has and continues to maintain a positive relationship with energy suppliers to prevent endangerment to the health, safety and general welfare of community members.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

It is the policy of the Salt River Pima Maricopa Indian Community to protect LIHEAP client information in adherence with the Health Insurance Portability and Accountability Act(HIPPA). Payments made to energy vendors are not an indication that LIHEAP benefits have been provided. Checks are issued from the SRPMIC Finance Department with no identifying information. The SRPMIC LIHEAP Program only includes account information as needed to make payment of the amount indicated on a check.

Additionally, the SRPMIC LIHEAP program meets with energy vendors through various stakeholder meetings throughout the year such as Salt River Project. Salt River Project does not discriminate against individuals applying for any type of assistance. Contrary to discrimination, Salt River Project has instituted several programs to help meet the needs of clients in need such as reduced rate plans low income discounts and guarantee agreements with organizations to hold accounts for customers who may need LIHEAP assistance. SRPMIC acts as a liaison between the vendors and LIHEAP clients to ensure timely and fair resolution of account of billing needs.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

As with other federal programs administered by SRPMIC, LIHEAP will be subject to the "Generally Accepted Accounting Principles" in the United States as applied to government units. The Community's financial records are audited on an annual basis and its general fund budget is prepared in accordance with the established Tribal Budget Procedures Ordinance. SRPMIC uses Oracle Peoplesoft Enterprise Financial Management System, which includes General Ledger, Accounts Payable, Accounts Receivable, Billing, Contracts, Project Costing, Asset Management, Budgeting, Grants Management, Cash Management, Business Planning, and Financial Portal Pack. These fiscal controls and accounting procedures ensure prudent use, proper and timely disbursement and accurate accounting of all Federal funds received by the community.

-Vendor refunds are rare if any, as payments for utility costs are made directly to the utility company or home improvement store. Payments for utilities are verified before payment is requested via company check or credit card. Payments for home improvements(water heater) are made via credit card to the vendor and if a refund is due, the credit card is credited.

- Each components (crisis, heating, weatherization, etc.) has their own line item and monthly reports from the Tribal Finance Department are send to the grantee manager to track spending and availability of funding for each component.
