9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

Payments are mailed directly to the energy suppliers once an invoice is received.

9.2 How do you notify the client of the amount of assistance paid?

At the time of the initial application process, the client is notified of their award amount. We also mail letters directly to each applicant via US Postal Service.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

All payments are made directly to the energy supplier. The energy supplier will show the credit on the customers bill, indicating that the LIHEAP payment was made. We also follow up with the energy supplier to verify that payment has been received by them.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

We routinely monitor the rates of utility vendors in the area to ensure that higher rates are not charged for Tribal members who receive LIHEAP assistance. Through the years, our department has developed a good working relationship with local vendors in the area, which also helps to ensure that LIHEAP clients are treated fairly & do not pay higher costs for their energy service.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.**

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).**
