Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

Finance receives a LIHEAP packet which includes the original bill, voucher sheet explaining the amount that was pledged, original application and proof of income if applicable. The accounts payable clerk will process the check and send it directly to the vendor with two signatures required by appropriate personnel. The department keeps track of all payments disbursed and cleared; a copy of the check is then returned to the LIHEAP personnel and is attached to the LIHEAP packet and filed for annual independent audit.

In the event that there is a refund from the vendor, the refund received is credited to the same account/grant they were paid our of.

Every month the LIHEAP coordinator completes a monthly report including how much LIHEAP dollars were spent, separation of funding line items by components (crisis, cooling, heating and weatherization) and what tribes were assisted. A summary is listed stating the remaining bal ance after all payments were made for that month.
