The priority system is consistently applied to all housing types, single family, mobile homes, and multi-unit dwellings.

Client selection for service is based on a point system which is based on an estimate of annual client bill savings for heating, water heating, and air conditioning measures. Additional points are given if any household members are elderly, disabled, or young children.

A household's client point total will be increased by 5% for each of the following situations:

- The household is occupied by an elderly person
- The household is occupied by a person with disabilities
- The household is occupied by young children

(A household's priority point total could be increased by 15% if each of the situations listed above exists.)

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

Eligible households who pay an undesignated portion of their rent toward energy costs will receive assistance sent directly to their secondary (electric) provider.

Direct payments to eligible households must be approved by the state office in all circumstances with the exception of the following:

- When both primary and secondary utilities are included in the rent and the account is in the landlord's name. *
- When a CAA is unable to locate a vendor for a deliverable fuel LIHEAP customer (e.g., vendor will not sign a General Vendor Agreement, or a vendor is not able to service the tank because it belongs to a different vendor, the household has a small tank (e.g., 20 gallon) and the vendor will not make a delivery or a fill, etc.), they are required to offer a choice of either a direct pay to the LIHEAP customer or payment to a secondary vendor, and the deliverable fuel LIHEAP customer chooses a direct pay.*
- If unable to establish another source of heat, the funds for which the household is eligible are to be made as a direct payment. Direct payment is made with the hope that the LIHEAP customer is able to find an alternate source of fuel or perhaps another place to stay, until they can pay the bill and be reconnected.
- The assistance award for households whose primary source of heat is wood/coal/corn will be forwarded to the household's electric supplier if a suitable wood/coal/corn vendor is not available. If no electric supplier exists, a direct payment to the LIHEAP customer may be made. *

* The CAA must have verified documentation for any direct payments.

9.2 How do you notify the client of the amount of assistance paid?

A determination letter is provided to the customer at the time the application is approved.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

This is included as a provision in our vendor agreements and monitored for compliance.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

This is included as a provision in our vendor agreements and monitored for compliance.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? 1

12.2 How many of those fair hearings resulted in the initial decision being reversed? 1

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

NA

12.4 Describe your fair hearing procedures for households whose applications are denied.

An applicant may initiate an appeal if the application was denied, or incorrect facts or improper procedures were used to determine eligibility, assistance amounts, or services. The applicant has 30 calendar days from the date of the approval or denial letter to appeal that decision by mailing or delivering the request for appeal to the local administering agency (LAA) at which the application was made.

If the LAA neither approves nor denies the application within 30 calendar days of receipt of a complete application, the applicant may treat the failure to act as a denial. The applicant then has 30 additional calendar days to appeal.

To appeal, the applicant (claimant) must submit a written appeal to the LAA at which they applied, and include the action the applicant would like taken, and any other information which might affect the decision. Those claimants unable to read or write shall have the LAA assist them in reading, writing, or understanding appeals, hearings, and their associated procedures.

The LAA will act on the claimant's request and notify the claimant of the result in writing within seven calendar days of the date an appeal was requested (postmark date if sent in mail).

If the claimant does not agree with the decision reached, the claimant may write the LAA within 14 calendar days of the decision (postmark date if sent in mail) and request that a state hearing be held with the Division of Community Action Agencies (DCAA). The claimant must explain in writing why the agency's decision is being appealed and include any information which might affect the decision.

The LAA will forward all information about the request for a hearing to the DCAA and a hearing will be scheduled within 14 calendar days of receipt of the appeal and request for a hearing. The claimant will receive written notice of a state scheduled hearing from the division. The notice will include the date, time, and place of the hearing. State hearings may be held by telephone at a mutually convenient time or in person. During the hearing, all information will be reviewed and a decision will be rendered by the division within 7 calendar days.

The client may appeal the decision of the DCAA to the Iowa Department of Inspection and Appeals (DIA). The client must submit a written appeal to the DCAA within 7 calendar days (postmark date if sent in mail) of receiving the division's decision. The division will follow the appeal procedures outlined in 481 – Chapter 10 of the Iowa Administrative Code.

12.5 When and how are applicants informed of these rights?

Each applicant is provided with a copy of the appeal procedure at the time the application is approved or denied. It is also posted at every intake site and on the state website.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

Same as outlined in 12.4, the applicant receives the approval/denial letter that also states their right to appeal in the event they believe their application is not acted on in a timely manner. They will be notified that their application will be acted upon in 30 calendar days.

12.7 When and how are applicants informed of these rights?

Each applicant is provided with a copy of the Appeal & Hearing Procedure at the time the application is approved or denied. A copy of the Appeal & Hearing Procedure is also posted at every intake site and on the state website.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Resource	What is the type of resource or benefit ?	What is the source(s) of the resource ?	How will the resource be integrated and coordinated with LIHEAP?
1	Customer Contribution Funds	These funds represent a legislatively mandated customer contribution program, for all state regulated utilities. Customers and members donate money in addition to their energy bill. The utility companies also match donated funds with funds of their own.	These funds are passed through to local community action agencies to augment LIHEAP and Weatherization assistance to low-income households. This is a legislative mandated program. Members of Iowa's community action agencies, the state energy assistance office, the state weatherization office, and low-income representatives were instrumental in establishing rules for these programs.
2	MidAmerican Energy, Interstate Power and Light, Black Hills Energy Weatherization of low-income customers	These funds are the continuation of a one-time legislatively mandated program that regulated utilities return money to low-income customers for energy efficiency programs.	Program representatives have, and continue to document and report on low-income households' energy burdens, and the impact of those burdens on the household's ability to meet basic needs. Through personal contact with utility representatives, LIHEAP program representatives have negotiated low-income energy efficiency funding.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
