Section 1 - Program Components

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075

Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Department of Health and Human Services Administration for Children and Families Office of Community Services Washington, DC 20201

August 1987, revised 05/92, 02/95, 03/96, 12/98, 11/01

OMB Approval No. 0970-0075 Expiration Date: 12/31/2023

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13)Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant in years in which the grantee is not permitted to file an abbreviated plan. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

(Not	Check which components you will operate under the LIHEAP program. e: You must provide information for each component designated here as requested elsewhere in plan.)	Dates of (Operation
		Start Date	End Date
>	Heating assistance	10/01/2021	05/16/2022
	Cooling assistance		
>	Crisis assistance	11/01/2021	05/16/2022
>	Weatherization assistance	10/01/2021	09/30/2022

Provide further explanation for the dates of operation, if necessary

Indiana allows for mail-in applications to begin September 14. On October 1, LSPs may begin to schedule appointments to begin on November 1. Crisis starts on November 1 because by starting crisis November 1, clients will be able to qualify for moratorium.

The online application portal will open on November 1.

We do not plan to administer any benefits in the summer. We have attempted to adjust our matrix to expand the majority of LIHEAP funds during the winter.

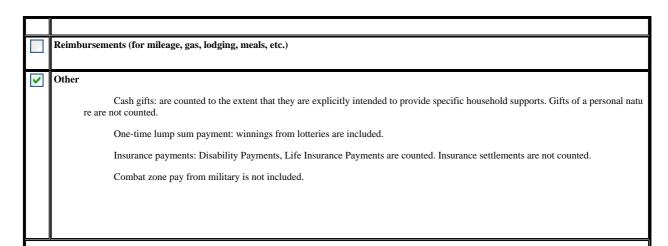

In 2022, we are allocating 9% to Weatherization.

 $Estimated\ Funding\ Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16)\ -\ Assurances\ 9\ and\ 1600(16), 260$

1.2 Estimate what amount of available LIHEAP funds will be used for each component that you will operate: The total of all percentages must add up to 100%.	Percentage (%)
Heating assistance	56.00%
Cooling assistance	0.00%
Crisis assistance	15.00%
Weatherization assistance	9.00%
Carryover to the following federal fiscal year	5.00%
Administrative and planning costs	10.00%
Services to reduce home energy needs including needs assessment (Assurance 16)	5.00%
Used to develop and implement leveraging activities	0.00%
TOTAL	100.00%
	<u> </u>

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.							

Section 4 - CRISIS ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075 Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 4: CRISIS ASSISTANCE Eligibility - 2604(c), 2605(c)(1)(A) 4.1 Designate the income eligibility threshold used for the crisis component Household size Eligibility Guideline Eligibility Threshold All Household Sizes State Median Income 60.00% 4.2 Provide your LIHEAP program's definition for determining a crisis. A crisis situation is an energy emergency when there is a potential disconnection or depletion of the energy sources but is not considered a life threatening crisis. Non-life threatening crisis situations must be mitigated within 48 hours. · Has received a current Notice of Disconnection on residence primary heating sources, such as the electric or natural gas utility but yet not disco nnected, or the household is disconnected but nobody in the household meets at-risk population criteria. Households who heat with a deliverable bulk fuel (e.g., LP, oil, coal, corn, wood, pellets, or other biofuel) or who have prepaid electricity servi ce will automatically be considered to be in crisis at the time of application. Inoperable heating equipment: Households who report that their heating equipment is not operable will be assessed for eligibilty for the Emergency Repair and Replace benefi 4.3 What constitutes a <u>life-threatening crisis?</u> A life-threatening crisis situation must be mitigated within (18) hours. The (18) hour timeframe begins at the point in time the life-threaten ing situation is communicated to LSP staff. A life threatening crisis situation is defined when there is at least one at-risk individual (adult age 60 o r over, child age 5 or under, person with a disability, or veteran) and any of the following criteria is met: 1. Heating and/or electric service is currently shut off or disconnected out of bulk fuel (empty tank). 2. There is a documented medical need where there is an extreme safety concern. 3. Need of propane tank safety inspection. Crisis Requirement, 2604(c) 4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours 4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situation s? 18Hours Crisis Eligibility, 2605(c)(1)(A) 4.6 Do you have additional eligibility requirements for CRISIS ASSIST O Yes O No ANCE? 4.7 Check the appropriate boxes below and describe the policies for each C Yes O No Do vou require an Assets test ? Do you give priority in eligibility to: Elderly? Disabled? Tes O No Young Children? Yes □ No Households with high energy burdens? C Yes O No

4.16 Do any of the utility vendors you work with enforce a moratorium on shut offs?						
⊙ Yes ○ No						
f you responded "Yes" to question 4.16, you must respond to question 4.17.						

4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.

The Indiana General Assembly has enacted Indiana Code 8-1-2-121 governing the termination of natural gas and electric service without the customer's request. This law, which first became effective in 1983, states that utility (Municipally-owned, privately-owned or cooperatively-owned) may not, during the period from December 1 through March 15 of any year, terminate residential utility service to any customer who is eligible for and who has applied for the Energy Assistance Program. The Indiana Utility Regulatory Commission (IURC) later promulgated regulations under the authority of IC 8-1-2-121 at 170 IAC 4-4-16.6 and 170 IAC 5-1-16.6.

Under Indiana state law and regulations, utilities may not disconnect service to customers if:

- · The customer has submitted a complete application and eligibility is being determined by the local LSP or its subcontractor.
- The customer has furnished proof to the utility provider of his/her application to receive EAP benefits; or IHCDA, the local LSP or the LSP's su
 bcontractor has notified the utility provider.

Electric or gas utility providers, including a municipality owned, privately owned, or cooperatively owned utility, qualify as a "utility" for the purposes of the moratorium law. "Municipally owned utility" is a utility owned or operated by a city or town in Indiana.

Any household who has applied for EAP on or after October 1st cannot have its service disconnected between December 1 and March 1 5. A "qualified" household is defined as a household that has active service and has submitted a completed application to the LSP, and a staff pers on at the agency has determined or is determining that eligibility.

If a utility provider has negotiated a payment arrangement with a client who has qualified for EAP and the client violates that payment arrangement before December 1, the utility has the right to disconnect that client prior to December 1, because that client is not yet protected by the m oratorium. If the same client has active service as of December 1, the utility may not disconnect that client until March 16.

A utility vendor may refuse EAP benefit at any time during the heating season. Benefit refusal does not prevent moratorium protection. A client who has submitted a complete application and is being deemed or has been deemed EAP eligible and has active service on December 1 will receive moratorium protection through March 15.

Circumstance may arise where landlords and tenants must create a utility payment arrangement to ensure that the utility bills are paid on ti me. Moratorium protection applies in the following way when the payment between the landlord and client is breached:

If the utility is listed in the landlord's name, but the client has breached payment agreement with the landlord, the landlord may request ser vice disconnection during the moratorium period. Though the client was deemed eligible for EAP assistance, the landlord is the customer of record on the utility bill.

If the utility is listed in the client's name, but the landlord had breached the payment agreement, then the client is protected under the morat orium because the client is the customer of record on the utility bill.

Regulations allow the utility to disconnect the utilities for a customer otherwise covered under the moratorium in the following circumstan

- · If a condition dangerous or hazardous to life, physical safety or property exists.
- Upon order by any court, the IURC, or other duly authorized public authority.
- If fraudulent or unauthorized use of electricity or gas is detected, and the utility has reasonable grounds to believe the affected customer is responsible for such use.
- If the utility's regulating or measuring equipment has been tampered with and the utility has reasonable grounds to believe the affected customer
 is responsible for such tampering.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

All fiscal monitoring will be conducted by an IHCDA employee. To ensure good fiscal accounting and tracking of Liheap funds, IHCDA does the following:

- 1. Every three years the IHCDA monitor conducts a financial monitoring review for the CSBG Comprehensive Administrative Review (C AR). The CAR is relevant as an indicator of the LSP's general strength in terms of fiscal accounting procedures, especially since all of our LSPs except for one are Community Action Agencies who receive CSBG funds. The monitoring includes, but is not limited to, the following:
- · Balance sheet
- · Income statement
- · Bank reconciliation for financial statements
- · Accounts payable
- · Accounts receivable
- · Claims
- · Audit files
- · Aging payables and receivables
- Any findings associated with EAP or LIHEAP-Weatherization
- · Fiscal year end or interim balance sheets
- Review each sub-grantee's policies and procedure manuals related financial practices, such as the Cost Allocation Plan, Inventory List, Fraud, I
 nternal Controls, Disposition and Procurement Procedures.
- 2. IHCDA's monitor reviews LSPs claims and transmittals to assess compliance with time limits for submission and accuracy of amounts claimed
- 3. The IHCDA Internal Auditor and the Director of Community Programs reviews each sub-grantee's most recent single or program-specific audit required by the Single Audit Act Amendment of 1966, (U.S.C. 7501-7507) previously prescribed as an A-133 Audit. IHCDA may review and document any unresolved findings from other funding sources in the most recent financial audit.
- 4. LSP subgrantee agreements and budgets: When an allocation is made to an agency, an agreement is created along with a budget form. Each LSP fills out the budget adhering to the percentages allowed for each line item. Each line item is entered separately into the claims and paym ent system and the budget is line-item enforced so that the agency cannot overspend in any line. During Close Out of the federal year, LSPs provid e their close out documentation to make sure their budget, their expenditures and their percentages are in line with what IHCDA shows.

IHCDA tracks funds regularly during the year to compare LSP spending to benchmarks that they must meet. This allows IHCDA to make sure that all LSPs are receiving the funds they need to best serve their clients. For example, funds can be reallocated among agencies if some agencies are running low on funds.

- 5. Documentation: LSPs may claim reimbursement for LIHEAP-obligated funds from IHCDA. LSPs must submit documentation for all cl aims. There is no minimum threshold for reimbursements of assistance payments made directly by the LSP, such as crisis benefits or Emergency Repair and Replace services. For reimbursements of purchases made using the administrative budget, there is a \$1,000 threshold for detailed doc umentation.
- 6. Vendor Refunds: IHCDA policies and procedures require that when a utility vendor sends back a refund for an unused portion of a LIH EAP benefit, the vendor is to include the following information with their remittance of payment: the name of the LSP that provided the benefit, the client's name, the client's account number, and the internal transmittal number on which the benefit had been paid out. This allows IHCDA to properly track and account for the benefit refund and to apply the correct amount to the client's new utility if the client properly completes the benefit transfer form. Any refunds for which the client does not request a benefit transfer are reinvested into the statewide program. This year, IHCDA is rolling out a new register sheet for vendors to include with refund and overpayment checks in order to more consistently gather the relevant information and encourage better reporting from the vendors.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

O Yes O No

10.3. Describe any audit findings rising to the level of material weakness or reportable condition cited in the A-133 audits, Grantee monitoring as sessments, inspector general reviews, or other government agency reviews of the LIHEAP agency from the most recently audited fiscal year.

		•	r. Additional monitoring may be done of	on higher risk agencies.
10.6 Explain,	or attach a copy of yo	ur local agency monitoring schedule :	and protocol.	
• IHC • IHC P) or • IHC	DA reserves the right to modified quality impro DA will ensure that a re	3% of the agency's client eligibility files o monitor additional files if the agency is overnent plan (MQIP), or if there is a re	is assessed to be at high risk, was recen eason that IHCDA feels that additional files for agency staff or relatives receive	monitoring is necessary.

Notification of desktop monitoring will be sent at least 30 calendar days before the monitoring will begin.

The review will begin with an entrance conference held between the IHCDA monitor(s) and the LSP's EAP management team (or other po int of contact as applicable). The entrance conference will familiarize the agency with the review process and allow the monitor to become familia r with specific details unique to each organization. Currently all EAP client file reviews are conducted remotely by desktop. EAP Fiscal Review m ay be conducted onsite if part of another IHCDA monitoring. During the desktop review, the EAP Monitor will provide ongoing communication of the findings to the LSP and allow for constant feedback so an accurate and complete picture is obtained of the monitored activity. When the mon itoring session is complete, an exit conference will be conducted to provide the LSP with a preliminary report of the results.

After the monitoring review, the IHCDA monitor will send the LSP a letter outlining the monitoring findings or concerns. LSPs are given an opportunity to appeal the findings once to the EAP monitor and then, if necessary to the Division Director. Agencies will be given an overall performance score. Agencies with Overall Performance Scores below 87% may be put on a corrective action improvement plan. Improvement plans are tailored to improving the performance of the agency and may include additional training, peer consuling, additional review by IHCDA to understand problematic trends, etc..

After the LSP has either accepted the findings or completed the appeal process, the LSP will take Corrective Action to address the findings identified during the monitoring review. **The LSP will have thirty (30) calendar days to provide to IHCDA any payments and supporting do cumentation agreed upon in the report.** The corrective action may include, but is not limited to: crediting funds to a client's account, paying funds to IHCDA because of an overpayment, or reviewing an application to verify that portions of the application were properly processed.

The LSP will receive a Monitoring Completion Letter once all completed corrective actions have been accepted, documentation of credits to clients, and copies of checks paid to IHCDA have been submitted.

For Weatherization, 5% of completed DOE client files are reviewed (10% for agencies that have an in-house Energy Auditor and Quality Control Inspector). The monitor is advised to give preference to files that include both DOE base and LIHEAP funding. The monitor reviews prog ram administration, procurement, training and licensing, data base input, fiscal information, client file review and field inspections.

10.7. Describe how you select local agencies for monitoring reviews.

Site Visits:

IHCDA may conduct site visits to high risk agencies and agencies who are put on a quality improvement plant (QIP) or modified quality i mprovement plan (MQIP).

Desk Reviews:

LIHEAP files are uploaded into a the EAP statewide database and IHCDA monitors conduct the desk review monitoring. Agencies are expected to ensure all files are uploaded accurately to the statewide database within 45 days of eligibility determination.

10.8. How often is each local agency monitored?

IHCDA will monitor all agencies each year.

10.9. What is the combined error rate for eligibility determinations? OPTIONAL

10.10. What is the combined error rate for benefit determinations? OPTIONAL

 $10.11.\ How many local agencies are currently on corrective action plans for eligibility and/or benefit determination issues? \ 3$

10.12. How many local agencies are currently on corrective action plans for financial accounting or administrative issues? 2

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075 Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? 3

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

N/A

12.4 Describe your fair hearing procedures for households whose applications are denied.

The applicant may appeal a denial or a benefit amount. Below are the steps for the client appeal process. The LSP must provide written no tification of approval or denial to all walk-in households for Energy Assistance within fourteen (14) calendar days of the household's completed an d processed application. If the application is a mail-in application then the LSP must provide a written notification of approval or denial within fif ty-five (55) business days. The notification must include the household's right to appeal that determination.

Step I: If the applicant is not satisfied with any determination by the Program Director of the LSP, he/she may submit a written request to the LSPs EAP Manager or Executive Director for a review of the determination within thirty (30) calendar days of receipt of determination. The Executive Director or LSP Manager will make the determination of the applicants' written request within fourteen (14) calendar days of receipt of a ppeal.

Step II: If the applicant is still not satisfied with the determination after review by the Executive Director, he/she may request formal revie w by the State by submitting a written request to IHCDA's Community Programs Manager for EAP within thirty (30) calendar days. If an applicant needs assistance with this procedure, they may call IHCDA. Either the LSP or the client can submit materials to IHCDA. IHCDA's Community Programs Manager for EAP will review the materials submitted and issue a written finding to the applicant and the LSP based on the documentation submitted within fourteen (14) calendar days of reciept.

Step III: If after both appeals, the client has not recieved satisfaction, he or she may appeal IHCDA's Director of Community Programs wi thin thirty (30) calendar days. The appeal must include the reasons for the applicant's objection to the decision and must be based solely upon evid ence supporting one (1) of the following circumstances:

- 1. Clear and substantial error or incorrectly stated facts which were relied on in making the decision being challenged;
- 2. Unfair competition or conflict of interest in the decision-making process;
- 3. An illegal, unethical or improper act; or
- 4. Other legal basis that may substantially alter the decision.

The applicant will receive written acknowledgment of receipt of the request within seven (7) calendar days of its receipt, noting the day the request was received. The IHCDA Director of Community Programs will have thirty (30) calendar days from IHCDA's receipt of the written request to review the file and make a determination. The decision of the IHCDA Director of Community Programs is final. At the time of the formal review, the benefit in question will be considered as obligated until such time as the review is resolved. If the formal review is successful, the LSP will send a transmittal to be applied to the correct account. If the formal review is unsuccessful the funds will revert to the program.

12.5 When and how are applicants informed of these rights?

The appeal process is included on the client benefit notification letter for both approved and denied applications. The entire LIHEAP Oper ations Manual, with the detailed procedure, is posted on IHCDA's website for the public at https://www.in.gov/ihcda/2329.htm.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

If an applicant feels that an LSP did not act on an application in a timely manner, the applicant may appeal in writing to the executive director of the LSP agency. The LSP agency must respond in writing within fourteen (14) calendar days. If an applicant is not satisfied with the response to the appeal, the applicant will be able to file a further appeal with IHCDA. This information will be communicated on the LSP agency's initial appeal response. IHCDA also allows denied clients to reapply after 55 calendar days.

12.7 When and how are applicants informed of these rights?

Information concerning appeal rights for applications not acted on in a timely manner, as well as guidelines that define what qualifies as ti mely and untimely action, has been posted on IHCDA's public-facing EAP webpage at https://www.in.gov/ihcda/2329.htm. This information is also posted by each LSP agency on their own individual websites, as well as physically posted in each EAP intake site they operate.

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075 Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and ther eby the need for energy assistance?

Indiana uses LIHEAP funds to conduct Family Development and Energy Education.

Family Development provides low-income households with short-term and long-term case management. Clients set goals and receive refer rals for education, budgeting, home energy assessments, employment, child care, and a range of other self-sufficiency tools.

EAP clients may also receive energy education which focuses mainly on energy conservation techniques. Some LSPs give pre-test and post-tests to households to determine how the client's energy education knowledge changed after receiving energy education.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

Indiana restricts LSP budgets by not allowing LSPs to spend more than the maximum of 5% on Family Development and Energy Educatio n. Any costs above 5% are not paid by IHCDA. Because IHCDA does not engage in Assurance 16 activities directly, it is our understanding that a llowing each LSP to use up to 5% of its expenditures for Assurance 16 activities will ensure that Indiana does not overobligate this budget line.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

LSPs choose to do a wide variety of A16 activities including energy education and family development. Some of these activities include b udgeting, career planning, financial education, self sufficiency, referrals, follow ups, support services, and children's programs.

13.4 Describe the level of direct benefits provided to those households in the previous Federal fiscal year.

N/A

13.5 How many households applied for these services? Households do not apply and LSPs have varying methods to conduct energy education, such as including energy education during the time of application and/or scheduled sessions at a later date.

13.6 How many households received these services? 65,863

Section 14 - Leveraging Incentive Program ,2607A

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075

Expiration Date: 12/31/2023

Section 16 - Performance Goals and Measures, 2605(b)

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075 Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP performance measure s. Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

For the 2019-2020 year, IHCDA staff contacted utility vendors in August 2019 to get data. EAP analyst combined and matched the data us ing the temporary EAP database to get results. Vendors are aware from their vendor MOU that they must provide performance measures data. The 2020 and 2021 program year data collections will be very similar. Indiana intends to use available data, including performance measures data, to r eassess and revise its matrix in the coming years in order to more consistently and directly target benefits to households with high energy burden.

August 1987, revised 05/92,02/95,03/96,12/98,11/01 OMB Clearance No.: 0970-0075 Expiration Date: 12/31/2023

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

			Requested			Requested			Requested	
	Other		Applicant Only Required	Applicant On Requested		All Adults in Household Required	All Adults in Household Requested		All Household Members Required	All Household Members Requested
1										

b. Desc	cribe any exceptions to the above policies.
	IHCDA requests social security numbers for all persons, age one (1) and over. Once an applicant has furnished a social security card that c opy for future years indefinitely.
	IHCDA allows other federal or state forms, such as printed W-2s, Medicare cards, and correspondence from the SSA containing the house hold member's full Social Security Number, to be accepted in conjunction with a government-issued ID in lieu of a Social Security Card in order to verify Social Security Numbers.
	IHCDA will allow REAL ID driver's licenses and United States passports to be accepted in lieu of primary verification of a Social Security Number. If an applicant provides a REAL ID or passport, no Social Security Number needs to be provided.
17.3 Id	lentification Verification
Descri apply	be what methods are used to verify the authenticity of identification documents provided by clients or household members. Select all that
	Verify SSNs with Social Security Administration
	Match SSNs with death records from Social Security Administration or state agency
	Match SSNs with state eligibility/case management system (e.g., SNAP, TANF)
	Match with state Department of Labor system
	Match with state and/or federal corrections system
	Match with state child support system
	Verification using private software (e.g., The Work Number)
	In-person certification by staff (for tribal grantees only)
1	Match SSN/Tribal ID number with tribal database or enrollment records (for tribal grantees only)
~	Other - Describe:
	LSP Staff are required to verifiy documents to complete the certification.
	Citizenship/Legal Residency Verification
What all that	are your procedures for ensuring that household members are U.S. citizens or aliens who are qualified to receive LIHEAP benefits? Select apply.
	Clients sign an attestation of citizenship or legal residency
>	Client's submission of Social Security cards is accepted as proof of legal residency
	Noncitizens must provide documentation of immigration status
	Citizens must provide a copy of their birth certificate, naturalization papers, or passport
	Noncitizens are verified through the SAVE system
	Tribal members are verified through Tribal enrollment records/Tribal ID card
>	Other - Describe:
	If a household member cannot or declines to provide verification of a Social Security Number, the member is considered an "ineligible" ho usehold member. They are not included in the count of household members as they are ineligible to receive a benefit, but the ineligible household member's income is still counted against the household's total income.
17.5. I	ncome Verification
	methods does your agency utilize to verify household income? Select all that apply.
>	Require documentation of income for all adult household members
	✓ Pay stubs
	Social Security award letters
	Bank statements
	✓ Tax statements
	✓ Zero-income statements
	✓ Unemployment Insurance letters
	Other - Describe:
>	Computer data matches:
	Income information matched against state computer system (e.g., SNAP, TANF)

✓ Proof of unemployment benefits verified with state Department of Labor
Social Security income verified with SSA
Utilize state directory of new hires
Other - Describe:
17.6. Protection of Privacy and Confidentiality
Describe the financial and operating controls in place to protect client information against improper use or disclosure. Select all that apply.
Policy in place prohibiting release of information without written consent
Grantee LIHEAP database includes privacy/confidentiality safeguards
Employee training on confidentiality for:
Grantee employees
✓ Local agencies/district offices
Employees must sign confidentiality agreement
Grantee employees
✓ Local agencies/district offices
Physical files are stored in a secure location
Other - Describe:
17.7. Verifying the Authenticity What policies are in place for verifying vendor authenticity? Select all that apply.
The state of the s
, chaots are remote amongs energy sams provided by the household
Grantee and/or local agencies/district offices perform physical monitoring of vendors
Other - Describe and note any exceptions to policies above:
17.8. Benefits Policy - Gas and Electric Utilities
What policies are in place to protect against fraud when making benefit payments to gas and electric utilities on behalf of clients? Select all that apply.
Applicants required to submit proof of physical residency
Applicants must submit current utility bill
Data exchange with utilities that verifies:
✓ Account ownership
Consumption
✓ Balances
Payment history
Account is properly credited with benefit
Other - Describe:
Centralized computer system/database tracks payments to all utilities
Centralized computer system automatically generates benefit level
Separation of duties between intake and payment approval
Payments coordinated among other energy assistance programs to avoid duplication of payments
Payments to utilities and invoices from utilities are reviewed for accuracy
Payments to utilities and invoices from utilities are reviewed for accuracy Computer databases are periodically reviewed to verify accuracy and timeliness of payments made to utilities
Computer databases are periodically reviewed to verify accuracy and timeliness of payments made to utilities
Computer databases are periodically reviewed to verify accuracy and timeliness of payments made to utilities

>	Vendor agreements specify requirements selected above, and provide enforcement mechanism					
	Other - Describe:					
17.9.	Benefits Policy - Bulk Fuel Vendors					
	What procedures are in place for averting fraud and improper payments when dealing with bulk fuel suppliers of heating oil, propane, wood, a nd other bulk fuel vendors? Select all that apply.					
	Vendors are checked against an approved vendors list					
>	Centralized computer system/database is used to track payments to all vendors					
>	Clients are relied on for reports of non-delivery or partial delivery					
	Two-party checks are issued naming client and vendor					
>	Direct payment to households are made in limited cases only					
>	Vendors are only paid once they provide a delivery receipt signed by the client					
>	Conduct monitoring of bulk fuel vendors					
	Bulk fuel vendors are required to submit reports to the Grantee					
>	Vendor agreements specify requirements selected above, and provide enforcement mechanism					
	Other - Describe:					
17.10	. Investigations and Prosecutions					
	ribe the Grantee's procedures for investigating and prosecuting reports of fraud, and any sanctions placed on clients/staff/vendors found to committed fraud. Select all that apply.					
	Refer to state Inspector General

Below are the main points of the training: The purpose of investigating fraud, waste and abuse are: 1. To ensure that energy assistance benefits are received in the correct amounts and only by those individuals who are eligible. 2. To recover tax dollars obtained by participants through fraudulent activities, unintentional participant error, administrative error or non-compliance. 3. To deter future occurrences of fraud and/or non-compliance within all energy assistance programs and to help maintain integrity. The following three (3) terms should not be confused with Non-compliance, which is the failure of the individual participant to act in accordinates.					

A participant providing incorrect information by mistake is NOT committing fraud. Also, a participant does not commit fraud if he or she is unaware of their responsibility to provide certain information. The participant may provide false information for reasons other than to receive excess benefits in which case he or she is NOT committing fraud. For instance, the participant may have an embarrassing situation that causes them

to fail to report the actual circumstances of their situation. Or, there may be other reasons that need to be taken into consideration for concealing the truth or failing to report changes.

Early Detection and Prevention: Early Detection and prevention is designed to detect and prevent fraud prior to authorization of energy assistance benefits. Effort needs to be taken to keep fraud and non-compliance from occurring in the first place. By practicing early detection and prevention, the intake worker can refer applicants who meet certain conditions to their supervisor for in-depth examination.

This begins with thorough training of all intake workers. The intake worker must be capable of conducting detailed eligibility interviews a nd identifying cases that need to be referred to their supervisor. An initial step is to check the Ineligible Applicant List in the State's Database. Th is will let you know immediately if the applicant should be processed further.

Another step is to make sure that all applicants are fully completed and no information is missing or does not make sense. Questions shoul d be asked in all situations where the intake worker needs further or more definitive clarification.

Even though early detection and prevention are utilized, there will be situations where people receive benefits they are not entitled to. Onc e this happens, notification is usually through a whistleblower, an anonymous tip or an agency monitoring or other action. This is when an investigation is initiated.

Investigative Steps. An investigation is a detailed examination or search to determine if an individual has committed an act of non-compl iance or fraud and/or received benefits to which they were not entitled, resulting in a claim. When an investigation is started the following steps s hould be taken:

- 1. An In-house Investigation: These are things that can be done at the agency through the LSP's records and database.
- 2 .Determine Eligibility Factors: based on the information received from the applicant, are they eligible for energy assistance? If there is a specific eligibility question for the applicable time period, consult the Energy Assistance Guidelines for the time period.
- 3. Review Background Information. Review background information that is available at the LSP about the applicant. These are several different sources available:
 - a) Previous EAP application
 - b) EAP database
 - c) Public and Government Websites

Determine whether the information received from the applicant conflicts with any information found during the background checks or rece ived from an informant. If there are no conflicts, there is no need to proceed any further. If information does not conflict in some fashion, further i nvestigation is needed.

Documentation. It is vital to provide documentation, in chronological order, of each step taken in the course of the investigation. This will provide a detailed and complete record of the processes used and the information obtained. Documentation will include investigation notes as well as copies of relevant documents. These are not just important for agency records, but also for situations where law enforcement will need to be involved. There are six(6) basic questions to keep in mind while collecting information during the course of any investigation.

- WHO. The case should include the names, addresses and phone numbers of the applicant and other contacts made regarding the investigat ion.
- **WHAT.** The case notes should reflect all the eligibility factors being investigated, such as: income, household composition, resources, livi ng arrangement, etc. Make sure the applicant is eligible in all areas of eligiblity, not just the area that prompted the investigation.
- **WHEN.** Write down the data and time of all contacts made during the investigation. This will be needed should the case be appealed or if the law enforcement gets involved.
 - WHERE. Write down the correct address, location and time of any interivew, home visit or other fact gathering activity.
 - WHY. Write down the reason(s) for the investigation in the first place and the reason for any actions on the case.
 - HOW. Document the way in which the information was received.

Potential Sources(To assist with your investigation):

Employment Records: Does the name match on the income documentation? Does the social security number match on the award letter or tax return? Does the participant work for the State of Indiana? Review records for tax deductions for children.

Utility and Phone Bill: Contact the utility and phone service providers to determine who is billed and pays for the service.

Landlord or Mortgage Company: Contact the landlord and ask if he knows who lives in the rental property. Obtain a copy of the rental ag reement or mortgage papers to determine who is party to the contract. Determine who pays the mortgage.

Courthouse and /or Records Office Records: Both of these areas are vulnerable sources of information. You will be able to determine rec ent loan, judgement, mortgage and real estate transfer activity of the participant or property owner. You can, also, search divorce, custody and ma rriage records.

Sheriff or Police Department: Local law enforcement agencies keep records of all calls and investigations. If law enforcement made a trip to the participant's address, they may have listed the names of all persons living there.

Confidentiality: The investigation of possible fraud, waste or abuse should be kept as confidential as possible. This is done to ensure the in tegrity of the investigation. The more people who know about an investigation, the greater the chances of the subject finding out about the investigation. Knowledge of and participation in an investigation should be shared only with necessary persons.

Final Steps: Once the violation has been identified, investigated and supporting documentation has been reviewed and corroborated by the agency, action needs to be taken against the participant's application or against their benefits if they have already been distributed. Actions taken c an range from the rejection of the application to the termination of benefits and request for repayment of funds. The case can, also, be submitted t o Federal officials if the situation warrants.

The IHCDA Community Programs Manager and Compliance Attorney are available to assist at any phase of the investigation, if needed.

If any of the above questions require further explanation or clarification that could not be made in

the fields provided, attach a document with said explanation here.					

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

- 1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
- 2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.BrBbr.
- 4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- 6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
- 7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled ``Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

- 9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

- (1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;
- (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and
- (d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

- 1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later

determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

- 3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- 4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- 5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- 6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled ``Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
- **☑** By checking this box, the prospective primary participant is providing the certification set out above.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

- 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
- 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 3. For grantees other than individuals, Alternate I applies.
- 4. For grantees who are individuals, Alternate II applies.
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
- 8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes:

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:,

- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) Establishing an ongoing drug-free awareness program to inform employees about --
- (1) The dangers of drug abuse in the workplace;
- (2) The grantee's policy of maintaining a drug-free workplace:
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
- (1) Abide by the terms of the statement; and
- (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification

number(s) of each affected grant;

- (f)Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
- (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
- (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Indiana Housing and Community Development Authority * Address Line 1					
30 S. Meridian Street, Suite 900 Address Line 2					
Address Line 3					
Indianapolis * City	IN * State	46204 * Zip Code			

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

- (a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;
- (b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

[55 FR 21690, 21702, May 25, 1990]

☑ By checking this box, the prospective primary participant is providing the certification set out above.

Section 20: Certification Regarding Lobbying

The submitter of this application certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions
- (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

☑ By checking this box, the prospective primary participant is providing the certification set out above.

Assurances

Assurances

(1) use the funds available under this title to--

- (A) conduct outreach activities and provide assistance to low income households in meeting their home energy costs, particularly those with the lowest incomes that pay a high proportion of household income for home energy, consistent with paragraph (5);
 - (B) intervene in energy crisis situations;
- (C) provide low-cost residential weatherization and other cost-effective energy-related home repair; and
- (D)plan, develop, and administer the State's program under this title including leveraging programs, and the State agrees not to use such funds for any purposes other than those specified in this title;
- (2) make payments under this title only with respect to--
 - (A) households in which one or more individuals are receiving--
 - (i)assistance under the State program funded under part A of title IV of the Social Security Act;
 - (ii) supplemental security income payments under title XVI of the Social Security Act;
 - (iii) food stamps under the Food Stamp Act of 1977; or
 - (iv) payments under section 415, 521, 541, or 542 of title 38, United States Code, or under section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978; or
 - (B) households with incomes which do not exceed the greater of -
 - (i) an amount equal to 150 percent of the poverty level for such State; or
 - (ii) an amount equal to 60 percent of the State median income;

(except that a State may not exclude a household from eligibility in a fiscal year solely on the basis of household income if such income is less than 110 percent of the poverty level for such State, but the State may give priority to those households with the highest home energy costs or needs in relation to household income.

- (3) conduct outreach activities designed to assure that eligible households, especially households with elderly individuals or disabled individuals, or both, and households with high home energy burdens, are made aware of the assistance available under this title, and any similar energy-related assistance available under subtitle B of title VI (relating to community services block grant program) or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;
- (4) coordinate its activities under this title with similar and related programs administered by the Federal Government and such State, particularly low-income

energy-related programs under subtitle B of title VI (relating to community services block grant program), under the supplemental security income program, under part A of title IV of the Social Security Act, under title XX of the Social Security Act, under the low-income weatherization assistance program under title IV of the Energy Conservation and Production Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

- (5) provide, in a timely manner, that the highest level of assistance will be furnished to those households which have the lowest incomes and the highest energy costs or needs in relation to income, taking into account family size, except that the State may not differentiate in implementing this section between the households described in clauses 2(A) and 2(B) of this subsection;
- (6) to the extent it is necessary to designate local administrative agencies in order to carry out the purposes of this title, to give special consideration, in the designation of such agencies, to any local public or private nonprofit agency which was receiving Federal funds under any low-income energy assistance program or weatherization program under the Economic Opportunity Act of 1964 or any other provision of law on the day before the date of the enactment of this Act, except that -
 - (A) the State shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the State; and
 - (B) if there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, then the State shall give special consideration in the designation of local administrative agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds for the fiscal year preceding the fiscal year for which the determination is made;
- (7) if the State chooses to pay home energy suppliers directly, establish procedures to --
 - (A) notify each participating household of the amount of assistance paid on its behalf:
 - (B) assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment made by the State under this title;
 - (C) assure that the home energy supplier will provide assurances that any agreement entered into with a home energy supplier under this paragraph will contain provisions to assure that no household receiving assistance under this title will be treated adversely because of such assistance under applicable provisions of State law or public regulatory requirements; and
 - (D) ensure that the provision of vendor payments remains at the option of the State in consultation with local grantees and may be contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households, including providing for agreements between suppliers and individuals eligible for benefits under this Act that seek to reduce home energy costs, minimize the risks of home energy crisis, and encourage regular payments by individuals receiving financial assistance for home energy costs;

(8) provide assurances that,

- (A) the State will not exclude households described in clause (2)(B) of this subsection from receiving home energy assistance benefits under clause (2), and
- (B) the State will treat owners and renters equitably under the program assisted under this title;

(9) provide that--

- (A) the State may use for planning and administering the use of funds under this title an amount not to exceed 10 percent of the funds payable to such State under this title for a fiscal year; and
- (B) the State will pay from non-Federal sources the remaining costs of planning and administering the program assisted under this title and will not use Federal funds for such remaining cost (except for the costs of the activities described in paragraph (16));
- (10) provide that such fiscal control and fund accounting procedures will be established as may be necessary to assure the proper disbursal of and accounting for Federal funds paid to the State under this title, including procedures for monitoring the assistance provided under this title, and provide that the State will comply with the provisions of chapter 75 of title 31, United States Code (commonly known as the "Single Audit Act");
- (11) permit and cooperate with Federal investigations undertaken in accordance with section 2608:
- (12) provide for timely and meaningful public participation in the development of the plan described in subsection (c);
- (13) provide an opportunity for a fair administrative hearing to individuals whose claims for assistance under the plan described in subsection (c) are denied or are not acted upon with reasonable promptness; and
- (14) cooperate with the Secretary with respect to data collecting and reporting under section 2610.
- (15) * beginning in fiscal year 1992, provide, in addition to such services as may be offered by State Departments of Public Welfare at the local level, outreach and intake functions for crisis situations and heating and cooling assistance that is administered by additional State and local governmental entities or community-based organizations (such as community action agencies, area agencies on aging and not-for-profit neighborhood-based organizations), and in States where such organizations do not administer functions as of September 30, 1991, preference in awarding grants or contracts for intake services shall be provided to those agencies that administer the low-income weatherization or energy crisis intervention programs.
- * This assurance is applicable only to States, and to territories whose annual regular LIHEAP allotments exceed \$200,000. Neither territories with annual allotments of \$200,000 or less nor Indian tribes/tribal organizations are subject to Assurance 15.
- (16) use up to 5 percent of such funds, at its option, to provide services that encourage and enable households to reduce their home energy needs and

thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors, and report to the Secretary concerning the impact of such activities on the number of households served, the level of direct benefits provided to those households, and the number of households that remain unserved.
