### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?

LIHEAP funds are used to conduct consumer education classes, vendor-sponsored workshops, case worker discussion and low-cost, no cost weatherization measures to eligible clients.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

The State of Mississippi is aware of the limitation and assures that the 5% statutory ceiling requirement for Assurance 16 will not be violated based on the allocation awarded to subgrantees and through Cost Worksheets. The State, as part of the Notice of Funding Availability (NOFA), allocates the award amounts in the different cost activities (which includes the 5% in the Program Support activity) to the subgrantees. Subgrantees submit their subgrants for funding. Once, the subgrants are approved, the Office of Procurement of Budgets and Accounting sets up the budgets for each activity in the MAGIC system (statewide accounting system). Subgrantees send cost worksheets in monthly to verify expenditures in each activity. The Office of Procurement reviews these worksheets to ensure the subgrantee does not overspend in the activities. The MAGIC system does not allow subgrantees to request funds or report cost over the amount that is budgeted in the activities.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

A total of 36,248 households were impacted by activities that included: consumer education classes, vendor-sponsored workshops, case worker discussion, and low-cost, no-cost weatherization measures for clients eligible for the program.

13.4 Describe the level ofdirect benefitsprovided to those households in the previous Federal fiscal year.

Information was not captured. The State is in process of system upgrades to capture this data.

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP performance measures. Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

As of August 2016, we have signed vendor agreements to include performance language, new performance related fields in VR system to allow collection and reporting of energy information required to produce the performance report and identify high energy users. The State has successfully submitted the LIHEAP Performance Measures Report in January 2018. We continue to work with APPRISE to analyze report and use data to enhance the LIHEAP program.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.
- 4. For grantees who are individuals, Alternate II applies.

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously
