**2.1 Designate the income eligibility threshold used for the heating component:**

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	State Median Income	60.00%

**2.2 Do you have additional eligibility requirements for HEATING ASSISTANCE?**  Yes  No

**2.3 Check the appropriate boxes below and describe the policies for each.**

**Do you require an Assets test ?**  Yes  No

**Do you have additional/differing eligibility policies for:**

**Renters?**  Yes  No

**Renters Living in subsidized housing ?**  Yes  No

**Renters with utilities included in the rent ?**  Yes  No

**Do you give priority in eligibility to:**

**Elderly?**  Yes  No

**Disabled?**  Yes  No

**Young children?**  Yes  No

**Households with high energy burdens ?**  Yes  No

**Other?**  Yes  No

**Explanations of policies for each "yes" checked above:**

Renters living in subsidized housing on the Fort Belknap Indian Reservation do not apply for LIEAP, their energy costs are paid for in their monthly rent.

Applications from the elderly are received and processed first. Vendors will be notified immediately upon receipt of grant funds.

Applications from the disabled are received and processed with the elderly applications. Vendors are notified immediately upon receipt of grant funds.

Applications from large households with young children are processed in a timely manner after the elderly and disabled. Vendors are notified immediately upon receipt of grant funds.

Applications received from households with high energy burdens will be processed in a timely manner to avoid disconnects which result in added expense due to the additional fees if terminated.

**Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)**

**2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.**

Applications are made available at the District Offices, all senior centers, HeadStart Offices, Tribal Health Office, and mailed upon request. Applications may be delivered in person if an elder or disabled person has need of assistance in leaving their house or filling out the application.

**2.5 Check the variables you use to determine your benefit levels. (Check all that apply):**

<input checked="" type="checkbox"/>	Income	
<input type="checkbox"/>		

<input checked="" type="checkbox"/> Family (household) size
<input checked="" type="checkbox"/> Home energy cost or need:
<input checked="" type="checkbox"/> Fuel type
<input type="checkbox"/> Climate/region
<input type="checkbox"/> Individual bill
<input checked="" type="checkbox"/> Dwelling type
<input type="checkbox"/> Energy burden (% of income spent on home energy)
<input checked="" type="checkbox"/> Energy need
<input type="checkbox"/> Other - Describe:

1. Income from all allowable sources is tabulated for 12 previous months.
2. Income is checked on payment matrix for family size for benefit amount.
3. Application is checked for fuel type: Electrical power or propane.
4. Dwelling type is checked for energy need: Is the dwelling heat source electrical, propane or a combination and which is the biggest burden to the consumer.

This payment matrix is based on the 60% State Median Income which was formulated with the technical assistance of a LIEAP consultant. Benefits are increased in each level to address the continued increased energy costs.

Income is tabulated to determine annual income, the family size determines the benefit amount in the appropriate bracket. The consumer designates the vendor they want their assistance to be paid to and that is who is notified. In this area, the consumer may be living in a house that is all electric, which is the highest energy usage or a combination of electricity and propane - this creates a difficult decision for the consumer because going without either means no heat or electricity.

**Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)**

**2.6 Describe estimated benefit levels for FY 2020:**

<b>Minimum Benefit</b>	\$550	<b>Maximum Benefit</b>	\$1,250
------------------------	-------	------------------------	---------

**2.7 Do you provide in-kind (e.g., blankets, space heaters) and/or other forms of benefits?**  Yes  No

If yes, describe.

Blankets are available for LIEAP consumers use in the event of power outage or they have a need for more blankets and do not have the means to purchase.

Request forms will be made available for space heaters in the event of power outage.

**If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.**

**Section 11: Timely and Meaningful Public Participation, 2605(b)(12), 2605(C)(2)**

**11.1 How did you obtain input from the public in the development of your LIHEAP plan?  
 Select all that apply.**

- Tribal Council meeting(s)
- Public Hearing(s)
- Draft Plan posted to website and available for comment
- Hard copy of plan is available for public view and comment
- Comments from applicants are recorded
- Request for comments on draft Plan is advertised
- Stakeholder consultation meeting(s)
- Comments are solicited during outreach activities
- Other - Describe:

**11.2 What changes did you make to your LIHEAP plan as a result of this participation?**

Tried Cooling component, but did not work. Majority of LIEAP consumers are TANF, GA, SSI and SS recipients and their constant worry are their electrical bills being going up due to increased use of air conditioners. LIEAP applicants struggle year round to pay their electrical bills on very limited income and should they be disconnected, a penalty fee is attached for every disconnection on their payment histories. Many older consumer cannot use A.C. due to use of blood thinners.

**Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only**

**11.3 List the date and location(s) that you held public hearing(s) on the proposed use and distribution of your LIHEAP funds?**

	Date	Event Description
1	06/26/2019	Input and Information Gathering

**11.4. How many parties commented on your plan at the hearing(s)?** 49

**11.5 Summarize the comments you received at the hearing(s).**

To summarize, the needs of people are more than LIEAP can provide, they are living in older homes, old Air Force Homes, FEMA trailers, old trailers or the rental units from the Tribe. LIEAP can assist with weatherization supplies, storm doors and window repair, but most homes are in need of roof replacements, professional installation of insulation and windows. LIEAP assists with furnace repairs and replacement up to \$500, but the cost of furnaces has gone up and cost sharing is no longer done with Tribal Housing or the local HRDC/Tribal Weatherization program.

**11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?**

I will be contacting another State Agency for consumers to apply to for assistance. It is the USDA program out of Great Falls, MT and I just began working with her this past year. It is a long process and the consumers need to participate to submit all their documents in order to be considered. It is the only source here for people to obtain furnaces.

Should the consumer still not agree with the decision reached at this level, the consumer may request in writing a more formal request for a hearing within 30 days of receipt of results. The consumer will be notified in writing of all results of hearing and results will be deemed final and permanent.

12.5 When and how are applicants informed of these rights?

Consumers are informed of their rights when they pick up their applications for assistance and why their signatures are needed should they disagree with any actions on their applications. All Household members over 18 are asked to sign the application.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

**Instructions for Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

## Section 19: Certification Regarding Drug-Free Workplace Requirements

### Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of

the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

***Controlled substance*** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

***Conviction*** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

#### **Certification Regarding Drug-Free Workplace Requirements**

##### **Alternate I. (Grantees Other Than Individuals)**

The grantee certifies that it will or will continue to provide a drug-free workplace by:,

  - (1) The dangers of drug abuse in the workplace;
  - (2) The grantee's policy of maintaining a drug-free workplace;
  - (3) Any available drug counseling, rehabilitation, and employee assistance

programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --(1)

Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
