## Section 9 - Energy Suppliers,, 2605(b)(7) - Assurance 7

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES  
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01  
OMB Clearance No.: 0970-0075  
Expiration Date: 09/30/2020

### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

#### Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

##### 9.1 Do you make payments directly to home energy suppliers?

Heating  Yes  No

Cooling  Yes  No

Crisis  Yes  No

Are there exceptions?  Yes  No

##### If yes, Describe.

Payments are made directly to home energy suppliers based on information provided on the client's bill, past due or disconnect notice, or other documentation. Vendors are notified by fax, email, or phone call (followed up by written documentation) that payment will be made on the client's behalf. Such notices include the name, account number and amount of payment.

##### 9.2 How do you notify the client of the amount of assistance paid?

Clients receive formal notification by letter but also receive informal notification by phone or in person to ensure they know assistance has been approved or denied, why, and in what amount.

##### 9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The Seneca-Cayuga Nation maintains agreements with most common energy suppliers in the region. In addition, notifications sent to energy suppliers state that acceptance of the payment constitutes an agreement to charge the client, in the normal course of billing, the difference between the actual cost and the amount of the payment. Notifications also contain notice that acceptance of payment constitutes an agreement that clients will not be treated adversely by vendors due to their receipt of LIHEAP assistance.

##### 9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

Notifications sent to energy suppliers contain language that acceptance of the payment constitutes an agreement to charge the client, in the normal course of billing, the difference between the actual cost and the amount of the payment. Notifications also state that acceptance of payment constitutes an agreement that energy suppliers will not treat clients adversely due to their receipt of LIHEAP assistance. Applicants are advised at the time they make application and at the time of approval of application, that they are to notify the Nation if they are treated adversely so the Nation can address the situation on a case-by-case basis. Relationships with local energy companies are generally cooperative. Typically LIHEAP payments are welcomed by the energy companies as a reliable source of payment which save them the time and cost of administering disconnect and reconnect activities. As a result LIHEAP payments generally lead to no adverse impacts on households receiving assistance. Should adverse treatment occur, the Nation would intervene to negotiate with the energy company on the client's behalf and to implement enforcement of the notifications included with accepted payment.

##### 9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes  No

If so, describe the measures unregulated vendors may take.

**If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.**

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

#### Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of

the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

***Criminal drug statute*** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

***Employee*** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
