THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant in years in which the grantee is not permitted to file an abbreviated plan. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

### Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

**Provide further explanation for the dates of operation, if necessary**

The utility companies normally bill a month behind example: the month of May's bill is for the month of April's meter reading.

If the tribe starts Cooling Assistance in May, it will most likely be paying April's utility bill, which is not hot enough to use Cooling Assistance. When Cooling Assistance starts in the April, it is depleted before summer is over. The Tribe will be starting Cooling Assistance on June 15th to ensure the Cooling Assistance is used for summer months.

**4.13 Do you provide in-kind (e.g. blankets, space heaters, fans) and/or other forms of benefits?**

Yes  No If yes, Describe

We will provide necessary assistance for safety during state of emergencies where utilities are not able to be provided due to extreme weather.

If LIHEAP funds do not pay for this, the Tribal Funded Social Services Program also has a Community Service Block Grant that helps with weatherization and can provide space heaters, fans, blankets etc.

The Tribal Funded Social Services Program also has a natural disaster program that may help in serious times of crisis / state of emergencies.

**4.14 Do you provide for equipment repair or replacement using crisis funds?**

Yes  No

If you answered "Yes" to question 4.14, you must complete question 4.15.

**4.15 Check appropriate boxes below to indicate type(s) of assistance provided.**

**4.16 Do any of the utility vendors you work with enforce a moratorium on shut offs?**

Yes  No

If you responded "Yes" to question 4.16, you must respond to question 4.17.

**4.17 Describe the terms of the moratorium and any special dispensation received by LIHEAP clients during or after the moratorium period.**

One of our local utility companies will make our clients sign an extension if sending a payment pledge after the due date or if we notify the company that LIHEAP will be helping on that account. Our local utility company only provides two extensions a year. After a client uses cooling or heating and then later uses the crisis, clients are left without an extension for the rest of the year through the utility company. Not having an available extension tends to put clients in a situation to where no LIHEAP services cant be provided to help since they already used it for the fiscal year, then have no extension left since they were used up with the utility company too. Also, if the payment pledges are sent the day of cut off the payment pledge is not honored. All accounts being assisted have to submit funds to company by the last business day of the month or client will be disconnected.

The outsourced tribal contracted finance office and director have access to this daily. The general ledger is also accessible on a daily basis as well.

LIHEAP expenditures are monitored by the director with a spreadsheet separated for each case assisted for heating, cooling, and crisis assistance. The tribal contracted finance office also assure that funds are expended within the requirements of the statute.

Also by a simple survey to clients, community members (tribal & non-tribal), other low-income program participants (see attachment)

We had a Program Showcase on 7-19-19, the Showcase consisted of a LIHEAP program overview, which included Heating Assistance, Cooling Assistance, and Crisis Assistance. It also consisted of a Matrix and how it is read for benefits and how it is developed for each year. After the overview, there was time for questions/answers and comments on any changes or improvements that need to be made to LIHEAP.

**11.2 What changes did you make to your LIHEAP plan as a result of this participation?**

The dates in which the heating and cooling assistance are available were changed to better meet the demand for services due to the way local utility vendors bill the clients so that LIHEAP funds can assist with the much higher bills during the peak of summer and winter.

**Public Hearings, 2605(a)(2) - For States and the Commonwealth of Puerto Rico Only**

**11.3 List the date and location(s) that you held public hearing(s) on the proposed use and distribution of your LIHEAP funds?**

	Date	Event Description
1	07/19/2019	Program Showcase open to the public held the day before the Tribal General Council Meeting. Showcase is an overview of the LIHEAP services heating, cooling and crisis, how to apply, eligibility requirements, matrix explanation. Input on changes that my need to be made. Questions and comments were encouraged.

**11.4. How many parties commented on your plan at the hearing(s)?** 0

**11.5 Summarize the comments you received at the hearing(s).**

No booth was set up this year at the Tribal Council Meeting, since the showcase was the day before the Tribal Council Meeting. There were some questions at the program showcase from clients. Questions were: Does the utility bill have to be in the applicant's name? Where can i obtain a copy of the guidelines? Why don't the funds last all year when the client needs it, and it has been depleted already? Do you have to have an original Social Security Card to apply? when do the heating assistance start?

Information was posted on the tribal website, social media website, and tribal and local newspapers

**11.6 What changes did you make to your LIHEAP plan as a result of the comments received at the public hearing(s)?**

Only the availability dates were changed. A survey for LIHEAP will be implemented for 2019-2020 funding year so that more feedback can be documented and better addressed for continuing funding purposes and to better address client's needs for all future changes as the cost of utility rises.

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None.

12.4 Describe your fair hearing procedures for households whose applications are denied.

Applicants are informed of their fair hearing through the LIHEAP application form and correspondence. They are then referred to other programs within the tribal office that can help if funding is available. If funding is not available through other tribal programs, the applicant is then referred to other entities that provide the same type of assistance.

If the applicant is unsatisfied with services, they have the right to a fair hearing.

if the client chooses to request a fair hearing they must submit the request in writing to the program director within five (5) working business days after receiving denial notice. Failure to do so shall constitute acceptance of denial. Should the client file request within prescribed time period, the director has two (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator.

If a hearing is requested due to an untimely response or delay, the fair hearing procedure is same as the denial process mentioned above. All correspondence will be documented client's file to ensure responses are handled in a timely manner.

12.5 When and how are applicants informed of these rights?

The rights are printed on the checklist/guideline page of the LIHEAP application. They are also made aware of their rights when notified of denial via phone and letter. There is a sign/notice posted in the lobby of the Family & Children Service building and there are signs/notices posted in the director's and caseworker's office. Also, the receptionist advises each client of their rights during their initial submission.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

**The client can follow the same procedure as identified in denial. If the application is not acted upon in a timely manner, it could cause additional crisis benefits that need to be issued to remedy the household's situation.**

**If the client chooses to request a fair hearing they must submit the request in writing to the program director within five (10) working business days if application is not acted on in a timely manner. Failure to do so shall constitute acceptance of denial. Should the client file request within prescribed time period, the director has two (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator.**

**If a hearing is requested due to an untimely response or delay, the fair hearing procedure is same as the denial process mentioned above. All correspondence will be documented client's file to ensure responses are handled in a timely manner.**

**12.7 When and how are applicants informed of these rights?**

As soon as it is brought to the staff's attention that the application was not processed in a timely manner the client will receive a phone call and letter explaining their rights.

The rights are printed on the checklist/guideline page of the LIHEAP application. They are also made aware of their rights when notified of denial via phone and letter. There is a sign/notice posted in the lobby of the Family & Children Service building and there are signs/notices posted in the director's and caseworker's office. Also, the receptionist advises each client of their rights during their initial submission. Receptionist also informs clients how long the program staff has to process applications. Also when demand for assistance is greater a notice is posted to inform clients that process may take longer than expected due to higher volume of incoming applications at that time.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
