12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? $\,0\,$

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None.

12.4 Describe your fair hearing procedures for households whose applications are denied.

Applicants are informed of their fair hearing through the LIHEAP application form and correspond ence. They are then referred to other programs within the tribal office that can help if funding is available. If funding is not available through other tribal programs, the applicant is then referred to other entities that provide the same type of assistance.

If the applicant is unsatisfied with services, they have the right to a fair hearing.

if the client chooses to request a fair hearing they must submit the request in writing to the program director within five (5) working business days after receiving denial notice. Failure to do so shall constit ute acceptance of denial. Should the client file request within prescribed time period, the director has tw o (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator.

If a hearing is requested due to an untimely response or delay, the fair hearing procedure is same as the denial process mentioned above. All correspondence will be documented client's file to ensure responses are handled in a timely manner.

12.5 When and how are applicants informed of these rights?

The rights are printed on the checklist/guideline page of the LIHEAP application. They are also ma de aware of their rights when notified of denial via phone and letter. There is a sign/notice posted in the l obby of the Family & Children Service building and there are signs/notices posted in the director's and c aseworker's office. Also, the receptionist advises each client of their rights during their initial submissio n.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

The client can follow the same procedure as identified in denial. If the application is not acted upon in a timely manner, it could cause additional crisis benefits that need to be issued to remedy the household's situation.

If the client chooses to request a fair hearing they must submit the request in writing to the p rogram director within five (10) working business days if application is not acted on in a timely m anner. Failure to do so shall constitute acceptance of denial. Should the client file request within p rescribed time period, the director has two (2) working business days to respond to the request. If the client is not satisfied with the director's response, a hearing is then scheduled with the Tribal Administrator.

If a hearing is requested due to an untimely response or delay, the fair hearing procedure is s ame as the denial process mentioned above. All correspondence will be documented client's file to ensure responses are handled in a timely manner.

12.7 When and how are applicants informed of these rights?

As soon as it is brought to the staff's attention that the application was not processed in a timely ma nner the client will receive a phone call and letter explaining their rights.

The rights are printed on the checklist/guideline page of the LIHEAP application. They are also ma de aware of their rights when notified of denial via phone and letter. There is a sign/notice posted in the l obby of the Family & Children Service building and there are signs/notices posted in the director's and c aseworker's office. Also, the receptionist advises each client of their rights during their initial submissio n. Receptionist also informs clients how long the program staff has to process applications. Also when d emand for assistance is greater a notice is posted to inform clients that process may take longer than exp ected due to higher volume of incoming applications at that time.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions.
