Applicants are given ten days after the receipt of the denial notice to request a hearing. The agency must ensure that a hearing is scheduled not more than five business days after the request for a hearing has been made. The applicant is first offered a hearing from an impartial representative(s) from the community action agency that processed the application. The applicant has the right to bring a representative and/or present oral or written evidence. The applicant also has the right to review the case file. If a satisfactory resolution cannot be reached the client has the right for a second appeal with the Rhode Island DHS office.

Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?

Rhode Island allocates 2% of available funds to Assurance 16 activities. R.I. assigns Assurance 16 based on proposals from the agencies. Services provided includes; energy assessments, counseling(budget and energy usage), assistance with fuel vendors for a better rate, as well as referrals to other assistance, etc.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

Rhode Island contracts for these services separately and is only allocating up to 2% to these activities.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

It is difficult to calculate the true impact of the Assurance 16 funds had or if other outside factors impacted these households. The case workers at the agencies that are paid using these funds along with the intake works acting as a go between for the client and the utility companies has helped. Utility shutoffs have decreased and also the total number of clients on the Low Income gas and electric rate has increased.

13.4 Describe the level of direct benefits provided to those households in the previous Federal fiscal year.

Not applicable. No Assurance 16 funds go as a direct benefit.

Section 19: Certification Regarding Drug-Free Workplace Requirements

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously**

identified the workplaces in question (see paragraph five).
