Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance tovulnerable populations, e.g., benefit amounts, early application periods, etc.

Priority is given to households with a vulnerable member. We use a priority point system that gives extra points for those clients that have a member of the household who is elderly, disabled, that include a child under six, and military veterans. In addition, we give additional points for those households that have a high energy burden. After the total number of points is determined for each eligible household, the applicants are ranked from the highest number to lowest. Those households with the highest number of points receive priority in assistance and will be served subject to available funds. The number of points awarded to each household is the determining factor in the benefit level of assistance provided, except for a public housing household which is only subject to the payment of "overages".

Explanations of policies for each "yes" checked above:	<i></i>

We only offer one type of utility assistance per program year. We marked no for exhausted heating benefit even though this is not applicable because we only offer crisis or regular assistance in a program year. The client can be disconnected or have a shut off notice. See 4.2 for the crisis policy. The Crisis Assistance component will be based on uncontrollable circumstances which must include either a shut off notice, disconnected utilities or a lack of home delivered fuel notice in combination with at least one uncontrollable as described in 4.2. We orignally checked these boxes as no because the question says, "must", and it is an either/or situation. At Ms. Rago-Adia's suggestion, we are changing the answer to yes with this explanation.

This legislation provides a gional system to deliver human resource programs in the state's counties and cities. CAA's were the initiative of the Economic Opportunity Act 1964, and there are 20 CAA's in Tennessee. LIHEAP is operated by 19 HRA's and CAA's that cover all 95 counties in Tennessee. There are overlaps in service delivery areas. These were established at the beginning of the LIHEAP program in Tennessee, and have not changed. gencies receive contracts each year (template attached) with an allocation that is based on a 3 year rolling average of SAIPE data based on verty. The contracts are the same for each agency, but the allocation will be different. Agencies are monitored by THDA, as well as the State omptroller's Office, and are subject to single audit each year. If an agency was found to be non-compliant, were to choose not to participate, seed, or were found to be unsuitable to carry out the LIHEAP program, an adjoining agency would be selected to cover the territory. This has t been necessary in Tennessee in the history of the program. Agencies are under contract, and are required to submit an operational plan from a te standard template each year. Other - Describe:

Each plan prepared under paragraph (1) and each substantial revision thereof shall be made available for public inspection within the State involved in such a manner as will facilitate timely and meaningful review of, and comment upon, such plan or substantial revision. THDA posted the announcement of the public hearing and all application documents on 8/6/2019. All agencies were notified and provided with the documents electronically 8/6/2019. The public hearing was held on 8/19/2019 at THDA. The THDA board of directors receive monthly updates regarding LIHEAP and they approved the completion and submission of our application as well. Prior to the Public Hearings an all-agency meeting/training was held to discuss any concerns or issues and to go over outstanding details for the upcoming contracts, prior audit findings, etc. We gave the public opportunity to respond prior to the public hearing.

11.2 What changes did you make to your LIHEAP plan as a result of this participation?

Based on feedback from our meetings, THDA changed "income" to be counted as the past 30 days instead of the past 8 weeks. THDA also has started including all energy costs (except fees and past due amounts) in the energy burden caculation.

THDA is also conducting additional research on the utility costs between public housing clients and section 8 clients. If a change is made we will revise the plan and resubmit.

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

None. The Fair Hearing State Policy is included in the Standard Operating Procedures which is signed by the sub-grantee's Executive Director, LIHEAP Program Director, and the Fiscal Director. In addition, sub-grantees must make the fair hearing procedures available to clients. In the Agency Specific Questions of the Standard Operating Procedures (attached to our plan), agencies describe their procedures. These cannot be different than the state policy as described in the Standard Operating Procedures, but this allows the agency to tell THDA who at the agency is responsible and what specific steps they follow to be in line with the policy. Clients can appeal for any reason other than lack of funds. I am attaching one agencies flyer which is posted in their lobbies. It is necessary for agencies to customize these so the client knows who to contact. When we say that local contracting agencies shall establish processes and procedures for hearings, we also say that they must, at a minimum, include the state requirements. This is so we will know who is responsible. See our policy below which is standard across the state: Each local contracting agency shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following requirements: That a statement regarding the Fair Hearing process be provided on the approval and denial letters. That requests for hearings be made in writing, on a specific Fair Hearing form provided by the local contracting agency, with detailed information about the error made by the local contracting agency in denying or not acting with reasonable promptness on an individual's claim for LIHEAP assistance; That a copy of the completed form be given to the individual requesting the hearing, with one copy to THDA and a copy retained by the local contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 days from the denial date of LIHEAP assistance or within 30 days following a submitted application for LIHEAP assistance that has not been acted upon by the local contracting agency; That the local contracting agency will hold a hearing, in accordance with their policies and procedures, within a reasonable time, from the date of a proper request for a hearing and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who properly apply for LIHEAP assistance shall be informed by the local contracting agency at the time of a denial of their application of the following: 1. the ability to request a hearing; 2. the requirements associated with requesting a hearing; and 3. the ability to be represented by an authorized representative, such as legal counsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing. The local contracting agency shall notify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above. Individuals whose claim for LIHEAP assistance is denied and that denial is upheld by the local contracting agency may request a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) calendar days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made. All requests to THDA for a review shall include all materials submitted by the individual to claim LIHEAP assistance and all other documentation and communication between the individual claiming LIHEAP assistance and the local contracting agency and shall be submitted to: LIHEAP Program Coordinator Tennessee Housing and Development Agency 502 Deaderick Street, 3rd Floor Nashville, TN 37243-0900 (615) 815.2042 bworthington@thda.org

12.4 Describe your fair hearing procedures for households whose applications are denied.

A waiting list will be maintained by the sub-grantee of all LIHEAP applicants denied due to lack of funds. If additional funds become available during the program year, those LIHEAP applicants who were denied due to lack of funds will be re-prioritized and notified of the change, if there is one. An application could be denied if they are over the income limits for their HH size, if after the client failed to provide necessary documentation, a hh has no energy burden, or if a client falsified information. Sub-grantees attempt to gather all needed information, but sometimes clients do not respond. The sub grantee sends a letter to the client to show what documentation is needed and then waits a minimum of 10 calendar days before denying the application. The client can re-apply after denied. The fair hearing process which is standard across the state is as follows: Each local contracting agency shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following requirements: That a statement regarding the Fair Hearing process be provided on the approval and denial letters. That requests for hearings be made in writing, on a specific Fair Hearing form provided by the local contracting agency, with detailed information about the error made by the local contracting agency in denying or not acting with reasonable

promptness on an individual's claim for LIHEAP assistance; That a copy of the completed form be given to the individual requesting the hearing, with one copy to THDA and a copy retained by the local contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 calendar days from the denial date of LIHEAP assistance or within 30 calendar days following a submitted application for LIHEAP assistance that has not been acted upon by the local contracting agency; That the local contracting agency will hold a hearing, in accordance with their policies and procedures, within a reasonable time, from the date of a proper request for a hearing and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who properly apply for LIHEAP assistance shall be informed by the local contracting agency at the time of a denial of their application the following: 1. the ability to request a hearing; 2. the requirements associated with requesting a hearing; and 3. the ability to be represented by an authorized representative, such as legal counsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing. The local contracting agency shall notify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above. Individuals whose claim for LIHEAP assistance is denied and that denial is upheld by the local contracting agency may request a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) calendar days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made. All requests to THDA for a review shall include all materials submitted by the individual to claim LIHEAP assistance and all other documentation and communication between the individual claiming LIHEAP assistance and the local contracting agency and shall be submitted to: LIHEAP Program Coordinator Tennessee Housing and Development Agency 502 Deaderick Street, 3rd Floor Nashville, TN 37243-0900 (615) 815.2042 bworthington@thda.org

12.5 When and how are applicants informed of these rights?

Clients are notified of the fair hearing process on their signed application for benefits. We also require notice on approval and denial letters. In addition offices post the fair hearing/appeal sign in their lobby and common areas where clients are present. Clients that phone in with concerns are offered the right to appeal by THDA staff. Agencies report that they also do this. Some agencies include a flyer in the client information packet, but this is not a requirement. Some agencies have group sessions with LIHEAP applicants and they discuss the fair hearing process. It is not practical for all agencies to have group sessions with clients. I have attached a sample one agency uses for their poster so you can see the customization that takes place. Sub-grantees can never do less than the state policy.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

A client may apply by e-mail, physical mail, in person, through an authorized representative, or at a home visit if the client needs assistance. We have instances where a client sends in an application that does not have enough information to determine who is the applicant, where the applicant lives, etc. In this instance, the client could appeal, but the sub-grantee would offer to help the client to fill out the application, and then process the application. In instances were applications are not acted on a in a timely manner, a client may appeal. Individuals whose claims for LIHEAP assistance are denied or are not acted upon with reasonable promptness, except if the denial or lack of reasonable promptness is due to lack of funds, may request a hearing with the local contracting agency. No hearing shall be required if LIHEAP funds are no longer available to the local contracting agency. The standard state policy is as follows: Each local contracting agency shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following requirements: That requests for hearings be made in writing, on a form provided by the local contracting agency, with specific information about the error made by the local contracting agency in denying or not acting with reasonable promptness on an individual's claim for LIHEAP assistance; That a copy of the completed form be given to the individual requesting the hearing, with one copy to THDA and a copy retained by the local contracting agency in the individual's permanent file; That requests for a hearing shall be filed within 30 calendar days of the denial of LIHEAP assistance or within 30 calendar days following a claim for LIHEAP assistance that has not been acted upon by the local contracting agency; That the local contracting agency will hold a hearing, in accordance with their policies and procedures, within a reasonable time, from the date of a proper request for a hearing and shall provide written notice of the results of the hearing to both the individual who requested the hearing and THDA. Individuals who properly apply for LIHEAP assistance shall be informed by the local contracting agency at the time of a denial of their application of the following: 1. the ability to request a hearing; 2. the requirements associated with requesting a hearing; and 3. the ability to be represented by an authorized representative, such as legal counsel, relative, or friend. The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing. The local contracting agency shall notify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above. Individuals whose claim for LIHEAP assistance is denied, and that denial is upheld by the local contracting agency, may request a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made. All requests to THDA for a review shall include all materials submitted by the individual to claim LIHEAP assistance and all other documentation and communication between the individual claiming LIHEAP assistance and the local contracting agency and shall be submitted to: LIHEAP Program Coordinator Tennessee Housing and Development Agency 502 Deaderick Street, 3rd Floor Nashville, TN 37243 (615) 815.2042 bworthington@thda. org

12.7 When and how are applicants informed of these rights?

Clients are notified of the fair hearing process on their signed application for benefits. We also require notice on approval and denial letters. In addition offices post the fair hearing/appeal sign in their lobby and common areas where clients are present. Clients that raise concerns are offered the right to appeal by THDA staff. Agencies report that they also do this. Some agencies include a flyer in the client information packet, but this is not a requirement. Some agencies have group sessions with LIHEAP applicants and they discuss the fair hearing process. It is not practical for all agencies to have group sessions with clients. I have attached a sample one agency uses for their poster so you can see the customization that takes place. Sub-grantees can never do less than the state policy. Local sub-grantees can develop a process, not a new policy to ensure that fair hearings and appeals are carried out at the local level.

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP performance measures. Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

Our online LIHEAP system will collect the data needed for the FY2020 program. Sub-grantees have been working with vendors to obtain client data at application intake. THDA has held vendor meetings and discussions on best practices for collecting the required data. Data is kept at the subgrantee level and reported to the Grantee as needed.

Clients provide a 12 month (if applicable) energy usage history at the time of application. The monthly totals are entered into the statewide system. High energy user, reconnection and disconnection are check boxes in the statewide system for each client. This information will be pulled from the system and reported to OCS annually.

THDA is working with APPRISE to decide if our benefit matrix should be changed. We need to increase the benefit amount that very low income households receive. We are tests on our data to see what changes could be made and how they affect the program.

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.BrBbr.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled ``Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction,"

provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an

explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled ``Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require

establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of

the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals) The grantee certifies that it will or will continue to provide a drug-free workplace by:,

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1)The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance

programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f)Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

502 Deaderick Street * Address Line 1				
3rd Floor Address Line 2				
Address Line 3				
Nashville * <u>City</u>	^{TN} <u>* State</u>	37243 * Zip Code		
Check if there are workplaces on file that are not identified here. Alternate II. (Grantees Who Are Individuals)				
(a) The grantee certific in the unlawful manuf	es that, as a condition of th	e grant, he or she will not engage sing, possession, or use of a with the grant;		

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Section 20: Certification Regarding Lobbying

The submitter of this application certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, ``Disclosure Form to Report Lobbying," in accordance with its instructions

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, ``Disclosure Form to Report Lobbying," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
