### LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

#### Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

**4.1 Designate the income eligibility threshold used for the crisis component**

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%
2	All Household Sizes	State Median Income	60.00%
3			0.00%

**4.2 Provide your LIHEAP program's definition for determining a crisis.**

A bona fide Household crisis exists when extraordinary events or situations resulting from extreme weather conditions and/or fuel supply shortages have depleted or will deplete household financial resources and/or have created problems in meeting basic household expenses, particularly bills for energy so as to constitute a threat to the well being of the household, particularly vulnerable population households (the elderly, persons with disabilities, or children age 5 and younger). A utility disconnection notice may constitute a household energy crisis.

**4.3 What constitutes a life-threatening crisis?**

State rules define a life threatening crisis as: "A life-threatening crisis exists when at least one person in the applicant household would be adversely affected without the Subrecipient's utility assistance, because there is a shut-off notice or a delivered fuel source is below a ten (10) day supply (by customer report) to the degree that, in the opinion of a reasonable person, the effect could cause loss of life. Examples of life-sustaining equipment include but are not limited to kidney dialysis machines, oxygen concentrators, cardiac monitors, and in some cases heating and air conditioning when ambient temperature control is prescribed by a medical professional. Documentation must not be requested about the medical condition of the applicant/customer but must state that such a device is required in the Dwelling Unit to sustain life."

**Crisis Requirement, 2604(c)**

**4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours**

**4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours**

**12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.**

Applicants are required to submit an application each program year. During the review of applications, applicants are assigned a priority rating based on indicators such as poverty level, energy burden and use, and the presence of vulnerable household members. The applicant is informed of their rating and informed whether their application will be acted on immediately or if higher priority applicants will be served first. If due to a low priority rating an applicant does not receive services during a program year, the applicant must re-apply the following year. This is a program requirement and is not subject to applicant appeal.

If an applicant is concerned that their application has been mishandled, the applicant may file a complaint with the Department. TDHCA has an online complaint system, and staff phone numbers are posted online. In general, applicants who have a complaint are given contact information for TDHCA at the time the complaint is received by the Subrecipient. Applicants who call are encouraged to use the online system, but rarely do. Staff records the complaint and proceeds as if the complaint were a denial of services appeal, as described in Section 12.4 above.

**12.7 When and how are applicants informed of these rights?**

Applicants who have a complaint are given contact information for TDHCA at the time the complaint is received by the Subrecipient.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.**

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
