A high rate of these individuals are accessing the crisis program in the colder months when energy consumption is high and their energy source is close to or has been turned off.

The Kalispel Tribel LIHEAP programs gives preference to the elderly and disabled through the matrix rating system in the policy. Program applicants are scored based on certain program criteria. Elderly and Disabled individuals receive additional points which increases the weighted score and increases their benefit amount.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
