In accordance with the LIHEAP Tribal Manual, a 20% administrative cost rate will be applied to the first \$20,000 of the Tribe's LIHEAP award and a 10% administrative cost rate will be applied to the remaining funds. The total percentage of funds is difficult to calculate without knowing the award amount.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating Yes No

Cooling Yes No

Crisis Yes No

Are there exceptions? Yes No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

Clients who are to receive benefits are sent a letter that notifies them of the benefit amount that will be awarded and this is also submitted to the utility provider as a guarantee of payment prior to the check being processed by the Tribe's Accounting Department. Processing payment, except for crisis situations, takes 1 to 2 weeks.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

The Tribe coordinates and communicates with the energy providers to make sure that the utility provider is aware of the exact benefit amount the individual has been awarded and the Tribe includes the name of the individual, the account number and address information with the check in order to ensure it is credited to the correct account. Because the client/LIHEAP recipient also receives this information, if, for whatever reason, a benefit is not applied to their account (or an incorrect amount is applied), the LIHEAP recipient is instructed to contact the Social Services Department. A meeting with utility vendors and other social service providers in Clallam County is held at the beginning of "LIHEAP season" so that vendors are aware of the LIHEAP Program and how obligations and payments will be made, including the process of applying a guarantee/credit to the client's account and only charging the difference between the actual costs of the home energy and the amount of the payment.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

The same eligibility and benefit determination policies and procedures are used for all eligible households. All households are served by one program staff and their applications are reviewed by the Social Services Director for approval prior to being submitted to the Accounting Department for payment. Receipt of LIHEAP is confidential and other programs/individuals are not notified that a household has received LIHEAP without their written consent. A meeting with the utility vendors and other social service providers in Clallam County is held at the beginning of the "LIHEAP season" to ensure that the vendors are aware of the program and to assure that no household receiving assistance through LIHEAP will be treated adversely because of receiving LIHEAP assistance.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.
