The Heating and Crisis assistance is seasonal from November 1, 2017 until May 31, 2018. A cooling program is offered June 1, 2019 until September 31, 2019 only if or when funds are available. The weatherization program is operated from October 1, 2018 until September 30, 2019.
Hawaii	2019	03/01 - 09/30	03/01 - 09/30	year-round	Heating and Cooling assistance period will begin March 2019. Preparations begin for the start of the application period beginning May 1, 2019. Program start up to include hiring, training and educating employees. Scheduling outreach appointments and sites. Also to prepare offices for the start of the application period.
Idaho	2019	10/01 - 06/30		year-round	
Illinois	2019	10/1 - 5/31		10/1 - 5/31	The heating assistance program is scheduled to start October 1, 2018 beginning with a priority for seniors and disabled applicants utilizing 2019 HHS funds. The Weatherization program started July 1, 2018 utilizing 2018 HHS funding. Due to funding availability, a cooling program will not be offered in FFY19. In the event contingency funds are released by HHS, the Department will set aside a portion of the funding and may administer a summer cooling program.
Indiana	2019	10/01 - 05/17	06/03 - 08/23	11/01 - 08/23	Indiana is committed to its Weatherization services for low-income individuals and will allocate up to the maximum funding allowed for program administration using the same program dates listed above. Additionally, since Indiana experiences more cold weather months, funds will be set aside for Crisis Assistance through the end of Moratorium, or March 15 of each year. However, Crisis Assistance, if funds are available will be offered year round. Additionally, if funds are available, a Summer Cooling program will be administered beginning in June.
Iowa	2019	10/1 - 4/30		year-round	Households containing an elderly or disabled member are allowed to apply on October 1st, while all other households must wait until November 1st.

Maine	2019	10/1 - 7/15		11/01 - 04/30	Heating Assistance: For FFY 2019, Subgrantees will begin taking applications on August 27, 2018 and will continue taking applications through July 15, 2019. Weatherization Assistance Component: End date 09/30/2019 unless MaineHousing extends beyond 09/30/2019.
Maryland	2019	11/1 - 5/31	06/01 - 08/30	11/01 - 05/31	Customers do not apply separately for crisis assistance in Maryland and there are no separate fuel benefits provided. Crisis assistance is provided as expedited assistance as defined by Code of Maryland Regulations (COMAR) 07.03.21.10. Crisis assistance funds are also provided to the Maryland Department of Housing and Community Development through and Inter-Agency Agreement for emergency heating and/or cooling system repair and replacement.
Massachusetts	2019	11/1 - 4/30		11/1 - 4/30	An application received on April 30th must be completed by the applicant no later than May 31st. If April 30th falls on a weekend, the last business day in April will serve as the final date to apply for fuel assistance. After consideration of the circumstances, which may include a particularly inclement winter, increases in fuel prices, lower than expected application numbers, an extension of the statewide moratorium, etc., DHCD may extend the application date from the end of April into the month of May. DHCD will continue its research into a 2 year certification process for those reapplying households whose members are either elderly, disabled or both and have income from only fixed income sources. A subcommittee comprised of DHCD and LAA members will consider the impacts of such a policy and the feasibility under the current program guidelines and constraints. DHCD will explore increasing the program's online presence which may include online appointment booking, prescreening tools, online application, and/or other related resources.

Nebraska	2019	10/01 - 03/31	06/01 - 08/31	year-round	Nebraska currently provides a year round crisis program. Nebraska contracts with the Nebraska Energy Office (NEO) administer the weatherization program, this is a separate contract. The availability of the cooling program and the variables used to determine eligible households will depend on the funding received for the current fiscal year LIHEAP funds. For heating and cooling eligible households, an extra payment may be made in the form of a supplemental payment or an increase in the regular season's payment during the current energy year. These payments may be made to either a provider or to the household. Supplemental payments will be an option for circumstances which include excess/additional funding, high energy, or extreme weather.

Vermont	2019	year-round		11/26 - 4/30	Applications for heating assistance are processed year-round by the Vermont Department for Children and Families (DCF), Economic Services Division (ESD). Applications for winter crisis assistance are processed by Vermont's five Community Action Agencies under grant agreements with ESD, beginning the last Monday in November up to and including the last business day in April, or until crisis funds are exhausted, whichever occurs first. Vermont also operates a year-round, limited-funded, crisis fuel tank replacement program for fuel tanks that have been "red-tagged," or are at imminent risk of failure. The crisis tank replacement program is operated under an interagency agreement with the Department of Environmental Conservation and a second smaller agreement is in place with the DCF Office of Economic Opportunity. Weatherization assistance operates year round and is conducted by the the DCF Office of Economic Opportunity (OEO), Weatherization Program. OEO also operates a year round furnance repair and replacement program which operates under the crisis section of the state model plan.
