LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? None

12.2 How many of those fair hearings resulted in the initial decision being reversed? NA

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

NA

12.4 Describe your fair hearing procedures for households whose applications are denied.

Client's who are denied have the right to appeal the decision, first and foremost, to the LIHEAP Coordinator by asking for a review of the application. If this is not satisfactory, the client has the right to lodge a complaint with the LIHEAP Coordinator's immediate supervisor. This complaint must be presented within ten (10) business days of the decision of the LIHEAP Coordinator.

Following is an explanation of the Client Grievance Procedure should the client not be satisfied with the immediate supervisor (of the LIHEAP Coordinator) finding:

Step One:

- 1) The grievance shall be discussed, (and written documentation) first with the employee's Immediate Supervisor. A grievance must be asserted within five (5) working days of the occurrence of the event or incident giving rise to the grievance, or the right to use of the grievance procedure is deemed waived. If a satisfactory settlement is not reached within five (5) working days after it is asserted, the grievance shall proceed to Step Two.
- 2) If the individual has a problem with the Immediate Supervisor, then the Personnel Director will act as the liaison.
- 3) The Personnel Director will also be involved in all the steps of the grievance procedure.

Step Two:

- 1) The grievance shall be submitted in writing to the Tribal Administrator of the ABM. The Tribal Administrator shall render a decision within five (5) working days. The decision of the Tribal Administrator is final unless the employee appeals in writing to the Program Appeals Board within five (5) working days of receipt of the Tribal Administrator's decision.

Step Three:

- 1) At its next regular meeting, the Tribal Council shall review the decision of the Tribal Administrator. The Tribal Council may sustain, reverse, or selectively alter the Tribal Administrator's decision. The decision of the Tribal Council shall be final. The complete record of the grievance shall be placed in the employee's personnel record.

Step Four:

- 1) The complete written record of the grievance shall be placed in the permanent personnel file of the employee initiating the grievance. The administrative authority rendering the final decision, shall determine if the complete written record of the grievance shall be placed in the personnel record of any of the lower level supervisors involved in the grievance process as described in the preceding steps.

A. Program Appeals Board

1. If the efforts, through the Chain of Command and the Tribal Administrator, have not resolved a programmatic grievance, the client may request a meeting with a Program Appeals Board (PAB) from the Tribal Administrator.

2. The Program Appeals Board (PAB) is a group of employees that has been approved by Tribal Council to hear client and employee programmatic grievances as a final step in the programmatic grievance process. This eliminates the burden for Tribal Council members of researching applicable program regulations and allows programmatic grievances to be resolved quickly and equitably. The PAB is a service to the Community.

3. PAB Selection

- a) The people recommended to serve on the PAB are ABM employees and are not obligated to this position.
- b) The Tribal Administrator recommends the employees for selection to the Tribal Council for approval.
- c) All PAB members must have a signed Privacy Act Agreement that is on file at the Administration Office.

4. Rotation

a) There are approximately fifteen (15) people selected and approved for the PAB by the Tribal Council. Five (5) people must be chosen that do not have any conflicts of interest or potential conflicts of interest with the pending grievance, and members can be rotated.

b) The client/employee has the option of eliminating members of the PAB from sitting during his/her hearing that they believe could be a potential conflict of interest for him/her, or for other personal reasons.

5. The Hearing Process

a) The Tribal Administrator, after obtaining appropriate release of information when necessary, will present all information, and the nature of the complaint, to the ABM Compliance Officer.

b) The ABM Compliance Officer will review the information and nature of the complaint and schedule a meeting of the PAB to render a decision. The PAB meeting must be scheduled within ten (10) working days after the grievance is received by the ABM Compliance Officer and notification of the time and place will be given to the Program Director and aggrieved client..

c) The client must sign any appropriate authorization for disclosure or release of information forms as necessary. A copy of this form will be made available to all members of the PAB prior to the meeting. The information release authorization is effective for the specific timeframe to answer the purpose for which it is given and no further information will be released without execution of an additional written statement of consent.

d) Once appropriate release of information is obtained, the PAB shall review all information and meet with the aggrieved client/employee as well as pertinent staff, including the Program Director. The PAB will render a decision within five (5) working days of the date of the meeting.

e) The ABM Compliance Officer will forward the decision of the PAB to the Tribal Administrator. The Tribal Administrator will then notify all parties concerned, of the decision. The decision of the PAB is final.

f) The complete record of the grievance will be maintained with the Tribal Administrator, and copy furnished to the affected Program Director involved.

6. If a lengthy review of the eligibility requirements or program guidelines and regulations is necessary in order to render a decision in a case, a copy of these requirements, guidelines and regulations may be issued to the selected five board members to review prior to the scheduled meeting. This will allow each board member to conduct some research if he/she has any questions or concerns.

7. The meeting times of the two or more concerned parties during a hearing will be scheduled to allow each party to be heard without interruption and to avoid any potential conflicts. Employees involved in the hearing process may have his/her Immediate Supervisor present during the hearing.

1. In the event personnel issues enter the hearing process, an appropriate ABM Form will be completed and signed by the client asserting the grievance and the ABM Compliance Officer will forward the form to the Personnel Manager for further investigation. The PAB will review programmatic concerns only and is not responsible for resolving personnel issues.

2. There is no responsibility of action or discipline given to PAB members. All personnel issues are forwarded to the Personnel Manager and the Tribal Administrator or other responsible individual will take any other action necessary. However, the PAB may make recommendations (i.e. to revise a policy or research an area of discrepancy.)

3. If preferred, final decisions may be made by ballot voting by the PAB at any given hearing. The ABM Compliance Officer will calculate all votes and forward the decision to the applicable parties. The decision of how to vote during a hearing is made by the PAB members sitting during that particular hearing.

12.5 When and how are applicants informed of these rights?

Clients are given a copy of the Aroostook Band of Micmacs Grievance procedure at the time of application. For those who apply via mail, there is a notice in the newsletter during the first 3 months of the heating season (October, November and December) and monthly via social media (Facebook).

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

Following is an explanation of the Client Grievance Procedure:

Step One:

1) **The grievance shall be discussed, (and written documentation) first with the employee's Immediate Supervisor. A grievance must be asserted within five (5) working days of the occurrence of the event or incident giving rise to the grievance, or the right to use of the grievance procedure is deemed waived. 2) **If the individual has a problem with the Immediate Supervisor, then the Personnel Director will act as the liaison.**

3) **The Personnel Director will also be involved in all the steps of the grievance procedure.**

Step Two:

1) **The grievance shall be submitted in writing to the Tribal Administrator of the ABM. The Tribal Administrator shall render a decision within five (5) working days. The decision of the Tribal Administrator is final unless the employee appeals in writing to the Tribal Council within five (5) working days of receipt of the Tribal Administrator's decision.**

Step Three:

1) **At its next regular meeting, the Tribal Council shall review the decision of the Tribal Administrator. The Tribal Council**

may sustain, reverse, or selectively alter the Tribal Administrator's decision. The decision of the Tribal Council shall be final. The complete record of the grievance shall be placed in the employee's personnel record.

Step Four:

1) The complete written record of the grievance shall be placed in the permanent personnel file of the employee initiating the grievance. The administrative authority rendering the final decision, shall determine if the complete written record of the grievance shall be placed in the personnel record of any of the lower level supervisors involved in the grievance process as described in the preceding steps.

c) The client must sign any appropriate authorization for disclosure or release of information forms as necessary. A copy of this form will be made available to all members of the PAB prior to the meeting. The information release authorization is effective for the specific timeframe to answer the purpose for which it is given and no further information will be released without execution of an additional written statement of consent.

d) Once appropriate release of information is obtained, the PAB shall review all information and meet with the aggrieved client/employee as well as pertinent staff, including the Program Director. The PAB will render a decision within five (5) working days of the date of the meeting.

e) The ABM Compliance Officer will forward the decision of the PAB to the Tribal Administrator. The Tribal Administrator will then notify all parties concerned, of the decision. The decision of the PAB is final.

f) The complete record of the grievance will be maintained with the Tribal Administrator, and copy furnished to the affected Program Director involved.

6. If a lengthy review of the eligibility requirements or program guidelines and regulations is necessary in order to render a decision in a case, a copy of these requirements, guidelines and regulations may be issued to the selected five board members to review prior to the scheduled meeting. This will allow each board member to conduct some research if he/she has any questions or concerns.

7. The meeting times of the two or more concerned parties during a hearing will be scheduled to allow each party to be heard without interruption and to avoid any potential conflicts. Employees involved in the hearing process may have his/her Immediate Supervisor present during the hearing.

1. In the event personnel issues enter the hearing process, an appropriate ABM Form will be completed and signed by the client asserting the grievance and the ABM Compliance Officer will forward the form to the Personnel Manager for further investigation. The PAB will review programmatic concerns only and is not responsible for resolving personnel issues.

2. There is no responsibility of action or discipline given to PAB members. All personnel issues are forwarded to the Personnel Manager and the Tribal Administrator or other responsible individual will take any other action necessary. However, the PAB may make recommendations (i.e. to revise a policy or research an area of discrepancy.)

3. If preferred, final decisions may be made by ballot voting by the PAB at any given hearing. The ABM Compliance Officer will calculate all votes and forward the decision to the applicable parties. The decision of how to vote during a hearing is made by the PAB members sitting during that particular hearing.

12.7 When and how are applicants informed of these rights?

Clients are given a copy of the Aroostook Band of Micmacs Grievance procedure at the time of application. For those who apply via mail, there is a notice in the newsletter during the first 3 months of the heating season (October, November and December) and monthly via social media (Facebook). A hard copy of the grievance procedure is also mailed with all initial client letters (Approval, Denial, and Request for Information letters).

Section 13: Reduction of home energy needs, 2605(b)(16) - Assurance 16

13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?

Monthly newsletters containing information on energy saving and low-to-no-cost heat-saving methods are mailed to the community. Alternative resources are utilized to assist clients in finding alternative weatherization assistance, including the local CAP agency, and methods.

13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?

No more than 1% of our budget is used for the outreach services, budget counseling, needs assessments, home energy education and referrals as the burden of these activities is shared by other funded programs in this department. The limit of 1% is strictly enforced by on site budget review, approval process, and fiscal monitoring.

13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.

The above activities have done little to impact the number of households receiving LIHEAP services but have increased the dollar power for those who do receive assistance, enabling them to stretch the ever-shrinking LIHEAP funds further with energy savings and weatherization in their homes.

13.4 Describe the level of direct benefits provided to those households in the previous Federal fiscal year.

N/A

13.5 How many households applied for these services? 0

13.6 How many households received these services? 180

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
