Purpose: Each year, LEAP must submit a Detailed Model Plan to its federal partners for the upcoming heating season. The Plan is due to our federal partners on September 3, 2019.

Due to leadership changes in CDHS, LEAP must obtain updated signature authority and submit that authority as an attachment to its model plan.

Enclosed for your review is the signature authority obtained from Governor Polis, which delegates authority to the CDHS Executive Director to perform all necessary functions to properly administer LEAP.

Also enclosed is the still-valid letter granting such authority from Office of Economic Security Director Ki'i Powell to the Deputy Executive Director, Barry Pardus.

We now need signature authority to be granted from CDHS Executive Director Michelle Barnes to Ki'i Powell.

We therefore respectfully request that Michelle Barnes please sign the enclosed letter at her earliest convenience, and no later than August 30, 2019.
