Do you give priority in eligibility to:

Elderly?	No
Disabled?	No
Young children?	No

Other?	

Explanations of policies for each "yes" checked above:

Applicants who are renters are eligible to receive energy assistance benefits provided they meet all other eligibility requirements. Specific rental arrangements between the renter (tenant) and the landlord must be verified in order to determine if and how benefits will be paid.

- Applicants who are renters and pay their heating costs directly must identify their energy supplier and fuel type.
- Applicants who are renters (including roomers and boarders) and pay their energy costs indirectly as undesignated portions of rent payments are required to furnish the name, address, and phone number of the landlord to whom the rent payments are made. If their application is qualified, benefits will be paid to the landlord and their rent will be reduced accordingly.
- Applicants who are residents of subsidized housing must provide proof that they are directly responsible for paying their own heating costs and receive a lower benefit level than those with similar incomes that do not have access to subsidized housing.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

During the crisis season, pending the passage of new regulations, crisis situations are deemed "life threatening" if a household has a member that is over the age of 65, under the age of 2, or is experiencing an energy-related life threatening crisis. In these situations, vulnerable households are given priority.

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**

If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).**
