**13.1 Describe how you use LIHEAP funds to provide services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance?**

Each Subgrantee's LIHEAP Work Plan must clearly describe methods the agency will implement during the program year to encourage and educate high energy user households on home energy usage.

This is accomplished through household assessment, agency referrals, income management counseling, energy workshops and educational materials, intervention with energy vendors to promote client responsibility and prevent energy crisis, and follow-up evaluation with the family to ensure progress.

**13.2 How do you ensure that you don't use more than 5% of your LIHEAP funds for these activities?**

The OEO initially allocates 5% funding to each Subgrantee specifically for this purpose and throughout the year closely monitors each budget submission and financial report to ensure compliance.

**13.3 Describe the impact of such activities on the number of households served in the previous Federal fiscal year.**

Each customer is provided with energy savings materials, verified by their signature on a form in the file. Many customers indicate what they will do differently to cut energy costs. More households are using energy saving appliances and light bulbs. We coordinate with weatherization programs to make homes more energy efficient. If we purchase heating/cooling units, they must meet energy savings standards.

**13.4 Describe the level of direct benefits provided to those households in the previous Federal fiscal year.**

Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.**

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**

Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).**
