No hearing shall be required if LIHEAP funds are no longer available to the local contracting agency.

Each local contracting agency shall establish processes and procedures for hearings at the local level. At a minimum, such process and procedures shall include the following requirements:

The local contracting agency shall also provide information and referral services regarding any legal services available in the community that may be available to the individual requesting the hearing.

The local contracting agency shall notify, in writing, all individuals who claim LIHEAP assistance whether their claim for assistance is approved or denied. If the claim for assistance is approved, the written notification shall also indicate the benefit amount to be provided. If the claim for assistance is denied, the written notification shall state the correct procedures to follow to request a hearing in connection with the denial and shall include the items stated above.

Individuals whose claim for LIHEAP assistance is denied, and that denial is upheld by the local contracting agency, may request a review by the Tennessee Housing Development Agency (THDA). Requests to THDA for a review may be made in writing, electronic mail, or telephone within thirty (30) days of the date of the written notification of the outcome of the hearing conducted by the local contracting agency. No request for a THDA review will be accepted until a hearing has been held by the local contracting agency and notification of the results have been made.
