Heating assistance	50.00%
Cooling assistance	0.00%
Crisis assistance	24.00%
Weatherization assistance	15.00%
Carryover to the following federal fiscal year	1.00%
Administrative and planning costs	10.00%

<b>Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8</b>					
<b>1.4 Do you consider households categorically eligible if one household member receives one of the following categories of benefits in the left column below? Yes</b>					
<b>If you answered "Yes" to question 1.4, you must complete the table below and answer questions 1.5 and 1.6.</b>

Other(Specify) 1					
<b>1.5 Do you automatically enroll households without a direct annual application? Yes</b>					
<b>If Yes, explain:</b> During applications and reviews, all clients are asked if they want to be evaluated for LIHEAP. If a client chooses to be evaluated then the data system eRAPIDS will send out a pre-authorization evaluation form. If the client returns this form to their local Department of Health and Human Resources, then they will be evaluated for an automatic payment.					
<b>1.6 How do you ensure there is no difference in the treatment of categorically eligible households from those not receiving other public assistance when determining eligibility and benefit amounts?</b> This is ensured as a client that is not categorically eligible will receive the same application and time frame as a client that is categorically eligible. Benefit levels are programmed into a computerized system and are based on income, size of household, and cost of energy. Distinction is made regarding the applicant's categorical or non-categorical status. Receipt of other benefits are considered in determining eligibility for LIHEAP benefits. Benefits for crisis payments are based solely on the above criteria plus the presence of an immediate need for home heating and lack of resources to meet the emergent need. All applicants must submit a signed form for heating benefits and all crisis applicants must be interviewed.					
SNAP Nominal Payments					
<b>1.7a Do you allocate LIHEAP funds toward a nominal payment for SNAP households? No</b>

If you selected "Welfare Agency" in question 8.1, you must complete questions 8.2, 8.3, and 8.4, as applicable.

**8.2 How do you provide alternate outreach and intake for HEATING ASSISTANCE?**

LIHEAP is a separate intake process, mostly by mail. Outreach is accomplished with a mail-out application packet. The application form may be mailed to the local DHHR office or taken to a Community Action or Area Agency on Aging office or center for assistance. CA and AAA volunteers make home visits to reach those clients who are disabled and/or homebound. An automatic LIHEAP payment option offers added convenience for eligible households.

**8.3 How do you provide alternate outreach and intake for COOLING ASSISTANCE?**

N/a

**8.4 How do you provide alternate outreach and intake for CRISIS ASSISTANCE?**

PSC-regulated energy provider's use billing notice inserts to let customers know when LIHEAP crisis funds are available and refer them to DHHR. CA and AAA personnel make referrals to DHHR when clients request help on heating bills and/or weatherization

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP)  
**MODEL PLAN**

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

**9.1 Do you make payments directly to home energy suppliers?**

Heating Yes

Cooling

Crisis Yes

Are there exceptions? No

If yes, Describe.

**9.2 How do you notify the client of the amount of assistance paid?**

The benefit-issuance system generates an approval letter to the client with the amount of assistance being sent to the home-heating vendor

**9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?**

Language was added to the On-Line Voucher Agreements and Understandings Payment Voucher (OFS-67), making the vendor agreement obsolete. These agreements pertain to the crisis component.

**9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?**

The vendor's simply accept the LIHEAP payment just like they would accept payment from a client that is not getting any public assistance. The clients are not coded differently in their vendor system to give special treatment of any kind.

**9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?**

Yes

If so, describe the measures unregulated vendors may take.

Direct payments are generally made to clients who use bulk fuel unless crisis funds are involved. In a crisis situation, vendor payment is preferred unless the client must self-deliver in partial amounts and no vendor is willing to set up such "credit" accounts.

**Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)**

**10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?**

Federal funds awarded to West Virginia are committed and identified in the WV OASIS (Our Advanced Solution with Integrated Systems) LIHEAP customer payments are also entered into OASIS and daily payments are tracked and monitored to determine that expenditures do not exceed amounts awarded. The state's Recipient Automated Payment and Information Data System (RAPIDS) is the benefits issuance data processing program that workers access to determine customer eligibility for LIHEAP. The system provides individual approvals and daily batch approvals which allows for dual controls. Benefits approved in RAPIDS can be compared to OASIS payments to utility companies, bulk fuel providers, etc.

Section 19: Certification Regarding Drug-Free Workplace Requirements

**This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.**

**Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)**

- 3. For grantees other than individuals, Alternate I applies.**
- 4. For grantees who are individuals, Alternate II applies.**
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.**
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).**
- 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).**

**Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

**Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
